Dark Matter in Breaking Cyphers Assistant Professor Critical Dance Studies Imani Kai Johnson 2022-10-07 The dance circle (called the cypher) is a common signifier of breaking culture, known more for its spectacular moves than as a ritual practice with foundations in Africanist aesthetics. Yet those foundations--evident in expressive qualities like call and response, the aural kinesthetic, the imperative to be original, and more--are essential to cyphering's enduring presence on the global stage. What can cyphers activate beyond the spectacle? What lessons do cyphers offer about moving through and navigating the social world? And what possibilities for the future do they animate? With an interdisciplinary reach and a riff on physics, author Imani Kai Johnson centers the voices of practitioners in a study of breaking events in cities across the US, Canada, and parts of Europe. *Dark Matter in Breaking Cyphers: the Life of Africanist Aesthetics in Global Hip Hop* draws on over a decade of research and provides a detailed look into the vitality of Africanist aesthetics and the epistemological possibilities of the ritual circle.

Background Check Redz Johnson 2015-03-13 I am writing this book to awake the world. Don't trust anyone, and for the safety of your own life and family, please do a background check before you get to know any man or woman. I have lived a hard life, and through the grace of God, I was blessed to miss death so many times. I know it wasn't my time, and I believe it wasn't Takia's time either or Monica's, but with these crazy ass men out here carrying bad feelings for their mother and anyone else that hurt them. You can be that victim, ladies, so be careful of how you live your life with these men that we meet and not wondering where there from and who they were before they met you. Be careful, everyone. This is from the deepest of my heart. Be nosy and ask questions, even look them up doing an instant background check just for safety and security of your life and your family's life.

All the Girls in Town Staci Greason 2022-07-26 THREE SMART, SEXY — AND SLIGHTLY SCREWED-UP — WOMEN JOIN FORCES TO WREAK VENGEANCE ON THE ROCK STAR WHO HURT THEM ALL Dani, Red, and Sasha have absolutely nothing in common, except the trail of tears bad boy rocker Peter left in his wake. That is, until Dani starts a blog about killing her ex and unwittingly sets the wheels in motion for the women's paths to collide. Bonding over past and present wounds, self-realizations transform the three heroines in a trifecta of twelve-step new age therapy that only L.A. can provide. In a city where discarded muses are a dime a dozen, *All the Girls in Town* explores

the cost of loving the wrong person and the true power of friendship in reclaiming the self. Advance Praise “A rollicking ride of a novel. All the Girls in Town is as hilarious as it is sharply observed. I devoured it.” —JASMIN DARZNIK, New York Times-bestselling author of *The Bohemians* “A juicy revenge tale with a dose of empowering transformation. Staci Greason’s perfectly drawn characters are women you know, women you want to see reclaim their power.” —KAREN MCCULLAH, screenwriter, *Legally Blonde* and author of *The Bachelorette Party* “All the Girls in Town is a thrill ride of a novel—wryly funny, big-hearted, sexy and knowing. Staci Greason writes with arresting insight about the carnal joys and perennial sorrows of romantic love, but also about friendship and family and the struggle to make sense out of the confounding welter of everyday life. I loved this book.” —CHRISTINE SNEED, author of *Little Known Facts* and *The Virginity of Famous Men* “What’s more intriguing than a woman scorned? Three women scorned in a rock and roll revenge romp. Yet Staci Greason’s new novel *All the Girls in Town*, is about so much more. It’s about our dreams, what we do for love, and how friendship can save us. These women are so real and relatable that I wish I could meet them for coffee.” —LESLIE LEHR, author of *A Boob’s Life: How America’s Obsession Shaped Me—and You*

Her Hometown Girl Lorelie Brown 2017-09-04 I had doubts before the Big Day -- doesn't everyone? -- but I didn't expect to find my fiancé banging the caterer's assistant right before the ceremony. Especially because he's a guy. And we're lesbians. The proper sort of Southern Californian lesbians who invest in hedge funds and wear bedazzled wedding dresses and wouldn't be caught dead in a Subaru. But then I became a runaway bride, headed straight for Belladonna Ink to get the kind of tattoo I always wanted and my ex always called trashy. She didn't approve of a lot of things I did. I think maybe she didn't approve of who I am. So I'm determined to be as much of myself as I can manage. Dating my tattoo artist? I'm in. Cai is smart, sexy, and mysterious. Exactly what I need for a rebound. She keeps herself guarded, but I understand -- I'm holding on to secrets too. The kind of secrets that make a girl want to run home to Mom, even if home is Idaho. Maybe especially then. I just didn't expect Cai to come with me. I wonder what it would take to get her to stay forever.

There Is No F*cking Secret Kelly Osbourne 2017-04-25 People ask Kelly Osbourne all the time: "What's your secret?" Kelly Osbourne may not always have been a typical role model, but no one can say that her perspective isn't hard won after spending three decades in the spotlight: from growing up completely exposed to the heavy metal scene—replete with crazy antics most readers have only begun to hear about—to spending her teenage years as the wild middle child of an even wilder Ozzy Osbourne, to the family's popular stint on their wacky eponymous reality show. Since then, Osbourne has forged her own path as a style icon and powerful woman in the media who isn't afraid to tell it like it is and be honest with her fans. But being the daughter of a music legend hasn't always been glamorous; growing up Osbourne is an experience that Kelly wouldn't trade, but there are battle scars, and she is finally now ready to embrace and reveal their origins. Told as a series of letters to various people and places in her life, *There Is No F*cking Secret* gives readers an intimate look at the stories and influences that have shaped Osbourne's highly speculated-about life, for better or for worse. The stories will make readers' jaws drop, but ultimately, they will come away empowered to forge their own path to confidence, no matter how deranged and out of control it may be, and to learn the ultimate lesson: that there just is no f*cking secret.

Flesh and Blood James W. Messerschmidt 2004 This book provides a unique conceptualization of: 1) embodiment as a lived aspect of gender, 2) how masculine practices may be constructed by both boys and girls, 3) how such embodied social actions are related to violence and nonviolence, and 4) the fallacy of the mind-body, sex-gender, and gender difference binaries.

Unzipped Sheri Arcuria 2019-09-10 Being overweight, you are judged on a daily basis because of how you are on the outside and rarely ever because of whom you are on the inside. I had visions of walking into a party and people staring at me. A zipper appears close to my chest and I unzipped it and a skinny person was revealed to the surprise of everyone in the room. I was finally exposing my true inner being and no longer hiding or surrounding myself in "fat.". We also unzip when we are about to do something intimate and personal. We unzip for the purpose of changing, exposing or releasing in some form. In order to be your true self, you have to have the courage to expose yourself physically, emotionally, mentally and spiritually. We all have a story that is being written daily. Characters come and go for the purpose of moving the story along. Some scenes are sad and dark, some are comical and light. We hold the pen and dictate where we want to take our audience

watching.. Some of us choose to keep it to ourselves and some of us want to use it as an opportunity to help and inspire others. I am the latter.. This is my story...

Super Bitches and Action Babes Rikke Schubart 2014-08-23 With actress Pam Grier's breakthrough in *Coffy* and *Foxy Brown*, women entered action, science fiction, war, westerns and martial arts films—genres that had previously been considered the domain of male protagonists. This groundbreaking cinema, however, was—and still is—viewed with ambivalence. While women were cast in new and exciting roles, they did not always arrive with their femininity intact, often functioning both as a sexualized spectacle and as a new female hero rather than female character. This volume contains an in-depth critical analysis and study of the female hero in popular film from 1970 to 2006. It examines five female archetypes: the dominatrix, the Amazon, the daughter, the mother and the rape-avenger. The entrance of the female hero into films written by, produced by and made for men is viewed through the lens of feminism and post-feminism arguments. Analyzed works include films

with actors Michelle Yeoh and Meiko Kaji, the Alien films, the Lara Croft franchise, Charlie's Angels, and television productions such as Xena: Warrior Princess and Alias.

The Badass Girl's Book of Prayers Maimah Karmo 2018-09-30 Life is a prayer, and how you express that prayer is an expression of your truth in all its beauty, its divinity, and its humanness. The purpose of life is to express all that our souls desire within the time that we are here. One of the ways we can stay true to that expression is through alignment with Higher Power, and through communication with that "all there is" energy. When we pray, we are communicating our sacred truth from a spiritual place in all its raw beauty and strength.

The Falls Kelly Murray 2011-07-29 Authored by Kelly Murray, this book follows two people, from two different worlds, who come together for love. Witches Falls was a small town with a small town philosophy. But it drastically changed when a series of death occurred starting with the tragic murder of the schizophrenic Joyce Dorothy McDonnell, who was tied up, suffocated, and sexually abused. Her death, and more that followed, alarmed the police department. While looking into these puzzling events, Persephone Dahl's ordinary life as a police began to alter when Javed Atanasio, a dog handler, joined the force.
