read.' Jason Jackson's proud nine-inch manhood dishes the dirt on what it's like to be the hard-working, under-appreciated love sausage of a perpetually horny young man. This addictively large appendage will have you screaming for 'more, more, more' as he takes you beneath the bedcovers into his intimate world of pleasuring - and then into the hands and locations of the dominatrix, the porn star, the prostitute, the air hostess, the bridesmaid and the swingers group - to name but a few. And not forgetting that awkward once-off, bi-curious, same-sex encounter! Here's the wicked, naked, well-hung and very funny truth about the red-hot sexual addictions of the over-sexed, hormone-fueled young male. If you believe that men seem to only think with their (always) over-sized appendage, then these hilarious stories will help prove that it's true. Quite possibly it's the funniest, incisive and most enjoyable insider book of the year. 'OMG - I was left limp from laughing - men really DO

think with their dick!' (Kylie Swipe-Right, New York)

Sex on the Side - Jessie Jamie Coleman 2006

A hopeless romantic tries to convince women that he is worth so much more than just good sex.

her brain cells aligned. Not because of some broken love affair, though that would have been fun if she could remember such a thing. Sarah has just woken up from a coma, and the young woman is convinced she's still in high school. Bill Petrov is a professor of physics at her new school. No way was he looking for a lover, but he is smitten with Sarah the first day of school. He knows better than to be attracted to a high school student, yet there's something different about her. She reacts differently than other students, is totally serious, and absorbs everything in class. When they talk, she teases Bill, offering innuendo or suggestions that totally take him off guard. Analyzing their conversations later, he realizes her words are out of sync with today's teenage lingo and are more like those of a colleague than a student. The paradox only increases his fascination with her. He looks forward to seeing Sarah every day, exchanging a smile, or wondering what she'll say next to unnerve him. Sarah

is totally unprepared for the onset of her feelings toward her teacher, yet she still looks forward to her physics class without any understanding of why it makes her so happy. Will Sarah remember her past, and what will happen when ... if she does?

*Researching Non-Heterosexual Sexualities* - Constantinos N. Phellas 2016-04-22

After widespread neglect over many years, the study of human sexuality has recently come to the forefront of many of the most important debates in contemporary society and

culture. This book addresses seriously the issue of how to improve the methodological basis of research into non-heterosexual sexualities, exploring the key question of what different methodological and theoretical uses of intersectionality contribute to our understandings of non-heterosexual sexualities. Bringing together research from the UK, USA, Europe and Australasia, this innovative collection rethinks traditional methodologies, creating new epistemologies and applying new approaches, whilst critically examining key issues, including communities, identities, relationships, sexualities, homosexual parenthood, fostering, civil marriage, and politics. As such, it will be of interest to researchers, scholars and students across the social sciences and health professionals.

Sex, Sleep or Scrabble? - Phil Hammond 2010-09-15

What questions would you ask a doctor at a comedy gig?...Is it healthy to sleep with a pet? What are the side effects of budgie-smuggling? Is horse riding riskier than ecstasy? Do love eggs need to be fitted? Do unlucky beds exist? Do doctors ever pretend to hear noises with a stethoscope? Should I hand-wash my merkin? Do you need three hands to put a condom on properly? Is it safe to fall asleep with a penis enlarger on? What should I do if someone dies on me during sex? GP and comedian Phil Hammond is easier to see on stage than in the surgery, but he always leaves time for questions. Here are 250 of life's quirkiest queries, lovingly collected from audiences across the UK. Some people put a hand straight up, others prefer a shy drop into Dr Phil's secret sack. Open wide for the finest answers to the most bizarre questions, ranging from tongue in cheek to absolutely filthy...yet surprisingly useful. *The Crazy Sex Life of a NOT*

"DAWN CAN STILL SEE THE TAN LINE WHERE HER ENGAGEMENT RING USED TO BE." "Laugh-aloud funny." -- Publishers Weekly Dawn is still in love with Hank, who dumped her for Christine--and they're living together now. But when Dawn realizes how much Hank misses her, and might even regret their breakup, the game is on. Dating in 1980s Manhattan is confusing enough. Then Mike Blitsky-- a.k.a. Mike Mauvais of "Misled Mikes Marvelous Men," a

transvestite escort service-- bursts into Dawns life when she becomes the editor of a tell-all memoir hes writing to pay for his legal defense.

Unbeknownst to Dawn, Hank is Mikes lawyer, defending him against charges of running a male prostitution ring. Dawns friend Katherine, a doctoral student in eighteenth century literature, is hired to do research for Mikes book. With everyone working at cross purposes, the result is a modern day comedy of errors that doesn't wind up until the wedding bouquet goes flying in the final scene. "Wonderfully funny and terribly true."--Fay Weldon "Urban, hip, sad, funny, a tipsy walk on the wild side."--Malcolm Bosse".
