The Daughters of Cain - Colin Dexter 2016-05-05
 Bizarre and bewildering that's what so many murder investigations in the past had proved to be ... In this respect, at least, Lewis was correct in his thinking. What he could not have known was what unprecedented anguish the present case would cause to Morse's soul. The victim had been killed by a single stab wound to the stomach. Yet the police had no weapon, no suspect, no motive. When another body is discovered Morse suddenly finds himself with rather too many suspects. For once, he can see no solution. But then he receives a letter containing a declaration of love ...

Stone Mattress - Margaret Atwood 2015-09-24
 BY THE AUTHOR OF THE HANDMAID'S TALE AND ALIAS GRACE A recently widowed fantasy writer is guided through a stormy winter evening by the voice of her late husband. An elderly lady with Charles Bonnet syndrome comes to terms with the little people she keeps seeing, while a newly formed populist group gathers to burn down her retirement residence. A woman born with a genetic abnormality is mistaken for a vampire, and a crime committed long ago is revenged in the Arctic via a 1.9 billion-year-old stromatolite. In these nine tales, Margaret Atwood ventures into the shadowland earlier explored by fabulists and concoctors of dark yarns such as Robert Louis Stevenson, Daphne du Maurier and Arthur Conan Doyle - and also by herself, in her award-winning novel *Alias Grace*. In *Stone Mattress*, Margaret Atwood is at the top of her darkly humorous and seriously playful game. * Praise for *Stone Mattress* 'Dark and witty tales from the gleefully inventive Margaret Atwood. Witty verve, imaginative inventiveness and verbal sizzle vivify every page' -SUNDAY TIMES 'Atwood has characters here close to death, dead already, unwittingly doomed or - in one memorable case - freeze-dried; but her own curiosity, enthusiasm and sheer storytelling panache remain alive and kicking. Anyone keen to consign literary fiction to an early grave will have to deal with her first' - INDEPENDENT 'Atwood's prose is so sharp and sly that the effect is bracing rather than bleak' -GUARDIAN

The Brain That Changes Itself - Norman Doidge 2008-08-07
 An introduction to the science of neuroplasticity recounts the case stories of patients with mental limitations or brain damage whose seemingly unalterable conditions were improved through treatments that involved the thought re-alteration of brain structure.

My Fair Temptress - Christina Dodd 2007-02-27
 Miss Caroline Ritter, accomplished flirt, acknowledged beauty, and ruined gentlewoman, offers lessons to any rich, noble lord too inept to attract a wife. Discard your silly affectations and your garish clothing! Learn the art of witty conversation, elegant dancing, equestrian feats and irresistible seduction at the opera! With Miss Ritter's help, you can become the most sought-after aristocrat at the ball! Send your request to the Distinguished Academy of Governesses. Please, absolutely no devastatingly attractive men with hidden agendas, such as secret missions or vengeful plots against evil villains—specifically not Jude Durant, the earl of Huntington, the most handsome, the most covert, the most dangerous of all the aristocrats in Regency London.

My Fair Temptress - Christina Dodd 2009-03-17
 Miss Caroline Ritter, accomplished flirt, acknowledged beauty, and ruined gentlewoman, offers lessons to any rich, noble lord too inept to attract a wife. Discard your silly affectations and your garish clothing! Learn the art of witty conversation, elegant dancing, equestrian feats and irresistible seduction at the opera! Please, absolutely no devastatingly attractive men with hidden agendas, such as secret

missions or vengeful plots against evil villains—specifically not Jude Durant, the earl of Huntington, the most handsome, the most covert, the most dangerous of all the aristocrats in Regency London.

Pansegrouw's Crossword Dictionary - Louisa Pansegrouw 1994-10-04
 With over 90 000 entries in alphabetical order, this crossword dictionary is a comprehensive yet easy to use reference with material from a wide range of sources.

[Flirtology](#) - Jean Smith 2018-02-08

. How can I tell when someone is flirting with me? . How can I be a more confident flirt? . How do I avoid rejection? . Where are all the good men and women hiding? Flirtology is THE dating guide for the 21st century. In an age of swiping left and right, and hiding behind online profiles, this book shows you how to replace connectivity with connection. Flirtology debunks the myths that surround flirting in order to help you find love. It helps you to analyse what you are looking for in a potential partner, shows you how to practise your interaction skills and how to unlock your inner flirt. It will give you the confidence to speak to anyone, anywhere and get results - without ever compromising who you are. It's not about games, rules and tricks - it's about presenting your real self so that you will attract the right people for you. Jean Smith is a social and cultural anthropologist who specialises in the science of flirting. For over a decade she has been helping countless clients build their confidence and find love. Her Fearless Flirting tours and Guardian Masterclasses are hugely popular and regularly sell out. In Flirtology she brings you a fun, efficient and scientifically researched guide to finding your own perfect match.

[The IPCRESS File](#) - Len Deighton 2021-04-29

'A stone-cold Cold War classic' Toby Litt, Guardian A high-ranking scientist has been kidnapped. A secret British intelligence agency must find out why. But as the quarry is pursued from grimy Soho to the other side of the world, what seemed a straightforward mission turns into something far more sinister. With its sardonic, cool, working-class hero, Len Deighton's sensational debut *The IPCRESS File* rewrote the spy thriller and became the defining novel of 1960's London. 'Changed the shape of the espionage thriller ... there is an infectious energy about this book which makes it a joy to read' Daily Telegraph

[The Definitive Book Of Body Language](#) - Allan Pease 2017-03-01

From internationally renowned authors, Allan and Barbara Pease comes the worldwide bestseller *The Definitive Book of Body Language*. In this book they examine and explain in simple terms, each component of body language. Regardless of your vocation or position in life, you will be able to use it to obtain a better understanding of life's most complex event - a face-to-face encounter with another person. It will make you more aware of your own non-verbal cues and signals, and will show you how to use them to communicate effectively and obtain the reactions you want. You will also discover how to:

- Make a positive impression on others
- Interview and negotiate successfully
- Know if someone is available
- Bond quickly and encourage others to co-operate
- Make yourself likeable and approachable
- Tell if someone is lying
- Read between the lines of what is said
- Recognise love-signs and power-plays

 This book will enable you to use body language to read others - and get what you want!

Watching the English - Kate Fox 2005-04-11

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-

pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Considering Aaron Sorkin - Thomas Fahy 2014-11-01

Aaron Sorkin is one of the most notable voices in Hollywood, attracting millions of weekly viewers with his television series *The West Wing* and scoring box office success with films like *A Few Good Men* and *The American President*. With a musician's sense of rhythm and writing skills honed in the theater, Sorkin crafts dialogue that brings characters to life. His crisp, tight language is both exciting to listen to and poetic in its beauty and power—but what lies behind the slick, sophisticated exchanges between Sorkin's characters? Does Sorkin's ability to captivate viewers with rapid-fire, humorous dialogue lull them into overlooking an inherent political agenda, a sense of elitism, and gender bias prominent throughout his work? Aaron Sorkin's skill as a writer garners him accolades, even from his critics: complex, nuanced, sometimes subtle but often forceful, Sorkin's work is best understood when viewed from a variety of perspectives. This collection of essays on the work of Aaron Sorkin affords greater insight into the complexities of his writing, drawing connections between the film and television output of today's most prominent and influential screenwriter. Scholars from various fields—film, literature, art history, political science, and more—examine the thematic content and rhetorical strategy of Sorkin's writing. Eleven essayists explore the subtle, pervasive and often contradictory messages woven throughout Sorkin's work, from politics to portrayals of women, and consider his impact on film, television and culture. An interview with Aaron Sorkin precedes the essays, each of which has notes and a bibliography. An appendix covering film and television credits is included. Instructors considering this book for use in a course may request an examination copy here.

[Building Left-brain Power](#) - Allen D. Bragdon 2000

Hell of an Angel - Christi Barth 2023-10-23

Raised in Hell. Living in Buffalo. And on the verge of accidentally destroying both realms... Dark angel and actuary Evangeline Thayer hates taking unnecessary risks, but she knows becoming human will be worth it. All the creatures in Hell have bullied her about her negligible 'power' her whole life. And don't get her started on why she has wings if she can't even fly?!? She just needs a teensy bit of help with removing her power...which is where a very hot, very flirty, and absolutely infuriating Nephilim comes in. Half-angel Gideon Durand has been fighting demons a long time, but he's never heard of a dark angel. Least of all one this gorgeous, stubborn, and with the power to completely nullify evil. Maybe in Hell, that's a weakness—but with an unknown evil on the loose and murdering Nephilim?—that's a damned useful skill. So Gideon strikes a deal with Evangeline: he'll scratch her wings...if she'll scratch his. Now good and evil are—temporarily—working together. And might even be having steamy fun...if it wasn't for a rather inconvenient threat trying to unleash the apocalypse, once and for all. Each book in the *Unlocking His Heart* series is **STANDALONE**: * Imperfect Angel * *Hell of an Angel*

The Confidence Code - Katty Kay 2014-04-15

Following the success of *Lean In* and *Why Women Should Rule the World*, the authors of the bestselling *Womenomics* provide an informative and practical guide to understanding the importance of confidence—and learning how to achieve it—for women of all ages and at all stages of their career. Working women today are better educated and more well qualified than ever before. Yet men still predominate in the corporate world. In *The Confidence Code*, Claire Shipman and Katty Kay argue that the key reason is confidence. Combining cutting-edge research in genetics, gender, behavior, and cognition—with examples from their own lives and those of other successful women in politics, media, and business—Kay and Shipman go beyond admonishing women to "lean in." Instead, they offer the inspiration and practical advice women need to close the gap and achieve the careers they want and deserve.

Chambers Crossword Manual - Don Manley 2014-10-31

Acknowledged as the definitive work on modern crosswords, *Chambers Crossword Manual* is an essential handbook for all crossword fans from beginners to experts. It is packed with practical advice on solving crosswords, as well as many practice crosswords. "Top of the crossword market - magisterial and authoritative" - Colin Dexter "For the novice or the champion, this is the book" - Gyles Brandreth "A truly kaleidoscopic

feat" - Susie Dent "I recommend it strongly" - Jonathan Crowther (Azed) "Clever, detailed, and, above all, fun" - Simon Russell Beale "The crossword oracle - witty, wise and indispensable." - Francis When "The outstanding book about crosswords" - Sir Jeremy Morse

Chance Encounter - Nancy Warren 2014-05-19

Daphne and Jack meet on a Greyhound bus heading north from California. The year is 1976 and Daphne is a pregnant teenager. Jack is a guy in search of a future. For these two lost souls, this is a ride that will change their lives and begin a dynasty. This is a prequel to the *Take a Chance* series about the eleven kids Jack and Daphne will collect over the years and the paths each member of this very untraditional family, will take as they, in turn, fall in love.

Ambiguous Loss - Pauline BOSS 2009-06-30

When a loved one dies we mourn our loss. We take comfort in the rituals that mark the passing, and we turn to those around us for support. But what happens when there is no closure, when a family member or a friend who may be still alive is lost to us nonetheless? How, for example, does the mother whose soldier son is missing in action, or the family of an Alzheimer's patient who is suffering from severe dementia, deal with the uncertainty surrounding this kind of loss? In this sensitive and lucid account, Pauline Boss explains that, all too often, those confronted with such ambiguous loss fluctuate between hope and hopelessness. Suffered too long, these emotions can deaden feeling and make it impossible for people to move on with their lives. Yet the central message of this book is that they can move on. Drawing on her research and clinical experience, Boss suggests strategies that can cushion the pain and help families come to terms with their grief. Her work features the heartening narratives of those who cope with ambiguous loss and manage to leave their sadness behind, including those who have lost family members to divorce, immigration, adoption, chronic mental illness, and brain injury. With its message of hope, this eloquent book offers guidance and understanding to those struggling to regain their lives. Table of Contents: 1. Frozen Grief 2. Leaving without Goodbye 3. Goodbye without Leaving 4. Mixed Emotions 5. Ups and Downs 6. The Family Gamble 7. The Turning Point 8. Making Sense out of Ambiguity 9. The Benefit of a Doubt Notes Acknowledgments Reviews of this book: You will find yourself thinking about the issues discussed in this book long after you put it down and perhaps wishing you had extra copies for friends and family members who might benefit from knowing that their sorrows are not unique...This book's value lies in its giving a name to a force many of us will confront--sadly, more than once--and providing personal stories based on 20 years of interviews and research. --Pamela Gerhardt, *Washington Post* Reviews of this book: A compassionate exploration of the effects of ambiguous loss and how those experiencing it handle this most devastating of losses ... Boss's approach is to encourage families to talk together, to reach a consensus about how to mourn that which has been lost and how to celebrate that which remains. Her simple stories of families doing just that contain lessons for all. Insightful, practical, and refreshingly free of psychobabble. --Kirkus Review Reviews of this book: Engagingly written and richly rewarding, this title presents what Boss has learned from many years of treating individuals and families suffering from uncertain or incomplete loss...The obvious depth of the author's understanding of sufferers of ambiguous loss and the facility with which she communicates that understanding make this a book to be recommended. --R. R. Cornelli, *Choice* Reviews of this book: Written for a wide readership, the concepts of ambiguous loss take immediate form through the many provocative examples and stories Boss includes, All readers will find stories with which they will relate...Sensitive, grounded and practical, this book should, in my estimation, be required reading for family practitioners. --Ted Bowman, *Family Forum* Reviews of this book: Dr. Boss describes [the] all-too-common phenomenon [of unresolved grief] as resulting from either of two circumstances: when the lost person is still physically present but emotionally absent or when the lost person is physically absent but still emotionally present. In addition to senility, physical presence but psychological absence may result, for example, when a person is suffering from a serious mental disorder like schizophrenia or depression or debilitating neurological damage from an accident or severe stroke, when a person abuses drugs or alcohol, when a child is autistic or when a spouse is a workaholic who is not really 'there' even when he or she is at home...Cases of physical absence with continuing psychological presence typically occur when a soldier is missing in action, when a child disappears and is not found, when a former lover or spouse is still very much missed, when a child 'loses' a parent to divorce or when people are separated from their loved ones by immigration...Professionals familiar

with Dr. Boss's work emphasised that people suffering from ambiguous loss were not mentally ill, but were just stuck and needed help getting past the barrier or unresolved grief so that they could get on with their lives. --Asian Age Combining her talents as a compassionate family therapist and a creative researcher, Pauline Boss eloquently shows the many and complex ways that people can cope with the inevitable losses in contemporary family life. A wise book, and certain to become a classic.

--Constance R. Ahrons, author of *The Good Divorce* A powerful and healing book. Families experiencing ambiguous loss will find strategies for seeing what aspects of their loved ones remain, and for understanding and grieving what they have lost. Pauline Boss offers us both insight and clarity. --Kathy Weingarten, Ph.D, The Family Institute of Cambridge, Harvard Medical School

BUCKHORN BROTHERS: CASEY - Lori Foster 2020-09-02

After hearing that her father is in the hospital, Emma returns to her hometown. There, she bumps into her first love, Casey, who turned her down when she confessed her feelings eight years ago. Devastated, Emma had gathered what little money she'd saved and left town. Now she's a grown, independent woman with her own business in Chicago, but being around Casey makes her feel like a lovestruck teenager again. Why do his eyes burn with passion when he looks at her? And will Emma be able to tell him her deepest secret?

The Sense of an Ending - Julian Barnes 2011-08-04

'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph
 Winner of the Man Booker Prize for Fiction 2011 Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody.

Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove. Now a major film

Let There Be Pebble - Zachary M. Jack

It was "scary," Jack Nicklaus said of Pebble Beach, and gave him nightmares so acute he famously woke his wife on the eve of his 1972 U.S. Open victory totally spooked. "It's not a golf course," sportswriter Jim Murray wrote, "it's a hellship." Golf writer Dan Jenkins once joked that the famed venue of the Bing Crosby National Pro-Am should be dubbed "Double Bogey-by-the-Sea." A one-time failed Division One golf walk-on, Zachary Michael Jack opts to stare down an early midlife crisis by chronicling a U.S. Open year spent at Pebble Beach, object of his ailing father's fantasies and site of the nation's number one public course and its fairy-tale host town, Carmel-by-the-Sea, California. There, along the blue Pacific, he traces the colorful, capricious, and comical world of golf on the Monterey Peninsula as never before via interviews with legends of the game Johnny Miller, Gary Player, and Tom Watson; with today's brightest stars-Padraig Harrington, Phil Mickelson, and Bubba Watson; and with some of its most famous celebrity linksters-actor Bill Murray, Olympic soccer star Brandi Chastain, and billionaire entrepreneur Charles Schwab. Conducting more than one hundred interviews, Jack ranges far and wide to get the scoop, talking golfing haunts with bestselling golf novelist Michael Murphy; teeing up with members of a Carmel-based worldwide golfing society devoted to mystical play; learning to play Pebble at the knee of one of the Top 50 Golf Teachers in America and with a Carmel-based journeyman pro described as "a golf savant"; and raising a cup with a lifelong Pebble Beach resident and caddy who, unbeknownst to the hackers he shepherds, is a Hall of Fame golfer. By turns hilarious, haunting, and historic, *Let There Be Pebble* reveals the utter uniqueness-the people, the rich history, the unforgettable setting and sporting culture-of this one-of-a-kind golfing cathedral.
