The language of emotions and feelings. How expressive such language can be in the moments when words become obsolete, how sufficient and how full. Thus, I , Sneha khakkar present to u this anthology that conveys the scribbled feelings and emotions of many co-authors. So...enjoy exploring this beautiful book THE SCRIBBLED FEELINGS which conveys our journey through life.

Men are simple creatures and are easy to understand, but the problem is, there's no one to show women what men think about that they like. Until NOW.
