

Dirty Sexy Deception A Novel One Reason Publications Presents

When Men Behave Badly - DAVID. BUSS
2021-07

Sexual conflict permeates ancient religions, from injunctions about thy neighbor's wife to the sexual obligations of marriage. It is etched in written laws that dictate who can and cannot have sex with whom. Its manifestations shape our sexual morality, evoking approving accolades or contemptuous condemnation. It produces sexual double standards that flourish even in the most sexually egalitarian cultures on earth. And although every person alive struggles with sexual conflict, most of us see only the tip of the iceberg: dating deception, a politician's unsavory grab, the slow crumbling of a once-happy marriage, a romantic breakup that turns nasty. *Bad Men* shows that this "battle of the sexes" is deeper and far more pervasive than anyone has recognized, revealing the hidden roots of sexual conflict -- roots that originated over deep evolutionary time -- which characterise our sexual psychology. Providing novel insights into our minds and behaviours, *Bad Men* presents a unifying new theory of sexual conflict and offers practical advice for men and women seeking to avoid it.

Wolf Hall - Hilary Mantel 2020-11-05

Inglaterra, década de 1520. Henry VIII ocupa o trono, mas não tem herdeiros. O cardeal Wolsey, o seu conselheiro principal, é encarregue de garantir a consumação do divórcio que o papa recusa conceder. É neste ambiente de desconfiança e de adversidade que surge Thomas Cromwell, primeiro como funcionário de Wolsey e, mais tarde, como seu sucessor. Thomas Cromwell é um homem verdadeiramente original. Filho de um ferreiro cruel, é um político genial, intimidante e sedutor, com uma capacidade subtil e mortal para manipular os outros e as circunstâncias. Impiedoso na perseguição dos seus próprios interesses, é tão ambicioso na política quanto na vida privada. A sua agenda reformadora é executada perante um

parlamento que atua em benefício próprio e um rei que flutua entre paixões românticas e acessos de raiva homicida. Escrito por uma das grandes escritoras do nosso tempo, *Wolf Hall* é um romance absolutamente singular.

The Spanish Love Deception - Elena Armas
2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

Deception - Philip Roth 2010-12-23

The 48 Laws of Power - Robert Greene
2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from

the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

[Empire of Deception](#) - Dean Jobb 2015-05-19

“A rollicking tale that is one part *The Sting*, one part *The Great Gatsby*, and one part *The Devil in the White City*.” —Karen Abbott, author of *Liar, Temptress, Soldier, Spy* In a time of unregulated madness, nowhere was it madder than in Chicago at the dawn of the Roaring Twenties. It was the perfect place for a slick, smooth-talking, charismatic lawyer named Leo Koretz to entice hundreds of people to invest as much as \$30 million--upwards of \$400 million today--in phantom timberland and nonexistent oil wells in Panama. It was an ingenious deceit, one that out-Ponzied Charles Ponzi himself. In this rip-roaring tale of greed, financial corruption, dirty politics, over-the-top and under-the-radar deceit, illicit sex, and a brilliant and wildly charming con man on the town and then on the lam, *Empire of Deception* proves that the American dream of easy wealth is truly a timeless commodity. “Captivating . . . Dean Jobb tells the

story of Leo Koretz, a legendary con artist of Madoffian audacity, with terrific energy and narrative brio.” —Gary Krist, author of *Empire of Sin* “A brilliantly researched tale of greed, ambition, and our desperate need to believe in magic, it’s history that captures America as it really was--and always will be. A great read.”

—Douglas Perry, author of *Eliot Ness* “Reads like a *Gatsby*-Ponzi mashup . . . Kudos to Jobb for unearthing this overlooked story and bringing to life a charming, witty, naughty, iconic American crook.” —Neal Thompson, author of *A Curious Man* “The granddaddy of all con men, Leo Koretz gives Jobb the opportunity to exhibit his impressive research and storytelling skills . . . A highly readable, entertaining story.” —Kirkus Reviews

The State Bearing Gifts - Brian J. McVeigh
2006

Using Japanese higher education as a case study, author Brian J. McVeigh explores the varieties of 'exchange dramatics' among the Education Ministry, universities, faculty, and students. With one eye on large-scale processes and the other on everyday practices, he elucidates trafficking between micro- and macro-levels and key concepts of 'value, 'exchange, ' and 'role performance' by studying how political economy configures dramatization and deception at the everyday level. Relying on extensive ethnographic participant observation and the notion of the 'gift, ' McVeigh challenges the commonly accepted idea of 'social contract' for understanding state-society relations. Written to be read as both a political and philosophical commentary and anthropological investigation, this work has theoretical implications for comparative studies of political systems, particularly regarding the relation between self-deception and the ideological manufacture of legitima
