The Woman who Went to Bed for a Year - Sue Townsend 2012

The day her gifted twins leave home for university, Eva climbs into bed and stays there. For seventeen years she's wanted to yell at the world, 'Stop! I want to get off'. Finally, this is her chance. Perhaps she will be able to think. Her husband Dr Brian Beaver, an astronomer who divides his time between gazing at the expanding universe, an unsatisfactory eight-year-old affair with his colleague Titania and mooching in his shed, is not happy. Who will cook dinner? Eva, he complains, is either having a breakdown or taking attention-seeking to new heights. But word of Eva's refusal to get out of bed quickly spreads. Alexander the dreadlocked white-van man arrives to help Eva dispose of all her clothes and possessions and bring her tea and toast. Legions of fans are writing to her or gathering in the street to catch a glimpse of this 'angel'. Her mother Ruby is unsympathetic: 'She'd soon get out of bed if her arse was on fire.' And, though the world keeps intruding, it is from the confines of her bed that Eva at last begins to understand freedom. *The Woman Who Went to Bed for a Year* is a funny and touching novel about what happens when someone stops being the person everyone wants them to be. Sue Townsend, Britain's funniest writer for over three decades, has written a brilliant novel that eviscerates modern family life. Sue Townsend is Britain's favourite comic author. Her hugely successful novels include eight *Adrian Mole* books, *The Public Confessions of a Middle-Aged Woman* (Aged 55¾), *Number Ten*, *Ghost Children*, *The Queen and I* and *Queen Camilla*, all of which are highly acclaimed bestsellers. She has also written numerous well-received plays. She lives in Leicester, where she was born and grew up.

The Books They Gave Me - Jen Adams 2012-11-06

This beautiful full-color treasury of stories about gift book-giving celebrates the enduring power of literature: stories of significant books people have received and what those books mean to them. *THE GIFT OF A BOOK BECOMES PART OF THE STORY OF YOUR LIFE*. Perhaps it came with a note as simple as "This made me think of you," but it takes up residence in your heart and your home. *The Books They Gave Me* is a mixtape of stories behind books given and received. Some of the stories are poignant, some snarky, some romantic, some disastrous—but all are illuminating. Jen Adams collected nearly two hundred of the most provocative stories submitted to the tumblr blog TheBooksTheyGaveMe.com to capture the many ways books can change our lives and loves, revealing volumes about the relationships that inspired the gifts. These stories are, by turns, romantic, cynical, funny, dark, and hopeful. There's the poorly thought out gift of *Lolita* from a thirty-year-old man to a teenage girl. There's the couple who tried to read *Ulysses* together over the course of their long-distance relationship and never finished it. There's the girl whose school library wouldn't allow her to check out *Fahrenheit 451*, but who received it at Christmas with the note, "Little Sister: Read everything you can. Subvert Authority! Love always, your big brother." These are stories of people falling in love, regretting mistakes, and finding hope. Together they constitute a love letter to the book as physical object and inspiration. Illustrated in full color with the jackets of beloved editions, *The Books They Gave Me* is, above all, an uplifting testament to the power of literature.

Life, Love and Assimilation - Kia Abdullah 2006

This volume is a raw and unpretentious account of the battles faced by Kieran Ali, an Asian girl growing up in London. It tackles drug addiction, gender inequality, arranged marriage and religion but is ultimately a story about the love and freedom that is seldom afforded to young Asian women living between two cultures.

The Secret Life of Love and Sex - Terence Watts 2014-06-27

Just as a relationship needs love and sex to nurture it, so there are times when lies and secrets are necessary too. Some people seem to be able to get the balance just right without really trying very hard at all, while

others never do seem to 'get it'. Yet it's an easy trick to learn and here's your chance, because all these things and lots more are covered in vivid detail: Why personality matters and how to work it out; Understanding the amazing differences between men and women; How to get off to a good start; How to get back on track when things go wrong; Dealing with sexual difficulties - easily; Handling a break up by taking charge and ending it elegantly. Sharing your life with another is not an easy task - in fact the surprise is not so much that it often doesn't work but that it can be spectacularly successful! From page one onwards, you will begin to gain a stunning insight into how you can find and keep the love you've always wanted. Written by an expert in relationships and human nature, this book can set you on your way to true happiness.

Life, Love and the Pursuit of Happiness - Valerie Jones 2006-01

"Life, Love and the Pursuit of Happiness" is a personal collection of poems written as the author's private thoughts on love and life when she was in her early teens and continued writing over the next twenty years. The poetry is an expression of all the fears, joys, disappointments and exhilaration that most teenage, twenty and thirty-something's feel. As an accumulation of private thoughts that were not written for publication, the book lifts a corner of the mask that we all wear as a public façade. That is why it is so easy to relate to. Dip into any of the pages here and you will find some connection to the words and the feelings they conjure up. You've been there that's how it felt a "that could be me!" moment. Curl up with "Life, Love and the Pursuit of Happiness", put on some music, pour yourself a glass of wine and enjoy!

Everything I Know About Love - Dolly Alderton 2018-02-01

THE SUNDAY TIMES BESTSELLER & MAJOR BBC ONE TV SERIES 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day Award-winning journalist Dolly Alderton survived her twenties (just about) and in Everything I Know About Love, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most

importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of daftness' Amy Liptrot *Winner of Autobiography of the Year at the National Book Awards 2018* *A Waterstones Paperback of the Year 2019* *A Sunday Times paperback of the year 2019* *Selected for Stylist's The Decade's 15 Best Books by Remarkable Women* A Sunday Times bestseller, September 2022

Late-Life Love: A Memoir - Susan Gubar 2018-11-13

During a difficult year, acclaimed writer Susan Gubar celebrates her lasting partnership and the reciprocity of lovers in later life. On Susan Gubar's seventieth birthday, she receives a beautiful ring from her husband. As she contemplates their sustaining relationship, she begins to consider how older lovers differ from their youthful counterparts—and from ageist stereotypes. While her husband confronts age-related disabilities that effectively ground them, Susan dawdles over the logistics of moving from their cherished country house to a more manageable place in town and starts seeking out literature on the changing seasons of desire. Throughout the complications of devoted caregiving, her own ongoing cancer treatments, apartment hunting, the dismantling of a household, and perplexity over the breakdown of a treasured friendship, Susan finds consolation in books and movies. Works by writers from Ovid and Shakespeare to Gabriel García Márquez and Marilynne Robinson lead Susan to appraise the obstacles many senior couples overcome: the

unique sexuality of bodies beyond their prime as well as the trials of retirement, adult children, physical infirmities, the multiplications or subtractions of memory, and the aftereffects of trauma. On the page and in life, Susan realizes that age cannot wither love. A memoir proving that the heart's passions have no expiration date, Late-Life Love rejoices in second chances.

More Than I Love My Life - David Grossman 2021

"From the internationally best-selling author--and revered moral voice--a remarkable novel of suffering, love, and healing, the story of three generations of women and a secret that needs to be told. The story was inspired by the life of a friend and confidante of David Grossman who, in the late 1940s, was imprisoned and tortured on the notorious Goli Otok, a barren island prison off the coast of Croatia. Grossman's telling focuses on three strong women--Vera, 90; her daughter, Nina; and her granddaughter, Gili, who at 39 years old is a filmmaker and a wary consumer of affection. A bitter secret divides each mother and daughter

pair, though Gili--abandoned when she was just three by Nina--has been close to her grandmother throughout her life. With Gili making the arrangements, they travel together back to Goli ("the Adriatic Alcatraz"), where Vera was imprisoned, enslaved, and tortured for three years as a young wife, when she refused to betray her husband and denounce him as an enemy of the people. This unlikely journey, documented by Gili's camera, lays bare the intertwining of fear, love, and mercy, and the complex overlapping demands of romantic and parental passion. With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held, and Grossman's fearless examination of the human heart, this swift novel will thrill his many readers and bring new ones into the fold"--

In Search Of Us - Ava Dellaira 2018-03-06

The gorgeous, warm-hearted new novel from Ava Dellaira, the author of the critically acclaimed LOVE LETTERS TO THE DEAD. Because the missing pieces always matter . . . Marilyn is in search of freedom. She grew up as a child actor, her mother's meal ticket out of mediocrity. But it's been a long time since she booked a job, and she and her mother have no choice but to move in with her volatile uncle. Marilyn is counting down the days until she can escape to college, and the promise of her own future. That is, until she falls in love with James, the boy downstairs, who shows her that her life is worth living in the present. At 17, Marilyn is about to learn that everything can change in an instant. Angie is in search of answers. She is mixed race and has never met her father, but she knows she looks and thinks a lot like him. Though Angie grew up with her devoted mother, Marilyn, she's always felt the absence of the man she never knew. But after discovering that her mother has been lying to her, Angie sets off on a road trip to Los Angeles, in search of an unknown uncle - and maybe even her dad. At 17, she hopes to finally find out the truth about where she came from so she can discover who she truly is. Told from the perspective of these two young women, Marilyn's in the late 90s, and Angie's today, IN SEARCH OF US is a sweeping inter-generational story about mothers and daughters, love and loss, holding on and letting go.

Discussing Design - Adam Connor 2015-06-17

Real critique has become a lost skill among collaborative teams today. Critique is intended to help teams strengthen their designs, products, and services, rather than be used to assert authority or push agendas under the guise of "feedback." In this practical guide, authors Adam Connor and Aaron Irizarry teach you techniques, tools, and a framework for helping members of your design team give and receive critique. Using firsthand stories and lessons from prominent figures in the design community, this book examines the good, the bad, and the ugly of feedback. You'll come away with tips, actionable insights, activities, and a cheat sheet for practicing critique as a part of your collaborative process. This book covers: Best practices (and anti-patterns) for giving and receiving critique Cultural aspects that influence your ability to critique constructively When, how much, and how often to use critique in the creative process Facilitation techniques for making critiques timely and more effective Strategies for dealing with difficult people and challenging situations

Love Life - Rob Lowe 2014-04-08

On the heels of his New York Times bestselling *Stories I Only Tell My Friends*, Rob Lowe is back with an entertaining collection that "invites readers into his world with easy charm and disarming frankness" (Kirkus Reviews). After the incredible response to his acclaimed bestseller, *Stories I Only Tell My Friends*, Rob Lowe was convinced to mine his experiences for even more stories. The result is *Love Life*, a memoir about men and women, actors and producers, art and commerce, fathers and sons, movies and TV, addiction and recovery, sex and love. Among the adventures he describes in these pages are: · His visit, as a young man, to Hugh Hefner's Playboy Mansion, where the naïve actor made a surprising discovery in the hot tub. · The time, as a boy growing up in Malibu, he discovered a vibrator belonging to his best friend's mother. · What it's like to be the star and producer of a flop TV show. · How an actor prepares, for *Californication*, *Parks and Recreation*, and numerous other roles. · His hilarious account of coaching a kid's basketball team dominated by helicopter parents. · How his great, great,

great, great, great grandfather may have inspired everything from his love of *The West Wing* to his taste in classic American architecture. · His first visit to college, with his son, who is going to receive the education his father never got. · The time a major movie star stole his girlfriend. Linked by common themes and his philosophical perspective on love—and life—Lowe's writing "is loaded with showbiz anecdotes, self-deprecating tales, and has a general sweetness" (New York Post).

Life, love and everything in between - Ayra Jamshad 2020-01-10

This book is a collection of poems that speak about a range of things - from life to love to everything in between. The poems explore the essence of human life, the intricacy of human emotion, poetry as an art in itself and what it means to the author. It is the protagonist's journey of understanding herself, of making sense of her hopes, dreams and struggles. Our journeys are unique and the possibilities are endless. As one of the poems says "We're many things at once" and we're all on the path to becoming our own person. The author uses poetry to shed light on the emotional turmoil of growing up, the need to normalize talk about mental health and the revival of empathy. It's okay to not know, it's okay to take your time, it's okay to feel, it's okay to seek help and it's okay to love.

How to Find Love - The School of Life 2018-12-04

A guide to making wiser, more informed choices in love, drawing on in-depth analysis to explain our instinct for romantic self-sabotage.

The Immortalists - Chloe Benjamin 2019-02-05

A BEST BOOK OF THE YEAR: Washington Post • NPR • Entertainment Weekly • Real Simple • Marie Claire • New York Public Library • LibraryReads • The Skimm • Lit Hub • Lit Reactor AN INSTANT NEW YORK TIMES BESTSELLER "A captivating family saga."—The New York Times Book Review "This literary family saga is perfect for fans of Celeste Ng and Donna Tartt."—People Magazine (Book of the Week) If you knew the date of your death, how would you live your life? It's 1969 in New York City's Lower East Side, and word has spread of the arrival of a mystical woman, a traveling psychic who claims to be able to tell anyone the day they will die. The Gold children—four adolescents on the

culp of self-awareness—sneak out to hear their fortunes. The prophecies inform their next five decades. Golden-boy Simon escapes to the West Coast, searching for love in '80s San Francisco; dreamy Klara becomes a Las Vegas magician, obsessed with blurring reality and fantasy; eldest son Daniel seeks security as an army doctor post-9/11; and bookish Varya throws herself into longevity research, where she tests the boundary between science and immortality. A sweeping novel of remarkable ambition and depth, *The Immortalists* probes the line between destiny and choice, reality and illusion, this world and the next. It is a deeply moving testament to the power of story, the nature of belief, and the unrelenting pull of familial bonds.

The Love of Her Life - Harriet Evans 2009-06-02

From the author of *A Hopeless Romantic* and *Going Home* comes an engaging new novel about a young woman who suffers loss and heartbreak—only to regain a chance at happiness when she least expects it. Thirty-year-old Kate Miller fled London two years ago when her life fell apart spectacularly. Living in New York with her mother and stepfather and working half-heartedly as a literary agent, Kate must return to London when her father, a famous classical musician, undergoes a kidney transplant. She's only returning for a short visit, or so she thinks. But once in London, she faces the friends who are bound with her forever as a result of one day when life changed for all of them.

What really happened before Kate left London? And can she pick up the pieces and allow herself to love her own life again? Witty, smart, and entertaining, Evans's heartwarming tale, which was a bestseller in the United Kingdom earlier this year, will delight readers who enjoy novels by Cathy Kelly, Hester Browne, and Marian Keyes.
