An Irish Love Affair - Leland Stewart 2012
Driving along the west coast of Ireland, the stress of the last four years in business in Dallas, it was fading fast. The plan for the next week was to totally unwind at an old hunting lodge in the Connemara area of County Galway. No one could find me--just settled into scenic Ireland, alone with some favorite books, and a lot of good food and drink. And then it happened pure serendipity a confluence of circumstances that was to change my life forever.

New To The Parish - Sorcha Pollak 2018

This Is Happiness - Niall Williams 2020-07
"Change is coming to Faha, a small Irish parish that hasn't changed in a thousand years. For one thing, the rain is stopping. Nobody remembers when it started; rain on the western seaboard is a condition of living. But now - just as Father Coffey proclaims the coming of the electricity - the rain clouds are lifting. Seventeen-year-old Noel Crowe is idling in the unexpected sunshine when Christy makes his first entrance into Faha, bringing secrets he needs to atone for. Though he can't explain it, Noel knows right then: something has changed. As the people of Faha anticipate the endlessly procrastinated advent of

the electricity, and Noel navigates his own coming-of-age and his falling in and out of love, Christy's past gradually comes to light, casting a new glow on a small world. Harking back to a simpler time, *This Is Happiness* is a tender portrait of a community - its idiosyncrasies and traditions, its paradoxes and kindnesses, its failures and triumphs - and a coming-of-age tale like no other. Luminous and lyrical, yet anchored by roots running deep into the earthy and everyday, it is about the power of stories: their invisible currents that run through all we do, writing and rewriting us, and the transforming light that they throw onto our world."--Publisher description.
