Your Child's First Crush - What It Means and How To Talk About It - Cynthia Malu 2012-03-04

ABOUT THE BOOK From the giggly four-year old who proclaims that he wants to marry his teacher to the pre-teen who gushes over the cute boy who sits next to her in class, your child's first crush is a new frontier, and its best to prepare yourself long before it happens. As a parent, you can take an active part in helping your child navigate his or her romantic feelings. To be a positive part of your child's first experience with puppy love, the most important thing you can do is help your child feel comfortable communicating with you. A crush is no more than an infatuation. Unlike a true romantic relationship, when two individuals acknowledge their deep feelings for one another, a crush is often a one-sided attraction. When children have a crush, they are not focused on loving the object of their affection as an entire person, flaws and all. Instead, they build up a fantasy of sorts in their minds, and spend time daydreaming about what it would be like to be together. EXCERPT FROM THE BOOK Try to find out how your child's crush is responding to him. Ask him if his crush talks to him at school. This will help you gauge the level of intensity and the direction things are headed. If his crush returns his feelings, he may be on the verge of a relationship. While you won't be able to change the eventual outcome of your son's crush, you can guide him as he navigates the unfamiliar waters of romantic feelings. The way you approach the subject will depend on your child's age. For a young child, be positive but truthful when you talk about the crush. Explain that it's normal to have strong feelings for people when you like their looks and behavior, but make sure your child knows that it's not necessary to act on those feelings. Guide him or her in making appropriate decisions. For instance, if your daughter wants to give a gift to a boy she likes on Valentine's Day, help her choose something that won't be overwhelming for either party. If the object of your young child's affection is an adult, don't be overly concerned. According to Dr. Laura Rocker, a pediatric physician, children often experience their first crush on a celebrity or an adult they find attractive. This behavior is normal, and as a child grows older, he or she will become interested in peers his or her own age... Buy a copy to keep reading! Love at First Sight Quotes - Relationship Engineer 2021-06-18

Love is something that happens naturally and you realize it when your heart speaks about someone instead of you. Love at first sight quotes is all about the beginning of your love story. Love is a bonding that makes you more strong and happy even if you have nothing. It is really surprising that one simple inspiring word from your loved one can change your entire world. Imagine, you are just an ordinary boy/girl. Your life is going as usual. But one day somewhere you have seen someone and his/her smile, attitude, and talk make you crazy for him/her. You are having a crush for that person. And if those feelings continue to vibrate your heart, then you are in love. But one thing you should remember that you must check your feelings. Is it a temporary mental state or a long-lasting feeling? If you get the answer, then you should move forward. Otherwise, you should stop there. No doubt, it is wonderful to love someone at first sight. It would be more wonderful if you can make him/her fall for you and start your romance life. Here are 60 love at first sight quotes for you if you are seeking some good quotes that express your feelings of love.

First Big Crush - Eric Arnold 2007-09-18

The story behind the bottle, First Big Crush is Eric Arnold's wild account of his year immersing himself in all things wine...and somehow not winding up in rehab. Never having held a meaningful job for very long (and getting fired from most of them), Eric Arnold heads to New Zealand

-- to Allan Scott Wines -- seeking adventure and hoping to learn a little bit about wine. What could be better than working outside in the fresh air and drinking wine all day? Before he knows it, he is dirty, wet, cold, and at the mercy of a tank of wine that just might explode and take him with it. So begin Eric's adventures in the world of wine. He gets sunburned, sore, and drunk -- and then does it all over again the next day. First Big Crush is a story that is as outrageous as it is compelling. Here are tales of first pressings, pruning, and tasting competitions. There are also rowdy nights at the local pub, girls, meat pies, girls, rugby, and tales of hunting wild pig. Along the way, each step of the winemaking process is explained in a way that humans can actually understand. Almost against his will, Eric becomes an expert.

Crush the Bully - Ash Dalby 2017-07-19

WHY YOU MUST TAKE ACTIONBullying can impact major aspects of your life including mental and physical health, career, friendships and relationships. If you have had a relationship with a bully, you might regret the years that you have lost by staying in the relationship. A workplace bully can affect your motivation, which can negatively impact on your career. A social bully can make you feel lonely and insignificant, even though you are part of a group. Some bullies enslave their victims. "Enslave" might seem like a strong word. However, when someone makes you so afraid that, you won't object in any way to their demands or insults, they have psychologically enslaved you. The long-term effects of bullying can take years to recover from. Victims of bullying may develop depression, anxiety and complex posttraumatic stress disorder. Whether you are a victim of bully or have been in the past, you must take action. **WHY THIS BOOK IS DIFFERENT**The fundamental premise of this book is that, bullies know they are bullies. As such, you cannot reason with them. Many authors tell you that you should talk to the bully and tell them that you feel hurt by their behaviour. This is usually pointless. In fact, trying to reason with a bully can make the situation even worse. If you try to talk to them, they will usually lie and deny. Even if they acknowledge your feelings, they will often employ another strategy to bully you. Even worse, the bully might accuse you of abusing them, simply because you tried to talk to them about their behaviour. They might present themselves as the victim. Then, they will often use this as an excuse to be even nastier to you. **WIN LOTS OF SMALL BATTLES AND YOU WILL WIN THE WAR**This book teaches you the skills to take the bully's power away. You should view, each time that you take the bully on, as a battle. You should not raise your voice. I am talking about a skilful battle of words. Each time the bully attacks you, you will be armed with a counter-attack and not just a defence. The idea is that, each time you and the bully have a battle of words, the bully will come off looking foolish. Bully's want to walk over their victims. They don't want to risk losing a battle of words and consequently, losing face in front of other people. The idea is that the bully will eventually realise that, by attacking you, he or she can end up socially wounded. At this point, most bullies will leave you alone. This book contains carefully planned out strategies for each situation that you might find yourself in.

Tell Me Again How a Crush Should Feel - Sara Farizan 2014-10-07

One Hot Crush - Anna Durand 2020-07-20

Faking it never felt so good. How can a man who designs sex toys for a living be so awkward around women? My boss, Dane Dixon, is hot and British, a killer combination, but he can't look me in the eye and has never said more than five consecutive words to me. Until the day he calls me into his office and asks me to be his fake girlfriend. Um... what?! This is strictly for publicity purposes, Dane says. We fake date until after his company re-launches. For two months, I'll have to pretend to be hot for him, pretend to adore him, pretend to love making out with him. Wait... I'm pretty sure I'm not supposed to be kissing him. But the line between pretend attraction and real, sizzling-hot lust starts to blur — and then it disappears completely. I'm in so much trouble. One Hot Crush is the third book in the Hot Brits series of romantic comedies from Anna Durand, author of the bestselling Hot Scots series. Don't miss the audiobook featuring Shane East & Vanessa Edwin!
