**Get Over Yourself!** - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with

anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to

maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

### **The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How

can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll

learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

*The Vagenda* - Holly Baxter 2014-05-01

HAVE YOU EVER... Obsessed over your body's 'problem areas'? Killed an hour on the Sidebar of Shame? Wondered whether to try '50 Sex Tips to Please Your Man'? Felt worse after doing any of the above? Holly and Rhiannon grew up reading glossy mags and, like most women, thought of them as just a bit of fun. But over time they started to feel uneasy - not just about magazines, but about music videos, page 3, and women being labelled frigid, princesses or tramps. So, following the amazing success of

their Vagenda blog, they wrote this book. Welcome to your indispensable guide to the madness of women's media.

**Everyday Sexism** - Laura Bates 2014-04-10  
'If Caitlin Moran's How To Be A Woman is the fun-filled manual for female survival in the 21st century, everyday sexism is its more politicised sister' (Independent on Sunday). After experiencing a series of escalating sexist incidents, Laura Bates started the everyday sexism project and has gone on to write 'a pioneering analysis of modern day misogyny' (Telegraph). After an astounding response from the wide range of stories that came pouring in from all over the world, the project quickly became one of the biggest social media success stories of the internet. From being harassed and wolf-whistled at on the street, to discrimination in the workplace and serious sexual assault, it is clear that sexism had become normalised. But Bates inspires women to lead a real change and writes this 'extremely powerful book that could,

and should, win hearts and minds right across the spectrum' (Financial Times). Often shocking, sometimes amusing and always poignant, everyday sexism is a protest against inequality and a manifesto for change. It's 'a game-changing book, a must-read for every woman' (Cosmopolitan). 'Admirable and culturally transferable. "A storm is coming," writes Bates. After reading this book you'll hope so' (Independent). Welcome to the fourth wave of feminism.

*Pocket Book of Hospital Care for Children* -

**Girl Up** - Laura Bates 2017-07-11

"They told you that you need to be thin and beautiful. They told you to wear longer skirts, avoid going out late at night, and move in groups. Wear shoes you can run in more easily than heels. Dress to flatter your apple, pear, hourglass figure, but don't look like a slut. They said if you're strong or opinionated, you'll be shrill, bossy, a ballbreaker. They said 'That's not for girls,' 'Take it as a compliment,' 'Don't rock the boat.' They told you 'Beauty is on the inside,' but you knew they didn't really mean it. Well screw that. I'm here to tell you something else. Everyday Sexism Project founder Laura Bates mocks the ludicrous pressures and stereotypes faced by young women today. Hilarious, bold, and unapologetic, Girl Up sets the record straight."--Back cover.

### **The Diary of A Young Girl (Deluxe Hardbound Edition)** - Anne Frank 2022-12-06

A thirteen-year-old Jewish girl and her family abandoned their house in Amsterdam and went into hiding in 1942, when Nazis occupied Holland. They and another family stayed cloistered in the "Secret Annex" of an old office building for the next two years, until their whereabouts were revealed to the Gestapo. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.

In *Girls in Trouble with the Law*, sociologist Laurie Schaffner takes us inside juvenile detention centers and explores the worlds of the young women incarcerated within. Across the nation, girls of color are disproportionately represented in detention facilities, and many report having experienced physical harm and sexual assaults. For girls, the meaning of these and other factors such as the violence they experience remain undertheorized and below the radar of mainstream sociolegal scholarship. When gender is considered as an analytic

category, Schaffner shows how gender is often seen through an outmoded lens. Offering a critical assessment of what she describes as a gender-insensitive juvenile legal system, Schaffner makes a compelling argument that current policies do not go far enough to empower disadvantaged girls so that communities can assist them in overcoming the social limitations and gender, sexual, and racial/ethnic discrimination that continue to plague young women growing up in contemporary United States.
