God Loves You - Thomas Franckowiak 2012-04
Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift. Often He has blessed you with many more. His gift of love to you, however, is the most precious of them all. If godly love is your one talent, it is yours to continually refine throughout your life. In order to continually grow in godly love, God's Word must be your road map. *God Loves You: Notes of His Love* unearths truths about your Heavenly Father's love from Paul's description of godly love in his first letter to the Corinthians. In his letter he reveals its seven qualities. You will find in *God Loves You: Notes of His Love* that each chapter is dedicated to studying a quality of love. As you study each chapter you become a student of God's love. You investigate for yourself how to live an entire life of continual

growth in ever-abounding love for your Heavenly Father God, your dear ones, and all humanity. After you devote your entire life to successfully studying and living godly love, you will appear before your Heavenly Father God. When He sees your soul beaming the seven qualities of godly love, He will tell you "Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your Master's happiness!"

How to Tell If Someone Truly Loves You - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to

push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.

Still In Love With You - Mari Villarreal
2022-11-15

"Sophie Patterson. Don't you dare walk away from me." Logan's menacing stare bore at me. I suddenly didn't feel drunk anymore. I sobered up quickly. "What, Logan? You're gonna tell me that you suddenly love me again? That you're here to sweep me off my feet? Please! I didn't need you all this time, and I don't need you now." He clenched his jaw, fisting his hands. "Enough. Stop being so damn stubborn. You know I do. I love you. I never stopped loving you, Sophie. It was always you." I left my hometown hoping to never see him again. I left with his baby still inside of me. Seven years after, and here I am again. Standing before him and a six-year-old wanting to know who his dad is, and asking me to marry him because everyone in his class but him and his best friend don't have a daddy. What am I supposed to do with all these feelings that are resurfacing? I'm realizing every day that I never got over him. I merely suppressed my feelings, and his telling me this now- to my face, just made things more complicated.
