Dating Tips from a Woman's Point of View - Elizabeth Meadows 2014-09-24

If you are looking for how to get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. Give her just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't take your advances, don't get discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there.

How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

You have already established a good connection with that person in the past, and this connection can be revived again. You legitimately have feelings for your ex still, and there are many good reasons to re-start this relationship once again. Here Is A Preview Of What You'll Learn... · Take A Break and Assess Yourself You've broken up with the love of your life and you want to know how to get your ex back. You might think this is the perfect time to run after them and show them you care as soon as possible because it might be too late. This is a common myth that many stumble on. What you need to do right now is stop calling them, stop emailing them, stop the 'random' visits, and stop the 'accidentally' showing up at places where your ex frequents. There are many reasons why taking a short break and getting yourself together is important. If you try to force you and your relationship back into your ex's life while the wounds and the bad emotions are still fresh, it's more likely that bad things will happen..... · Check Your Emotions. There's nothing that smells worse than the scent of desperation. It might sound harsh, but it's true. They'll be able to see if you're contacting them because you feel desperate. This will make them lose respect for you. Instead of seeming more attractive to your ex, it might turn them off. Even though you really want to get back with them, do your best to wait until the most intense emotions have died down..... · Much, much more! Download your copy today!
