Masculinity and Popular Television - Rebecca Feasey 2008-10-06

This book is a comprehensive and accessible introduction to the key debates concerning the representation of masculinities in a wide range of popular television genres. The volume looks at the depiction of public masculinity in the soap opera, homosexuality in the situation comedy, the portrayal of fatherhood in prime-time animation, emerging manhood in the supernatural teen text, alternative gender roles in science fiction, male authority in the police series, masculine anxieties in the hospital drama, violence and aggression in sports coverage, ordinariness and emotional connectedness in the reality game show, and domesticity in lifestyle television. *Masculinity and Popular Television* examines the ways in which masculinities are being constructed, circulated and interrogated in contemporary British and American programming, and considers the ways in which such images can be understood in relation to the 'common sense' model of the hegemonic male that is said to dominate the cultural landscape.

From Squeak to Roar: Second Edition - Angelyn Toth 2015-12-02

From Squeak to Roar is a unique portrayal of how people show up in business, through the metaphor of seventeen different animals. It is a guide that emerged from an eight-year direct experience in the Relationship Marketing industry, though it can be used for any collaborative group dynamic. It is a fun, colourful depiction that offers clarity and insight to those with a heart of service and contribution. It is a success tool to influence your team with integrity. In an industry that has received so much bad press, is it possible that there is a way to do it right? I believe there is and it is by being authentic and bringing who you are to what you do. By understanding the characteristics and stages of our diverse teams, we are better equipped to offer the right kind of support. In this book you will learn how to 'inspire' rather than 'motivate'. One comes from within and is real, the other is tedious, ineffective and atrophies fast. By accepting each other, we inspire and

build long-term relationships and great success in our businesses. In this book you will find significance in Relationship Marketing and discover why it has become the next major profession. One I believe could rebuild the middle class and bring vigour to our economy.

The Crystal Bard - Thomas K. Carpenter

An army gathers determined to destroy the Mother Tree. The Trio are planning a second, larger attack and Terran knows they will have to stop it before it reaches the walls of Gneiss Glenn. But without the help of his friends and only low level elves to muster a defense, the chances of

success are slim. The settlement's only hope is the legend of the Crystal Bard, a powerful elven warrior who uses their voice to rain destruction upon their enemies. But there hasn't been a Crystal Bard in hundreds of years, and even if Terran did have the perfect pitch required, his troubled past haunts him. As Terran and the Rock Leaf elves run out of options, he must find a way to overcome his stage fright, or the Trio and the hidden force behind them, will destroy the Mother Tree and his shot at reuniting with his friends forever. Colorfull - Sharon Smith-Akinsanya 2020-11-03

Colorfull provides a roadmap for creating a company culture that is truly inclusive, welcoming, and equitable. With actionable strategies supported by first-hand interviews with Fortune 500 CEOs and CHROs, Colorfull unlocks the secrets for creating workplaces that consistently attract, develop, and retain professionals of color. Rich in substance, candor, and reassurance, Colorfull cuts to the heart of why so many organizations struggle to make meaningful progress with DEI initiatives. Without blame or recrimination, the author articulates the unspoken

fears that prevent most leaders from seeing the results they want—and need—in order to remain competitive in an evolving market. Colorfull shows leaders how to step outside comfort zones, lead DEI from the top down, and create corporate cultures that will truly attract and retain top talent of color. Any hiring manager, CEO, or DEI manager will benefit from the insights throughout, empowering them to bring truly transformative change to their organizations. This one-of-a-kind read is packed with real world scenarios, true stories from those who've tried, failed, tried again, and are still on the journey by using the leadership strategies presented here. Colorfull pulls back the curtain in a non-threatening, engaging way that makes success with DEI both accessible and attainable.

Cabin Fever - Elizabeth Lynx 2019-03-11

Have a destination wedding, they said. The mountains are so romantic, they said. They've obviously never been a runaway bride. Olivia Love has it all. She's rich, spoiled, and about to marry the man of her dreams-until she witnesses her fiancée with someone else, sending her on a little run. Down the side of a mountain. In her wedding dress. When she finds a

cabin in the woods, her relief is short-lived at discovering it to be empty. No phone, no heat, and no way back to her perfect little life. That is until a gun-toting mountain man fills the space and sends her heart rate skyrocketing. Carter Fitzwilliam likes the simple things in life. His sheep farm, his privacy, and man's best friend are all he needs until a smart-mouthed beauty in a white dress breaks into his cabin and threatens to complicate the hell out of everything. Will these two opposites attract or push each other over the mountain?

Secrets of the Lynx - Aimee Thurlo 2012-11-27

"For P.I. Paul Grayhorse, there were no secrets--thanks to his special Navajo gift. He knew why U.S. Deputy Marshal Kendra Armstrong found him in the canyons of New Mexico. Reopening the case that ended his marshal career and killed his partner did more than haunt Paul; it put him in the crosshairs. Using Paul to flush out her fugitive was risky, but teaming with him was downright dangerous. In his arms, Kendra felt like a woman, with a woman's desires. But with his powers, could she hide her biggest secret--that she'd fallen for him? And that for the first time in her career, she was afraid...afraid to live without him if she couldn't get

her man?"--P. [4] of cover.

Renegade Kisses - Larissa Lynx 2020-04-30

"What a wonderful book! The sex is smoking hot and I was laughing out loud at some of the banter and scenes playing out in this story." -5-Star Goodreads review Tattooed bad boy Nico faces his past, his doubts, and his demons to claim the woman who stole his heart. If off-limits rich girl Alexis is champagne and hot yoga, then he's campouts and cold beer. They were perfect together—until he screwed everything up. When he learns his "Sexy Lexi" is getting married tomorrow to the wrong man, Nico crashes her wedding rehearsal. Before the night is through, he's gonna steal a kiss—and a whole lot more.
