Don't Call Me Kit Kat - K. J. Farnham 2015-05-15

Junior high is where things really start to happen. Cliques form and break apart. Couples are made and destroyed. And a reputation is solidified that you won't ever be able to escape. Everything you do and say, and everyone you spend your time with, matters. Katie Mills knows that. She gets it. That's why she tried so hard to get in with the cool girls at school. And why she was so devastated when those efforts found her detained for shoplifting and laughed out of cheer squad tryouts. But Katie has more to worry about than just fitting in. Her parents are divorced and always fighting. Her sister never has time for her. And her friends all seem to be drifting apart. Even worse? The boy she has a crush on is dating the mean girl at school. Everything is a mess, and Katie doesn't feel like she has control over any of it. Certainly not over her weight, which has always topped out at slightly pudgier than normal—at least, according to her mother. So when she happens to catch one of the popular girls throwing up in the bathroom one day, it sparks an idea. A match that quickly engulfs her life in flames. Is there any going back once she gets started down this path? And would she even

want to if she could?

Chicken Soup for the Teenage Soul: The Real Deal Friends - Jack Canfield 2012-10-09

Friends. You gotta have 'em, but sometimes they drive you crazy. You love 'em, but sometimes they make you mad. They'll help you through a crisis...unless they are the crisis. So What's the Deal? Friends are more than just the people you hang out with. They make you laugh, they keep your secrets, they offer advice (some good, some bad), they give you a shoulder to cry on. Sometimes they move away, or betray your trust, or flake out, but mostly they are the people who are always there for you. And they know you'll be there when they need you most. Because that's what it means to be a friend. Sometimes friendship is overwhelming, sometimes it's confusing, sometimes you feel like you don't have a friend in the world, but don't worry, it's like that for everyone. That's what the stories in this book are all about. They're from real teens, and they're about the bizarre, difficult and wonderful things that really happened to them and their friends. Put that together with weird facts, cool graphics, fun advice and quizzes designed to help you figure out what you and your friends are all about, and you've got the real deal on friendship!
