Historical Painting Techniques, Materials, and Studio Practice -

Arie Wallert 1995-08-24

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

The Divine Song - Abdourahman A. Waberi 2020

"Everything starts with a song and everything ends with another song," says the narrator of *The Divine Song*. Paris is an old Sufi cat who keeps watch over his brilliant yet pathetic master, Sammy Kamau-Williams, the Enchanter. In *Sammy*, we recognize the African American singer-composer, poet, and novelist Gil Scott-Heron who is best known for his song "The Revolution Will Not Be Televised." *The Divine Song* takes us from the shores of Africa to Sammy's ancestors' arrival in the Americas in the hold of the slave ships. From there, Abdourahman A. Waberi takes the characters from Tennessee--under the tutelage of Lili Williams, Sammy's beloved African-born grandmother--to New York and the concert halls of Paris and Berlin, wherever blues and jazz find an enchanted audience. African tales, religious practices, segregation, the civil rights movement, addiction, and jail--Sammy's life comes to encompass the whole of the African American experience. At a time when social and racial divisions have yet again come into sharp relief, this lyrical novel by one of African literature's rising stars is necessary reading for anyone who celebrates the resilience of art.

Arts & Humanities Citation Index - 1980

Tales and Novels in Verse - Jean de La Fontaine 1884

A Century of Artists Books - Riva Castleman 1997-09

Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.

A History of French Literature - Edward Dowden 1897

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to ensure edition identification: ++++ A History Of French Literature; Short Histories Of The Literatures Of The World Edward Dowden Heinemann, 1897 Literary Criticism; European; French; French literature; Literary Criticism / European / French

Discovery of Grounded Theory - Barney Glaser 2017-07-05

Most writing on sociological method has been concerned with how accurate facts can be obtained and how theory can thereby be more rigorously tested. In *The Discovery of Grounded Theory*, Barney Glaser and Anselm Strauss address the equally important enterprise of how the discovery of theory from data?systematically obtained and analyzed in social research?can be furthered. The discovery of theory from data?grounded theory?is a major task confronting sociology, for such a theory fits empirical situations, and is understandable to sociologists and laymen alike. Most important, it provides relevant predictions, explanations, interpretations, and applications. In Part I of the book, "Generation Theory by Comparative Analysis," the authors present a strategy whereby sociologists can facilitate the discovery of grounded theory, both substantive and formal. This strategy involves the systematic choice and study of several comparison groups. In Part II, *The Flexible Use of Data*," the generation of theory from qualitative, especially documentary, and quantitative data is considered. In Part III, "Implications of Grounded Theory," Glaser and Strauss examine the credibility of grounded theory. *The Discovery of Grounded Theory* is directed toward improving social scientists' capacity for generating theory that will be relevant to their research. While aimed primarily at sociologists, it will be useful to anyone interested in studying social phenomena?political, educational, economic, industrial? especially if their studies are based on qualitative data.

Corruption as an Empty Signifier - Lucy Koechlin 2013-05-23

Corruption as an Empty Signifier critically explores the ways in which corruption in Africa has been equated with African politics and political order, and offers a novel approach to understanding corruption as a potentially emancipatory discourse of political transformation.

Decadence and Literature - Jane Desmarais 2019-08-22

Decadence and Literature explains how the concept of decadence developed since Roman times into a major cultural trope with broad explanatory power. No longer just a term of opprobrium for mannered art or immoral behaviour, decadence today describes complex cultural and social responses to modernity in all its forms. From the Roman emperor's indulgence in luxurious excess as both personal vice and political control, to the Enlightenment libertine's rational pursuit of hedonism, to the nineteenth-century dandy's simultaneous delight and distaste with modern urban life, decadence has emerged as a way of taking cultural stock of major social changes. These changes include the role of women in forms of artistic expression and social participation formerly reserved for men, as well as the increasing acceptance of LGBTQ+ relationships, a development with a direct relationship to decadence. Today, decadence seems more important than ever to an informed understanding of contemporary anxieties and uncertainties.

Pantagruel, King of the Diposodes - François Rabelais 2019-11-16

Alexandre Dumas : Oeuvres complètes - T. 1/2 (Romans, contes et nouvelles) - Alexandre Dumas 2014-11-18

DE CHAUVELIN ANNEXE : ALEXANDRE DUMAS - SA VIE, SON TEMPS, SON ŒUVRE par Henri BLAZE de BURY. A PROPOS DE L'ÉDITEUR : Les éditions Arvensa sont les leaders de la littérature classique numérique. Leur objectif est de vous faire connaître les œuvres des plus grands auteurs de la littérature classique en langue française à un prix abordable tout en vous fournissant la meilleure expérience de lecture sur votre liseuse. Tous les titres sont produits avec le plus grand soin. Chaque édition contient un système de navigation intuitif et ergonomique : • Naviguez par simple clic de chapitre à chapitre ou de livre à livre. • Accédez instantanément à la table des matières hyperliée globale. • Une table des matières est placée également au début de chaque titre. Vous disposez également d'un service qualité qui s'engage à vous répondre dans les 48h. Retrouvez tous les titres des éditions Arvensa sur leur site.

So Spoke the Uncle - Jean Price-Mars 1983**A Theory of Literary Production** - Pierre Macherey 2015-10-08

Who is more important: the reader, or the writer? Originally published in French in 1966, Pierre Macherey's first and most famous work, *A Theory of Literary Production* dared to challenge perceived wisdom, and quickly established him as a pivotal figure in literary theory. The reissue of this work as a Routledge Classic brings some radical ideas to

In the Realm of the Diamond Queen - Anna Lowenhaupt Tsing 2021-04-13

In this highly original and much-anticipated ethnography, Anna Tsing challenges not only anthropologists and feminists but all those who study culture to reconsider some of their dearest assumptions. By choosing to locate her study among Meratus Dayaks, a marginal and marginalized group in the deep rainforest of South Kalimantan, Indonesia, Tsing

deliberately sets into motion the familiar and stubborn urban fantasies of self and other. Unusual encounters with her remarkably creative and unconventional Meratus friends and teachers, however, provide the opportunity to rethink notions of tradition, community, culture, power, and gender--and the doing of anthropology. Tsing's masterful weaving of ethnography and theory, as well as her humor and lucidity, allow for an extraordinary reading experience for students, scholars, and anyone interested in the complexities of culture. Engaging Meratus in wider conversations involving Indonesian bureaucrats, family planners, experts in international development, Javanese soldiers, American and French feminists, Asian-Americans, right-to-life advocates, and Western intellectuals, Tsing looks not for consensus and coherence in Meratus culture but rather allows individual Meratus men and women to return our gaze. Bearing the fruit from the lively contemporary conversations between anthropology and cultural studies, *In the Realm of the Diamond Queen* will prove to be a model for thinking and writing about gender, power, and the politics of identity.

Jane Eyre (Deluxe Hardbound Edition) - Charlotte Brontë 2022-10-06

Jane Eyre, first published in 1847 under the pseudonym Currer Bell, exploded into the English literary scene, capturing the hearts of many of the world's most prominent writers, including William Makepeace Thackeray, who called it a work "of extraordinary brilliance." Brontë's masterpiece, widely recognised as a revolutionary novel, exposed the world to a radical new sort of heroine, one whose rebellious integrity and moral courage stood in stark contrast to the more acquiescent and malleable female heroines of the day. *Jane Eyre* is one of the world's most beloved novels because it is passionate, dramatic, and startlingly modern.

Monsieur Venus - Rachilde 2015-05-01

When the rich and well-connected Raoule de Vénérande becomes enamored of Jacques Silvert, a poor young man who makes artificial flowers for a living, she turns him into her mistress and eventually into her wife. Raoule's suitor, a cigar-smoking former hussar officer, becomes an accomplice in the complications that ensue.

The Financial Crisis Inquiry Report - Financial Crisis Inquiry Commission 2011-05-01

The Financial Crisis Inquiry Report, published by the U.S. Government and the Financial Crisis Inquiry Commission in early 2011, is the official government report on the United States financial collapse and the review of major financial institutions that bankrupted and failed, or would have without help from the government. The commission and the report were implemented after Congress passed an act in 2009 to review and prevent fraudulent activity. The report details, among other things, the periods

before, during, and after the crisis, what led up to it, and analyses of subprime mortgage lending, credit expansion and banking policies, the collapse of companies like Fannie Mae and Freddie Mac, and the federal bailouts of Lehman and AIG. It also discusses the aftermath of the fallout and our current state. This report should be of interest to anyone concerned about the financial situation in the U.S. and around the world. THE FINANCIAL CRISIS INQUIRY COMMISSION is an independent, bi-partisan, government-appointed panel of 10 people that was created to "examine the causes, domestic and global, of the current financial and economic crisis in the United States." It was established as part of the Fraud Enforcement and Recovery Act of 2009. The commission consisted of private citizens with expertise in economics and finance, banking, housing, market regulation, and consumer protection. They examined and reported on "the collapse of major financial institutions that failed or would have failed if not for exceptional assistance from the government." News Dissector DANNY SCHECHTER is a journalist, blogger and filmmaker. He has been reporting on economic crises since the 1980's when he was with ABC News. His film *In Debt We Trust* warned of the economic meltdown in 2006. He has since written three books on the subject including *Plunder: Investigating Our Economic Calamity* (Cosimo Books, 2008), and *The Crime Of Our Time: Why Wall Street Is Not Too Big to Jail* (Disinfo Books, 2011), a companion to his latest film *Plunder The Crime Of Our Time*. He can be reached online at www.newsdissector.com.

Promise at Dawn - Romain Gary 2017-10-31

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. *Promise at Dawn* begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland "born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love."

Degeneration - Max Nordau 2018-09-21
