The Promiscuity of Network Culture - Robert Payne 2014-12-05

Liking, sharing, friending, going viral: what would it mean to recognize these current modes of media interaction as promiscuous? In a contemporary network culture characterized by a proliferation of new forms of intimate mediated sociality, this book argues that promiscuity is a new standard of user engagement. Intimate relations among media users and between users and their media are increasingly structured by an entrepreneurial logic and put to work for the economic interests of media corporations. But these multiple intimacies can also be understood as technologies of promiscuous desire serving both to liberalize mediated social connection and to contain it within normative frames of value.

Payne brings crucial questions of gender, sexuality, intimacy, and attention back into conversation with recent thinking on network culture and social media, identifying the queer undercurrents of these current media dynamics.

Abuse Your Illusions - Russ Kick 2003-05-01

The third of Russ Kick's bestselling Disinformation Guides gathers another all-star line-up of exposés: Juries have ruled in recent trials that

Watergate was really about a Democratic Party prostitution ring. Ignored in the U.S. and distorted elsewhere, the Milosevic tribunal hasn't gone the way authorities were anticipating. (We present exclusive first-hand reporting from the trial). Most theologians don't believe in the physical Resurrection of Jesus. In 2001, the U.S. uncovered the biggest spy ring in the country since WWII, yet most people never heard about it. The U.S. is engaging in bioweapons research that violates international treaties and federal law. (The New York Times knows about this but refuses to report it). Teddy Roosevelt and Wall Street created Panama for profit. Gandhi wasn't so wonderful, after all. These are just some of the revelations in the third of our all-star anthologies. Following up on bestsellers *You Are Being Lied To* and *Everything You Know Is Wrong*, editor Russ Kick has again assembled a line-up of leading investigative journalists, academics, activists, commentators, and independent researchers, covering CIA assassinations, the anthrax attacks, fluoride, TWA 800, Abraham Lincoln, child protective services, the tobacco industry, forgotten uprisings, the government's missing trillions, even more revelations about 9/11 and much more. Contributors include Gary Webb, Greg Palast, Noreena Hertz, Howard Zinn, Douglas Valentine, Jim Hougan, Kristina Borjesson, Arianna Huffington and many more well-known writers—some of whom you'll be extremely surprised to see in these pages!

Their happy marriage came to a crashing halt on the day that Rodger found out that he was dying from pancreatic cancer. Susan automatically feels at home in sunny California and makes friends with her neighbor Ellen right away. At a party that Ellen hosts, Susan meets a man named Travis. Soon Susan finds that she's beginning to have feelings for Travis, but the guilt and unrest from her husband's sudden death continues to haunt her. Susan has to choose whether or not to ride the waves of passion or continue to mourn for her dead husband. *Awakening Waters* Sophia is distraught when she catches her new

husband Damien in bed with her best friend April. Her husband tries to convince her that it was a mistake and that he is sorry, but Sophia knows it is more than that. Sophia goes on a trip to the French Caribbean Island called Martinique; she needs some time alone to sort out her thoughts and life after losing the two people she loved and trusted the most. Unexpectedly, Sophia meets a French man named Andre on the island and shares a few passionate nights with him.

When we got started though, it was far more intense than I could have imagined with very rough depththroat, a hard spanking, and rough, rough first anal sex for me.

#### Backdoor? Blasted! - Amy Dupont

Here are five erotic tales of lovely ladies experiencing the pain and joy of backdoor sex for the very first time. It's all just a click away, and you can have in on the privacy of your e-reader device in seconds, so click now! Warning: This ebook contains very explicit descriptions of sexual activity including bondage, rough first anal sex, first anal sex with stranger, first anal sex in public, and more. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults. 1. Bent Over by the Janitor: A First Anal Sex Erotica Story by Amy Dupont I couldn't believe the situation. I'd become stuck in the plastic crawl tube in the little play park we kept at the office for our clients' kids. It was late at night, and I was going to have to wait until help arrived. When someone finally did try to pull me out, things got even crazier. The husband and wife janitorial team could do anything they wanted to me, and I was stuck! With her attention on me, though, I was happy to be stuck. As for the janitor...he was absolutely delighted to give me my first anal sex experience. 2. Cam Girl Chloe: A Very Rough First Anal Sex Short by Toni Smoke Chloe enjoys working as the internet web sensation Mia Rose, the GIRL-NEXT-DOOR-TURNED-CAM-SLUT. She enjoys the anonymity and the way she feels so sexy getting men off on camera. One session with a mysterious man leaves her breathless, though; and she's even more overcome when he figures out where she lives and shows up at her door! Before the night is over, she'll have a night of very rough sex, and her very first anal sex experience! 3. Marco

Takes My Backdoor: A First Anal Sex Erotica Story by Angela Ward I'd been friends with Marco for a long time, friends with benefits. When he dropped by, I was a bit busy, but he was persistent and it didn't take long for me to give in. I never expected he'd be pushing my limits and that I'd finally give him what he'd wanted for so long, my tight little ass! 4. The Boss Gives Up Her Backdoor: Bound and Bent Over by My Employee by Jane Kemp Eric was...well, Eric was wonderful. There had been plenty of nights he'd filled my mind as I used my hands to bring myself to a thunderous climax. He was hot as hell, smart as a whip, and a hard worker to boot. The only problem was he was my employee. Fortunately, that didn't stop us, and one late night at the office we found ourselves unable to hold back. I didn't expect things to go the way they did, though, and before long my wrists were bound behind my back and I was having my very first anal sex experience! 5. Tight Jeans and a Tighter Hole: A Very Rough First Anal Sex Erotica Story by Constance Slight I dressed like an absolute slut. It made it a whole hell of a lot easier to sell the magazine subscriptions door to door. Hell, the guys were putty in my hands, and I knew I'd win the sales contest and get the vacation. It was also kind of fun to be a bit of a tease, so all in all it was a win-win situation. The guys got a cheap thrill and I got their credit card numbers and a lot of sales. This time was different, though. I was just going through my normal sex spiel when the guy started groping me! I don't know why I didn't stop him when he grabbed my ass. I don't know why I didn't stop him when he grabbed my tits. I don't know why I didn't stop him when he shoved his cock into my throat, and I sure as hell don't know why I didn't stop him when he slammed into my never-before touched ass!

#### Everything You Know About God Is Wrong - Russ Kick 2007-06-01

In the new mega-anthology from best-selling editor Russ Kick, more than fifty writers, reporters, and researchers invade the inner sanctum for an unrestrained look at the wild and woolly world of organized belief. Richard Dawkins shows us the strange, scary properties of religion; Neil Gaiman turns a biblical atrocity story into a comic (that almost sent a publisher to prison); Erik Davis looks at what happens when religion and

California collide; Mike Dash eyes stigmatics; Douglas Rushkoff exposes the trouble with Judaism; Paul Krassner reveals his "Confessions of an Atheist"; and best-selling lexicographer Jonathon Green interprets the language of religious prejudice. Among the dozens of other articles and essays, you'll find: a sweeping look at classical composers and Great American Songbook writers who were unbelievers, such as Irving Berlin, creator of "God Bless America"; the definitive explanation of why America is not a Christian nation; the bizarre, Catholic-fundamentalist books by Mel Gibson's father; eye-popping photos of bizarre religious objects and ceremonies, including snake-handlers and pot-smoking children; the thinly veiled anti-Semitism in the Left Behind novels; an extract from the rare, suppressed book The Sex Life of Brigham Young; and rarely seen anti-religious writings from Mark Twain and H.G. Wells. Further topics include exorcisms, religious curses, Wicca, the Church of John Coltrane, crimes by clergy, death without God, Christian sex manuals, the "ex-gay" movement, failed prophecies, bizarre theology, religious bowling, atheist rock and roll, "how to be a good Christian," an entertaining look at the best (and worst) books on religion, and much more.

**Disinformation Book of Lists** - Russ Kick 2004-06-01

Can you name five military leaders who were transgendered? Twelve cases of involuntary human experimentation by the U.S. government? How about the four porn novels written by famous authors, 11 books left out of the Bible and over 50 side effects of NutraSweet that have been reported to the FDA? In 1977, David Wallechinsky, Irving Wallace and Amy Wallace published The Book of Lists, causing an immediate sensation. Not only did it lead to three direct sequels (in 1980, 1983 and 1993), it also created a new genre. Soon, shelves were lined with The First Original Unexpurgated Authentic Canadian Book of Lists (1978), The Book of Sports Lists (1979) and Meredith's Book of Bible Lists (1980), among many others. Using this popular, enduring format, Russ Kick's Disinformation Book of Lists delves into the murkier aspects of politics, current events, business, history, science, art and literature, sex, drugs, death and more. Despite such unusual subject matter, this book

presents hard, substantiated facts with full references. Among the lists presented: Innocent People Freed from Prison Members of the Skull & Bones Secret Society at Yale Drugs Pulled Off the Market After They Killed Too Many People Legal Substances that Will Get You High Scenes that Were Cut from Movies Raunchy Songs that Were Never Released Military Officers, Government Officials, Astronauts, and Airline Personnel Who Say UFOs Are Real Words and Phrases No Longer Allowed in Textbooks

She can't resist him, but he wants more than what he usually gets, and in this case that means hard and rough first anal sex! 5. Come On Boys, You're Not Just Gonna Watch Are You? hard fucking, and semen swallowing later, the girls don't know what hit them! Warning: This ebook contains very explicit descriptions of various first anal sex encounters. It includes domination, spanking, hair pulling, lesbian sex, deep throat, stranger sex, submission, slapping, ass to mouth, and very rough first anal sex. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.
