English Edition

Under the Milky Way -

Vanessa Barneveld 2021-08-10

Nothing ever happens in Dawson, Colorado. Until high school senior Cassidy Roekiem's mom checks into a "wellness center," but nothing is wrong with her. Then people start seeing lights in the sky and missing chunks of time, but the town insists nothing is going on. And now Hayden, the new boy at school who keeps to himself and is more than a little mysterious, starts to notice her like it's nothing out of the ordinary. Suddenly, "nothing" is starting to feel a whole lot like something. And everything leads back to Hayden. The boy she's starting to fall for. The boy with too many dark secrets for his kind heart. The boy she's pretty sure isn't human...

[The Heart of a Man](#) - Oscar J.

Peskoff 2011-04

Delivering a message of optimism and hope, *The Heart of a Man* shares the story of Oscar J. Peskoff, who employed the "never-say-die" philosophy throughout his long and accomplished life. This memoir shares an array of colorful stories and anecdotes from times throughout his life-his birth in 1920 to immigrant parents; growing up in the 1920s and 1930s in Brooklyn, New York; serving five years in the Army Air Force as medical personnel in the South Pacific during World War II; his marriage to Dorothy in 1946; the birth of their daughter, Ellen; his work with his family's boiler repair company; the death of his wife and his remarriage; his great service to the community; and his many travels around the world. The

Heart of a Man narrates the story of a devoted husband, father, and grandfather who lives by the creed that his job is to make the world a better place.

Comical Vacations Book 2 - Maureen Reil 2017-01-21

Comical Vacations 2 Three-Book Bundle Contents The Finch Family Holiday 3 It is that time of year again folks, yes summer is here so batten down the hatches because the Finch family are heading for Cornwall to stay in a holiday home by the sea with its own secluded beach. Sounds idyllic, sounds relaxing and sounds like a lot of fun in the sun so one out of three is not bad since all is not what it seems and how is Kitty Finch supposed to chill out when there are certain people

winding her up from start to finish. As extra members of the clan are joining them for the ten-day humorous adventure, sparks could fly if someone lit a match to ignite the tension, sexual or otherwise. There are days out to look forward to in Cornwall where the Finch family discover new things, try out new stuff and resort to old tricks when needed. Will Kitty's cousin get the better of her on this comical vacation? Will Kitty Finch be involved in any holiday romances or just watching from the sidelines, as per usual? Will a cardboard figure and a knitted scarecrow survive the vacation to go on another one? So come along and catch up with the funny Finches as they show you what having a British family holiday is about. The Finch Family Holiday 4 This year's Finch family holiday finds them flying off to France for ten days in the rural French countryside. Only Kitty Finch seems to spend her vacation time searching for something whether it is a home for a pet, a handbag or a holiday romance. Not to

mention the mystery man and his yellow socks that bring trouble her way. All whilst avoiding the unwanted advances of a certain somebody who does not know when to take no for an answer but should know better. As the Finch family comes across plenty of people to share their time with including German neighbours, English expats and even a French farmer to name a few. One of the men Kitty meets is special enough to take her fancy for a French fling, so start reading this funny French farce to see if she succeeds despite the exes who are hijacking her holiday fun. Whether it comes to randy rabbits, randy monkeys or randy men it is all part of the experience. The Finch Family Holiday 5 Who wants to go on holiday when they are ill in bed? Kitty Finch does not so she does her best to get out of the annual family holiday but no, her parents are having none of it so she is going to Turkey whether she likes it or not. Since they will probably kidnap her if she does not

comply and come willingly while she never imagined part of that sentence actually coming true on this trip. Anyway, they are soon off to the airport where her nightmares begin and not for the only time on this holiday does Kitty wish that she had stayed in bed and had not bothered getting up. Not that she wants to appear ungrateful about going on a five-day all-inclusive package holiday in the sun during the school half-term in October, it is just that she will be face-to-face with her ex-husband who she hasn't seen since the wedding fiasco and the less said about that the better. Despite not feeling up to a holiday with the family, it is not all doom and gloom for poor old Kitty because she does get to experience things in Turkey that she never would have had she not gone there and some aspects of it she even enjoys. As this is what a British family holidaying abroad gets up to when left to their own devices. Only do not expect this laugh-out-loud saga to end there because the funny

Finches will be back for yet more shenanigans in the next book.

The Ruins - Scott Smith 2007

The Vacation Toy - Krista Wolf
2021-05-21

When a booking mistake traps Brooke in paradise alongside three sizzling ex-competitors from the Insane World Race? The only thing left to do is enjoy the ride. We were supposed to be reaping the fruits of our labor; an all-girls trip to a breathtaking beachside villa in Tahiti. But when my ex-teammates bail at the last minute, I'm stuck in a double-booked villa with our fiercest - and most gorgeous - of competitors. Differences are eventually set aside, rivalries

forgotten as the four of us settle in for sun-soaked week of overwhelming temptation. But when a molten hot game of Truth or Dare allows me to unravel the guys' darkest, most butterfly-inducing of secrets? I'm ready to let them take me places I've only dreamed of going before. Devin and Reese are ex-college athletes, hard-bodied football players with soft hearts and goosebump-inciting smiles. Hayden's the quintessential California surf god; blond-haired and blue-eyed, with a whole delicious ocean of ripped abdominals I could drown myself in, forever. But our vacation in paradise takes a chance turn when we're thrown into the heart of the Insane World Race's next - and most infamous - season. And with an incredible four-million dollar prize on the line? Our impromptu arrangement in paradise might have to be put on hold, at least while the cameras are running and we're racing around the world together as the 'Dream Team'. Can I spend an entire month racing alongside three lifelong

friends and business partners, without any of us falling in love? Or will my overwhelming attraction to all three of them create a rift that can never be repaired? THE VACATION TOY is a smoldering, stand-alone reverse harem love story filled with suspense, humor, romance, and enough sizzling, pulse-pounding action to melt your kindle into a steaming pile of glass and plastic (author not responsible for molten kindles). HEA guaranteed!

Marguerite Harrison rebelled against her mother's ambitions, married the man she loved, was widowed at thirty-seven, and set off on a life of adventure. Hired as a society reporter, when America entered World War I she applied to Military Intelligence to work as a spy. She arrived in Berlin immediately after the Armistice and befriended the enemy, dining with aristocrats and dancing with socialists. Late into the night she wrote prescient reports on the growing power of the German right. Sent to Moscow, she sneaked into Russia to observe the results of the Bolshevik Revolution. Although she carried press credentials she was caught and imprisoned as an American spy. Terrified when told her only way out was to spy for the Cheka, she became a double agent, aiming to convince the Russian rulers she was working for them while striving to stay loyal to her country. In Germany and Russia, Harrison saw the future—a second war with Germany, a cold war with the

Soviets—but her reports were ignored by many back home. Over a decade, Harrison's mysterious adventures took her to Europe, Baghdad, and the Far East, as a socialite, secret agent, and documentary filmmaker. Janet Wallach captures Harrison's daring and glamour in this stranger-than-fiction history of a woman drawn to the impossible.
