B*WITCH Paige McKenzie 2020-07-07 When the new girl in school joins a group of teen witches, she and her friends must team up with a rival coven to take down a mysterious killer. New girl and secret witch Iris just wants to get through her first day of school without a panic attack. The last thing she expects is to be taken in by a coven of three witches: soft-spoken Greta, thoughtful and musical Ridley, and fiery and spirited Binx. They may be the first witches Iris has met IRL, but their coven is not alone in their small northwestern town. The Triad is the other coven at their school. When the Triad's not using spells to punish their exes or break up happy couples for fun, they practice dark magic. The two covens have a rivalry stretching all the way back to junior high. When tragedy strikes and one of their own is murdered, the rival covens must band together to find out who is responsible before it's too late. Someone's anti-witch ideology has turned deadly . . . and one of them is next. Eliza's parents expect her to learn the qualities needed to be a graceful and obedient wife, but Eliza has a dangerous secret... she's a witch! After finding a dusty, leather-bound spell book, Eliza forms a secret coven with eleven other Billings girls, disguising their gatherings as a literary society to keep their teachers from discovering the truth. Bonded in sisterhood, they cast spells - cursing the headmistress, giving blisters to boys with wandering hands and conjuring beautiful dresses out of rags. The girls taste freedom and power for the first time, but what starts out as innocent fun turns into something more sinister when one of the spells has an unexpected - and deadly - consequence. Eliza realises that magic could bring her everything she's ever wanted...

Slouch Witch Helen Harper 2017-06-05 Hard Work Will Pay Off Later. Laziness Pays Off Now. Let's get one thing straight - Ivy Wilde is not a heroine. In fact, she's probably the last witch in the world who you'd call if you needed a magical helping hand. If it were down to Ivy, she'd spend all day every day on her sofa where she could watch TV, munch junk food and talk to her feline familiar to her heart's content. However, when a bureaucratic disaster ends up with Ivy as the victim of a case of mistaken identity, she's yanked very unwillingly into Arcane Branch, the investigative department of the Hallowed Order of Magical Enlightenment. Her problems are quadrupled when a valuable object is stolen right from under the Order's noses. It doesn't exactly help that she's been magically bound to Adeptus Exemptus Raphael Winter. He might have piercing sapphire eyes and a body which a cover model would be proud of but, as far as Ivy's concerned, he's a walking advertisement for the joyless perils of too much witch-work. And if he makes her go to the gym again, she's definitely going to turn him into a frog.

Wildseed Witch (Book 1) Marti Dumas 2022-05-10 A fun middle-grade contemporary fantasy with an all-BIPOC cast, about a social-media-loving tween who gets sent to an ultra-private witch camp Hasani's post-seventh-grade summer to-do list is pretty simple: get a bigger following for her makeup YouTube channel and figure out how to get her parents back together. What she does NOT expect is that an emotional outburst will spark a latent magical ability in her. Or that the magic will be strong enough to attract the attention of witches. Or that before she can say #BlackGirlMagic, she'll be shipped off on a scholarship to a fancy finishing school for talented young ladies. Les Belles Demoiselles is a literal charm school. Here, generations of young ladies from old-money witch families have learned to harness their magic, and alumnae grow to become some of the most powerful women across industries, including politicians, philanthropists, CEOs, entrepreneurs—and yes, even social media influencers. Needless to say, admission to the school is highly coveted, very exclusive . . . and Hasani sticks out like a weed in a rose bouquet. While the other girls have always known they were destined to be witches, Hasani is a Wildseed—a stray witch from a family of non-witches, with no background knowledge, no way to control her magic, and a lot to catch up on. "Wildseed" may be an insult that the other girls throw at her, but Wildseeds are more powerful than they know. And Hasani will learn that there are ways to use magic and thrive that can never be taught in a classroom.
