From groundbreaking new work from across America's stages to unpublished work by new voices, these plays address themes such as gender identity and expression to racial and religious attitudes toward love and sex. Edited by Lindsey Mantoan, Angela Farr Schiller and Leanna Keyes, the plays selected explicitly call for trans characters as central protagonists in order to promote opportunities for trans performers, making this an original and necessary publication for both practical use and academic study.

Sagittarius Ponderosa by MJ Kaufman Archer's not out to his family but when his father falls ill he has to move back to his childhood home in central Oregon. At night under the oldest Ponderosa Pine, he meets a stranger who knows the history of the forests and the sadness of losing endangered things. As Archer accepts big changes in his family, he discovers the power of names and the histories they make and mask. *Sagittarius Ponderosa* is a play about changing names, love potions, and tilling up the soil to make room for new growth.

The Betterment Society by Mashuq Mushtaq Deen Three women on a godforsaken mountain wrestle with the elements, with each other, and with a world that does not value their way of life. As their resources dwindle, Gertie, Lynette, and Doreen try to redefine what it means to be civilized—a mission that forces them to confront what they value and what they're willing to sacrifice.

how to clean your room by j. chavez Spencer begins to clean their room and reflect on their relationships with the people around them. Who can and can't we control in our lives, does caring mean anything beyond words, and does infatuation go both ways? A play in two cycles with anxiety, depression, and puppets.

She He Me by Raphaël Amahl Khouri *She He Me* follows the lives of three Arab characters who challenge gender. Randa is an Algerian male-to-female who is expelled under the threat of death from her homeland because of her LGBT activism there. Omar is a Jordanian gay man who rather than body dysphoria, suffers social dysphoria when it comes to the strict codes of masculinity

imposed and expected of him by both the heterosexual and gay people around him. Rok is Lebanese and female-to-male. Through humor and horror, the three characters come up against the state, society, the family, but also themselves. *The Devils Between Us* by Sharifa Yasmin In a small town in the boonies of South Carolina, a closeted young man named George is trying to figure out how to keep his late father's business running, only to be faced with a ghost from his youth. A young Muslim, whom he knew as his boyhood lover Latif, has returned as Latifa to take care of her estranged father's funeral. Forced to confront devils both have been avoiding, they find that their only way out of the past is through each other. *Doctor Voynich and Her Children* by Leanna Keyes This "prediction" is set in America years after reproductive healthcare has been made illegal. Doctor Voynich and her apprentice Fade travel the countryside in a converted ambulance dispensing harmless herbs by day and providing family planning services by night. Fade tries to help local youth Hannah complete her abortion, using forbidden knowledge from an ancient manuscript, before her mother and the sheriff can nail them for the "attempted murder of an unborn person." This play about mothers and daughters is poetic, sexy, vulgar, queer, and a little too real. *Firebird Tattoo* by Ty Defoe Sky Red Rope goes on a quest to find her father, ultimately finding out she is queer by getting a tattoo. This play features themes of queer two-spirit identity on the Indigneous reservation in Anishinaabe territory. *Crooked Parts* by Azure Osborne-Lee *Crooked Parts* is a family dramedy set in yesterday and today. Freddy, a Black queer trans man, returns to his family home in the South after his fiancé breaks up with him. Once there, Freddy must navigate the tension created by his transition and his brother's serial incarceration. Meanwhile, in his past, 13-year-old Winifred struggles to balance her relationship with her mother with her desire to better fit in with her peers. *Crooked Parts* is poignant, queer, funny, and definitely, definitely Black.

Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars?

Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

Jill Dearman is a breakthrough astrologer for our time. No one has approached the stars with her sass and class ever before! Her guide to astrology for lesbians is lively, revealing--and naughty! Sections include: in life, in bed, how to seduce her, doing her and dating her, how to last over the long haul, how to get rid of her, and the three faces of each sign. How to get rid of an Aquarius woman: Ms. Aquarius will pack her bags soon after you start invading her personal space and drowning her in too much nonstop and irrational emotion. Ms. Aquarius hates to feel trapped, so if you slowly take away all her freedoms, you will be watching her walk out the door faster than you can sing "This is the dawning of the..." The Cancer woman is intensely emotiona...and her moods change with the tides. Not that you can every completely figure her out. Would you dare to assume you could understand the sea or fully absorb or comprehend a beautiful piece of music? Or course not, you silly lesbian. So don't patronize this lovely woman. But getting rid of a Cancer woman: Please don't be a cad and pull off the old "I'm going out for a pack of cigarettes (or a bag of Kitty Litter)" and never come back routine. She'll have your mother sitting with her and holding her hand, worrying, before you've made it past the border. And a complete compatibility profile of each astrological combination: Take Aries and Cancer: The best par? They can be fiercely loyal and protective of each other. The worst part? They instinctively know how to hurt each other's feelings and often do, in a most brutal way. Ms. Aries, ruled by fire strikes quickly and forcefully and without thinking. "Don't each that doughnut! It'll make you fat!" Ms Cancer, ruled by water, knows how to create a mood of subtle emotional torture. "I don't feel like being touched...No, I don't want to be alone. Can't we just sit together in the same room and not talk and not touch and not make such a big deal about it?"

Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. SignMates Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

First of all, I thank you for choosing me as your "lucky charm" and I wish to tell you that like every year, now there are 9, the formula has not changed, but I have expanded it so much with new contents to make our "Horoscope- Magical Days" also an astrology book, so you will be lucky enough to have 2 books for the price of 1! Astrology blends with the horoscope, as in a perfect couple dance, to give you useful information to put your potential to good use and improve your new year so much as to make it more fortunate. I will suggest you, with the help of the Stars, sometimes with irony, not to bore you, the best moments of each month of 2022 to get what you want. I chose the e-Book formula to have the privilege of always being with you! I don't want to be forgotten in a drawer, but to be useful to you every day. This year I decided to expand, always with a pinch of irony, the sector of love, a topic

that appeals to all ages, by adding a chapter on couple affinities. Love always gives us that indefinable extra something that allows us to see only the good things in life. But what is "Luck"? It is being in the right place at the right time, a meeting with a person who changes our lives for the better, knowing how to seize opportunities, but also that inexplicable something that improves our existence even economically, an aspect that is certainly not negligible as Marilyn Monroe and Woody Allen said: "They say that money does not make happiness, but if I weep rather do it in the back seat of a Rolls Royce rather than on a car of the Underground" Marylin M. "Money doesn't give happiness, but it provides a similar feeling which requires a very advanced specialist to verify the difference" Woody A. And now my Dear Friends, I just have to thank you and list all the topics covered Sign by Sign. I wish you from my heart Happy New Year!!!

Valentino and Sagittarius Natalia Ginzburg 2020-09-15 Two novellas about family life and fraudsters by one of the twentieth century's best Italian novelists. Valentino and Sagittarius are two of Natalia Ginzburg's most celebrated works: tales of love, hope, and delusion that are full of her characteristic mordant humor, keen psychological insight, and unflinching moral realism. Valentino is the spoiled child of doting parents, who have no doubt that their handsome young son will prove "a man of consequence." Nothing that Valentino does—his nights out on the town, his failed or incomplete classes—suggests there is any ground for that confidence, and Valentino's sisters view their parents and brother with a mixture of bitterness, stoicism, and bemusement. Everything becomes that much more confused when, out of the blue, Valentino finds an enterprising, wealthy, and strikingly ugly wife, who undertakes to support not just him but the whole family. Sagittarius is another story of misplaced confidence recounted by a wary daughter, whose mother, a grass widow with time on her hands, moves to the suburbs, eager to find new friends. Brassy, bossy, and perpetually dissatisfied,
