**Ebony** - 2005-04

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

**The Buddha and the Borderline** - Kiera Van Gelder 2010-08-01

Kiera Van Gelder's first suicide attempt at the age of twelve marked the onset of her struggles with drug addiction, depression, post-traumatic stress, self-harm, and chaotic romantic relationships-all of which eventually led to doctors' belated diagnosis of borderline personality disorder twenty years later. *The Buddha and the Borderline* is a window into this mysterious and debilitating condition, an unblinking portrayal of one woman's fight against the emotional devastation of borderline personality disorder. This haunting, intimate memoir chronicles both the devastating period that led to Kiera's eventual diagnosis and her inspirational recovery through therapy, Buddhist

spirituality, and a few online dates gone wrong. Kiera's story sheds light on the private struggle to transform suffering into compassion for herself and others, and is essential reading for all seeking to understand what it truly means to recover and reclaim the desire to live.

*Confusing Love With Obsession* - John D Moore 2010-08-04

A must-read book for anyone involved in a dangerously obsessive relationship. *Confusing Love with Obsession* is a must-read for anyone involved in a dangerously obsessive relationship. Fueled by an overwhelming fear of abandonment, people involved in obsessive relationships will go to extreme lengths to control their partner. Here, John D. Moore draws from excruciating real-life stories and personal experience to reveal the inner workings of obsessive relationships. More important, *Confusing Love with Obsession* helps readers develop a new self-awareness and healthy relationship--free from preoccupation with an

object of obsession.

Exaholics - Lisa Marie Bobby 2016-02-10

Severing a cherished relationship is one of the most painful experiences in life—and cutting those emotional ties to a loved one can feel almost like ending an addiction. Up till now, people recovering from other problems were able to get real help—like AA and rehab—while those struggling in the aftermath of traumatic breaks dealt with platitudes and friends insisting they should "get over it already." But now Exaholics Anonymous treats getting over an ex like kicking a chemical habit. Written by counselor and therapist Dr. Lisa Bobby, Exaholics offers meaningful support and advice to anyone trapped in the obsessive pain of a broken, or dying, attachment. She helps the brokenhearted heal, showing them, on a deep level, how to develop a conceptual framework for their experience, understand the emotional processes at work inside themselves, find the path to recovery, and free themselves of shame,

injured ego, and remorse. In-depth case studies of others' journeys will illuminate the way to future happiness.

**The Power to Stop Any Out-of-Control Behavior in 30 Days** - Karen Bentley

2012-04-01

LOVE IS THE SOLUTION! The Power to Stop is a 30-day do-it-yourself spiritual recovery training program that teaches how to stop out-of-control behaviors, bad habits or substance abuse problems. The secret of success is the experience of self-love, which is learned through four practical, easy stopping skills. The Power to Stop accelerates personal growth, restores connection with God and renews deep, rich meaning in life. Take the happy leap from wasting your life to saving it with love.

*Clairvoyance for Beginners* - Alexandra Chauran  
2014-07-08

Discover your natural clairvoyant abilities and see the future of your love life, your financial potential, and your spiritual destiny. Even if

you've never had a vision, Alexandra Chauran provides each step necessary to move from clairvoyant beginner to visionary expert. Using practical and down-to-earth concepts, *Clairvoyance for Beginners* is an accessible introduction to developing inner vision. Through approachable exercises and examples, explore your dreams, practice meditation, enter a trance, discover psychometry, interpret omens, and read a crystal ball. Use the included symbol dictionary to give advice on career, money, and health. Learn the ethics of being clairvoyant, as well as many more ways to apply your newfound talents to helping yourself and others.

### **The Essential Guide to Overcoming**

**Obsessive Love** - Eileen Bailey 2011-06-07

When does love become an obsession? What are the warning signs? What does it take to guard against it and prevent it from taking over one's life? A psychotherapist who specializes in this condition and a survivor of obsessive love team up to answer these questions and many others in

the most current and important book on this phenomenon. With fascinating and helpful advice drawn from real-life case studies and personal experience, this expert team discusses: ? The difference between healthy love and obsessive love. ? The psychological and societal causes of obsessive love. ? Obsessive love from both the obsessor's and the obsessee's points of view. ? Proven techniques to avoid falling into the obsessive love cycle. ? Concrete steps to break the cycle.

**The Advocate** - 2004-08-17

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**HIV Plus** - 2003-02

HIV Plus offers the latest stories on research, economics, and treatment. The magazine raises awareness of HIV-related cultural and policy developments in the United States and throughout the world.

**The Power of Fate** - Gisele G. Barbosa 2007-02

This is the story of the irresistible chemistry of Destiny, and the love of a man and a woman . . . a bond they could not understand . . . a journey they never suspected. Who will win, Fate or Family? Their story is the continuance of one begun four hundred years before at the crossroad of Fate. But today, Marcel and Monique must struggle to realize the fruits of their powerful feelings.

*Overcoming Harm OCD* - Jon Hershfield  
2018-12-01

Don't let your thoughts and fears define you. In *Overcoming Harm OCD*, psychotherapist Jon Hershfield offers powerful cognitive behavioral therapy (CBT) and mindfulness tools to help you break free from the pain and self-doubt caused by harm OCD. Do you suffer from violent, unwanted thoughts and a crippling fear of harming others? Are you afraid to seek treatment for fear of being judged? If so, you may have harm OCD—an anxiety disorder

associated with obsessive-compulsive disorder (OCD). First and foremost, you need to know that these thoughts do not define you as a human being. But they can cause a lot of real emotional pain. So, how can you overcome harm OCD and start living a better life? Written by an expert in treating harm OCD, this much-needed book offers a direct and comprehensive explanation of what harm OCD is and how to manage it. You'll learn why you have unwanted thoughts, how to identify mental compulsions, and find an overview of cognitive-behavioral and mindfulness-based treatment approaches that can help you reclaim your life. You'll also find tips for disclosing violent obsessions, finding adequate professional help, and working with loved ones to address harm OCD systemically. And finally, you'll learn that your thoughts are just thoughts, and that they don't make you a bad person. If you have harm OCD, it's time to move past the stigma and start focusing on solutions. This evidence-based guide will help

light the way.

**Love and Limerence** - Dorothy Tennov 1979

Women Who Love Too Much - Robin Norwood  
2014-11-27

THE INTERNATIONAL NO.1 BESTSELLER  
HELPING MILLIONS OF WOMEN FIND  
HEALTHIER RELATIONSHIPS 'A life-changing  
book' Erica Jong Is your relationship the most  
important thing in your life? Are you constantly  
thinking and talking about your partner, or  
finding excuses for their bad behaviour? If you  
have ever found yourself obsessing over an  
undeserving partner, this book was written for  
you. Many women are repeatedly drawn into  
unhappy and destructive relationships, and then  
struggle to make these doomed relationships  
work. In this bestselling psychology book,  
leading relationship and marriage therapist  
Robin Norwood reveals why we get into  
unhealthy relationships and how powerfully  
addictive they are - and shares her effective

framework for finding and sustaining love.

Updated edition with a new introduction What  
readers are saying: 'A must read for everyone,  
women and men alike' 'One of the best self-help  
books I have read' 'A life changing book -  
brutally honest and straightforward - yet full of  
love and compassion' 'Such an insightful read'  
'Brilliant, life-changing'

*7 Keys to Personal Identity* - Dr. Anita Gadhia-  
Smith 2022-06-06

7 Keys to Personal Identity: Thriving In An Era  
Of Narcissism and Chaos "7 Keys to Personal  
Identity: Thriving In An Era of Narcissism and  
Chaos" is a roadmap to finding your true  
personal identity. This book takes you through  
seven fundamental steps of personal  
development: choosing resilience over  
victimhood, deciding to think for yourself,  
practicing daily self-care, learning to trust your  
intuition, developing a growth mindset, finding  
your calling, and developing a spiritual life. By  
developing your own true identity, you will take

the journey from fitting in to true belonging.

**The Healthy Compulsive** - Gary Trosclair

2020-02-08

Gary Trosclair explores the power of the driven personality and the positive outcomes those with obsessive compulsive personality disorder can achieve through a mindful program of harnessing the skills that can work, and altering those that serve no one. If you were born with a compulsive personality you may become rigid, controlling, and self-righteous. But you also may become productive, energetic, and conscientious. Same disposition, but very different ways of expressing it. What determines the difference? Some of the most successful and happy people in the world are compelled by powerful inner urges that are almost impossible to resist. They're compulsive. They're driven. But some people with a driven personality feel compelled by shame or insecurity to use their compulsive energy to prove their worth, and they lose control of the wheel of their own life.

They become inflexible and critical perfectionists who need to wield control, and they lose the point of everything they do in the process. A healthy compulsive is one whose energy and talents for achievement are used consciously in the service of passion, love and purpose. An unhealthy compulsive is one whose energy and talents for achievement have been hijacked by fear and its henchman, anger. Both are driven: one by meaning, the other by dread. The Healthy Compulsive: Healing Obsessive-Compulsive Personality Disorder and Taking the Wheel of the Driven Personality, will serve as the ultimate user's guide for those with a driven personality, including those who have slid into obsessive-compulsive personality disorder (OCPD). Unlike OCD, which results in specific symptoms such as repetitive hand-washing and intrusive thoughts, OCPD permeates the entire personality and dramatically affects relationships. It also requires a different approach to healing. Both scientifically informed and practical, The

## Confusing Love With Obsession When You Cant Stop Controlling Your Partner And The Relationship

---

Healthy Compulsive describes how compulsives get off track and outlines a four-step program to help them consciously cultivate the talents and passions that are the truly compelling sources of the driven personality. Drawing from his 25 years of clinical experience as a psychotherapist and Jungian psychoanalyst, and his own personal experience as someone with a driven personality, Trosclair offers understanding, inspiring stories of change, and hope to compulsives and their partners about how to move to the healthy end of the compulsive spectrum.

**Books In Print 2004-2005** - Bowker Editorial Staff 2004

*Neurodiverse Relationships* - Joanna Stevenson 2019-07-18

Comprised of the accounts of twelve heterosexual couples in which the man is on the Autism Spectrum, this book invites both partners to discuss their own perspectives of different key

issues, including anxiety, empathy, employment and socialising. Autism expert Tony Attwood contributes a commentary and a question and answer section for each of the twelve accounts. The first book of its kind to provide perspectives from both sides of a relationship on a variety of different topics, Neurodiverse Relationships is the perfect companion for couples in neurodiverse relationships who are trying to understand one another better.

**Ancient Sins . . . Modern Addictions** - R.

Scott Sullender 2013-07-05

There is a virtual epidemic of addiction in the United States, both traditional addictions to drugs and alcohol but also newer addictions, like sex, gambling, rage, work, and food/eating. Some authorities have labeled addictions the number one mental health problem in America. We are spending millions of dollars annually trying to prevent, understand, and treat this epidemic--and yet by any measure of success we are losing this "war." In this cultural context Dr.

## Confusing Love With Obsession When You Cant Stop Controlling Your Partner And The Relationship

---

Sullender invites us to look again at the spiritually based scheme of the Seven Deadly Sins, which originated at the dawn of Western civilization. He suggests that what our spiritual forebears meant by "deadly" is best captured in the modern concept of "addiction." Based on this thesis, this book explores what is addictive about the sins of pride, envy, anger, greed, gluttony, sloth, and lust, and suggests that these sins are all obsessive, and as such become the mental component in the addictive cycle. Each chapter concludes by offering some spiritual resources, practices, and insights that can help us win the battle against addiction, which is ultimately won or lost on a mental or spiritual plane.

*All About Love* - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth

about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your

## Confusing Love With Obsession When You Cant Stop Controlling Your Partner And The Relationship

---

Life.” All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**Confusing Love With Obsession** - John D. Moore 2002

Some things don t get better over time. Why do so many women and men obsessively attach

themselves to destructive relationships relationships that they cannot walk away from? Why do they pathologically need to control their partners, using whatever means necessary? John Moore helps these people to identify, comprehend and become aware of their destructive behaviors in personal relationships so they can stop the viscous cycle of pain.
