"CONVERSATION CASANOVA SKILL FOR MEN: Dating Advice Guide on How to Start and Keep a Fun and Flirty Communication with Women and In a Relationship Like a Pro." It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the *New York Times*' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the *New York Times* and the *Washington Post*. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

50 ways to make him love you more Celine Claire 2022-02-26 This ebook gives you helpful tips on how to make him love you more. Tip number one. Don't attempt to change your man. As tempting as it can be, don't attempt to change your man to suit your ways, especially if he's happy the way he is. If your man feels like you accept him for who he is, he will cherish and love you more. There is a lot of power behind a woman who inspires her man to be the best version of himself without making him feel imperfect. Tip number two. Don't force your man to like the same things as you do.

Understand that your man is a separate human being from you, and he had a life before meeting you. If you find that your likes are conflicting with his, don't make him feel guilty for not enjoying the same stuff as you do. Your man will feel more peaceful and will love you more for not pushing him around like a child to do the same things as you do. Translator: Celine Claire PUBLISHER: TEKTIME
