Good and Cheap Leanne Brown 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying

food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Bread Toast Crumbs Alexandra Stafford 2017-04-04 With praise from Dorie Greenspan, Jim Lahey, and David Lebovitz, the definitive bread-baking book for a new generation. But this book isn't just about baking bread-- it's about what to do with the slices and heels and nubs from those many loaves you'll bake.

Alexandra Stafford grew up eating her mother's peasant bread at nearly every meal—the recipe for which was a closely-guarded family secret. When her blog, Alexandra's Kitchen, began to grow in popularity, readers started asking how to make the bread they'd heard so much about; the bread they had seen peeking into photos. Finally, Alexandra's mother relented, and the recipe went up on the internet. It has since inspired many who had deemed bread-baking an impossibility to give it a try, and their results have exceeded expectations. The secret is in its simplicity: the no-knead dough comes together in fewer than five minutes, rises in an hour, and after a second short rise, bakes in buttered bowls.

After you master the famous peasant bread, you'll work your way through its many variations, both in flavor (Cornmeal, Jalapeno, and Jack; Three Seed) and form (Cranberry Walnut Dinner Rolls; Cinnamon Sugar Monkey Bread). You'll enjoy bread's usual utilities with Food Cart Grilled Cheese and the Summer Tartine with Burrata and Avocado, but then you'll discover its true versatility when you use it to sop up Mussels with Shallot and White Wine or juicy Roast Chicken Legs. Finally, you'll find ways to savor every last bite, from Panzanella Salad Three Ways to Roasted Tomato Soup to No-Bake Chocolate-Coconut Cookies.

not found in the book, and Ree's list of her favorite movies and songs to cook to. I'm Pioneer Woman. And I love to cook. Once upon a time, I fell in love with a cowboy. A strapping, rugged, chaps-wearing cowboy. Then I married him, moved to his ranch, had his babies . . . and wound up loving it. Except the manure. Living in the country for more than fifteen years has taught me a handful of eternal truths: every new day is a blessing, every drop of rain is a gift . . . and nothing tastes more delicious than food you cook yourself. The Pioneer Woman Cooks: Food from My Frontier is a mouthwatering collection of the simple-but-scrumptious recipes that rotate through my kitchen on a regular basis, including Cowgirl Quiche, Sloppy Joes, Italian Meatball Soup, White Chicken Enchiladas, and a spicy Carnitas Pizza that'll win you over for life. There are also some elegant offerings for more special occasions at your house: Osso Buco, Honey-Plum-Soy Chicken, and Rib-Eye Steak with an irresistible Onion-Blue Cheese Sauce. And the decadent assortment of desserts, including Blackberry Chip Ice Cream, Apple Dumplings, and Coffee Cream Cake, will make your heart go pitter-pat in the most wonderful way. In addition to detailed step-by-step photographs, all the recipes in this book have one other important quality in common: They're guaranteed to make your kids, sweetheart, dinner guests, in-laws, friends, cousins, or resident cowboys smile, sigh, and beg for seconds. (And hug you and kiss you and be devoted to you for life.) I hope you enjoy, devour, and love this book. I sure did love making it for you.
