The G.F. List - Sharyn Atkinson 2013-07-23

Sharyn Atkinson doesn't claim to have all the answers, but after twelve years of being single in Melbourne, she does have some hilarious—and cringe-worthy—stories to tell. In this light-hearted, playful, and honest account of her romantic experiences, you'll find stories of hope, loss, deception, discovery, sex, and love in all its many forms. Read it cover to cover, or pick a chapter that calls out to you—"Mr. Loaded," "Mr. International Jet Setter," or perhaps the intriguing "Mr. Stripper Electrician." Though she would love to get married and start a family, Sharyn doesn't plan to settle for anyone—even if that means navigating the murky waters of dating in your thirties. As she explains, "I don't want to be someone's handbag, mother, housemaid, bimbo, friend with benefits, notch on the belt, therapist, 'bit on the side', rebound, second wife, 'cougar', party girl, provider, or door mat. Call me crazy, but none of that really appeals to me." Whether you're single, happily married, or somewhere in between in the dating game, Sharyn's honest, relatable, and disarming accounts of trying to find "the one" in a vast sea of "not quite" will have you nodding in understanding and considering the various people you've decided to make time for—or catch and release.

Unintentionally Celibate - Olive Persimmon 2015-02-09
Kinky, pornstar-style sex. In every room and every position. Sex advice

for the inept, the knowledgeable, and the sexiest sex-ers having sex. If that's what you're looking for...this is probably not the book for you. Because I'm currently in the middle of the world's greatest stretch of unintentional celibacy. If you want a sexy book like Fifty Shades of Grey, this is not it. I haven't had sex in two years, six months, three days and 2.5 hours. During this time, I've learned two facts: Fact one: Granny panties never lead to coitus. Fact two: Using the word coitus never leads to coitus. My comedic tragedy started when I was twelve and looked exactly like the female version of George Costanza from Seinfeld. My life was full of shenanigans after that. This humor book is a collection of those tales, ramblings, and adventures. But mostly it's about all of the fabulous sex I'm not having.
