**Daughter of Smoke and Bone** Laini Taylor 2011-09-29 DAUGHTER OF SMOKE AND BONE is a book unbounded by genre but located at a magical crossroads where THE PASSAGE meets PHILIP PULLMAN and TWILIGHT meets PAN'S LABYRINTH. Errand requiring immediate attention. Come. The note was on vellum, pierced by the talons of the almost-crow that delivered it. Karou read the message. 'He never says please', she sighed, but she gathered up her things. When Brimstone called, she always came. In general, Karou has managed to keep her two lives in balance. On the one hand, she's a seventeen-year-old art student in Prague; on the other, errand-girl to a monstrous creature who is the closest thing she has to family. Raised half in our world, half in 'Elsewhere', she has never understood Brimstone's dark work - buying teeth from hunters and murderers - nor how she came into his keeping. She is a secret even to herself, plagued by the sensation that she isn't whole. Now the doors to Elsewhere are closing, and Karou must choose between the safety of her human life and the dangers of a war-ravaged world that may hold the answers she has always sought. 'Remarkable and beautifully written . . . The opening volume of a truly original trilogy.' GUARDIAN

**SignMates** Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

As morbid as it sounds, it's just how our energy works. The planets and luminaries are then split into two categories: inner/internal and outer/external, and every planet possesses their own type of energy and specialty. From the internal planets, the Sun shines on planets that impact our personalities. It's how we function as an individual. From the external planets, the darkness of these worlds helps us utilize our personality and inner strengths to overcome events of the physical realm. It's how we shine our light in dark spaces." About the Author Joan Zodianz is a professional astrologer, angel medium, intuitive artist, and tarot reader. She has been developing her spiritual gifts since childhood. She has a love of spirituality, obsession with astrology, and strong connection with Archangels.

**Scorpio Hates Virgo** Anyta Sunday 2017-08-31 This year is all about healing the heart, Scorpio. It's time to leave negative attitudes and stoic facades at the door and let others see the real, more vulnerable you. Percy Freedman is not grieving. Absolutely not, take that back at once. No, he's entirely sure that selling his dead aunt's home and leaving the neighbors he's known for years is the sane thing to do. Who in their right mind would keep the house that smells like all the hugs he'll never have again? Nobody, that's who. Well, except his cul-de-sac neighbors. They all seem to think some paint and new furniture will clean the emotional slate. They all want him to stay. Even his nemesis, Callaghan Glover. Especially his nemesis, Callaghan Glover. Lured into a game of Sherlock Gnomes, Percy finds himself hanging out with his neighbors more than might be considered healthy. Along with juggling new and surprising verbal grenades from Cal, and his burgeoning friendship with Gnomber9, Percy is starting to wonder if selling might have been the grief talking after all . . . That's right, Scorpio. With a little patience, heartbreak might be a thing of the past . . . \* \* \* \*

"Scorpio Hates Virgo" contains sarcasm, sexual content, a slightly sappy HEA, and an unhealthy obsession with dinosaurs. It can be read as a standalone. Themes: friends-to-lovers, slow burn Genre: New Adult, light-hearted contemporary gay romance If you've enjoyed "Leo Loves Aries," you can look forward to a slow burn, will-they-or-won't-they romance, full of sarcastic banter and a delicious slice of unresolved sexual tension.

**The Eternal Woman** Gertrud Von Le Fort 2010-02-02 Foreword by Alice von Hildebrand When The Eternal Woman was first published in Germany, Europe was a battlefield of modern ideologies that would sweep away millions of lives in war and genocide. Denying the Creator, who made male and female, Nazism and Communism could only fail to appreciate the true meaning of the feminine and reduce woman to a mere instrument of the state. In the name of liberating her from the so-called tyranny of Christianity, atheism, in any form, leads to woman's enslavement. With penetrating insight Gertrud von le Fort understood the war on womanhood, and consequently on motherhood, that always coincides with an attack on the faith of the Catholic Church, which she embraced at the age of 50 in 1926. In The Eternal Woman, she counters the modern assault on the feminine not with polemical argument but with perhaps the most beautiful meditation on womanhood ever written. Taking Mary, Virgin and Mother, as her model, von le Fort reflects on the significance of woman's spiritual and physical receptivity that constitutes her very essence, as well as her role in both the creation and redemption of human beings. Mary's fiat to God is the pathway to our salvation, as it is inextricably linked with the obedience unto death of Jesus her son. Like the Son's acceptance of the Cross, Mary's acceptance of her maternity symbolizes for all mankind the self-surrender to the Creator required of every human soul. Since any woman's acceptance of motherhood is likewise a yes to God, when womanhood and motherhood are properly understood and appreciated, the nature of the soul's relationship to God is revealed.

**Friends on a Rotten Day** Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White
