Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

Everything You Need to Know about Your Crush Based on Their Zodiac Sign - January Nelson 2016-06-27

With the onslaught of digital communication and social media, getting to know someone has only proven to be more and more difficult. Unlike our parents, we have to work with Snapchats, iMessages, Tinder profiles, not so honest Instagram feeds, and so on. This is where Astrology, and the details you get from a simple birthdate, can help you. If you're wondering how to tell if someone likes you, how they act in a relationship, or simply how they are when they're angry or sad-this book can help you either invest your time in your crush, or save you the hassle of another incompatible match.

Tell Me Again How A Crush Should Feel - Sara Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that *Leila* liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, *Saskia*, shows up, *Leila* starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and *Saskia*'s confusing signals, *Leila* confides in her old friend, *Lisa*, and grows closer to *Tomas*, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, *Leila* begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

Maybe He Just Likes You - Barbara Dee 2020-09-15

2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle

schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader *Mila*, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) *Callum* tells *Mila* it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But *Callum*'s hug lasts a few seconds too long, and feels...weird. According to her friend, *Zara*, *Mila* is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave *Mila* alone. On the bus. In the halls. During band practice—the one place *Mila* could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, *Mila* begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, *Mila* learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.

Real Friends vs. the Other Kind - Annie Fox 2009-06-05

"If you're like us, you probably have questions about friendships. Maybe you're not sure if someone is a real friend or the other kind." So goes the story of *Jack*, *Jen*, *Chris*, *Abby*, *Mateo*, and *Michelle*—six students trying to figure it all out in middle school. *Real Friends vs. the Other Kind*, the second book in the *Middle School Confidential* series, follows these characters as they work to forge friendships while navigating tough social situations. The book offers insider information on making friends, resolving disputes, and dealing with other common middle school concerns—like gossip, exclusion, and cyberbullying. There's also expert advice on crushes, peer pressure, and being there for friends who need help. Filled with character narratives, quizzes, quotes from real kids, tips, tools, and resources, this book is a timely and engaging survival guide for the middle school years.

Creative Writing Essentials - L. Stewart Hearl 2018-04-29

[Speak: The Graphic Novel](#) - Laurie Halse Anderson 2018-02-06

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at *Merryweather High*, *Melinda* knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends *Merryweather* and is still a threat to her. With powerful illustrations by *Emily Carroll*, *Laurie Halse Anderson's Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

[Just Another Teenage Girl](#) - Isha Nagappan 2016-04-08

Nostalgia is a funny thing, isn't it? Sometimes it reminds us of a period in the past that makes us so very unhappy but sometimes brings to mind, things that gave us the most happiness. These memories, good or bad, are the only things we will be carrying with us, no matter where life takes us. These memories are what make us who we are. I am eighteen years old and going off to college and even though the world would call me an "adult," I still feel like I have so much left to see and learn. Join me, Alisha, as I take a walk down memory lane to a time when teenage drama was at its peak, hashtags were not "cool," the battle with acne was never-ending, feelings for a boy wavered more than an opera singer's voice, when friends and family did not mean two different things, and every single problem seemed to be the end of the world. Stand with me as I recollect every blunder I committed and be sure to smile with me as I remember all the high moments in life. For all you know, you might even be able to relate to a thing or two. So sit back, relax, and forget all about your drama as you read about mine. Love, Just Another Teenage Girl.

Make Him Yours - Mark Rosenfeld 2019-12-12

How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours; Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material' The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex) The 3-Step process to set standards that makes a man respect and WANT to comply The Top 10 Places to meet men offline, and the simple OPEN mindset that gets hot guys talking to you anywhere, anytime (if that's what you want) The 7 Modern Dating Habits you can use in 2020 to swing the dating pendulum in your favour

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is

divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and

"ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
