[Fix Her Up](#) - Tessa Bailey 2019-06-11

The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker!* Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com." —*Entertainment Weekly* "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of *Meet Cute*

From Colleen Hoover, the #1 New York Times bestselling author of It Starts with Us and It Ends with Us, a heart-wrenching love story that proves attraction at first sight can be messy. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all.

Nordau to NASDAQ - Miryam Yahil 2012

So how much are we worth, in your opinion? I asked. Just in case someone, maybe you, wants to buy us tomorrow morning, how much are we worth? Rick Gardner, obviously delighting in the wine's clarity as he held it up against the light, replied, In my estimation, New Dimension is worth six hundred, maybe six hundred and twenty million dollars. Then he laughed, and emptied his glass. This exchange, which took place in a meeting in Germany, marks a turning point in the history of The New Dimension Software, one of the most successful software companies in Israel in 1999 which was subsequently sold to Texas-based BMC Software for 675 million dollars. Nordau to NASDAQ is the moving story of Roni Einav, a pioneer entrepreneur in Israeli high-tech, whose journey to success began in the modest environments of an apartment on Tel-Aviv's Nordau Boulevard. Encouraged to believe that free enterprise, determination and

perseverance are the keys to real achievement, he started to make his way. The book exposes the power struggles, moves and bold decisions that led to the extraordinary success of The New Dimension from its earliest beginnings. Mr. Einav describes his considerable experience and raises the curtain on trade secrets: How do you recognize a good idea? How do you cope with bureaucracy or inner dissent? How do you identify or create a significant share for your software products in the global market? Where can you find financing and what can you do if you are not successful in your search? The book offers an insight into how to balance family and professional life, and still achieve significant success. Mr. Einav, whose personal journey coincides with that of the State of Israel, has served his country in a weapons development unit, and participated in major new urban planning and construction in Iran of the Shah. Nordau to NASDAQ highlights the amazing talents, vision, leadership and dedication of one man, who played an integral role in the development of the Israeli high-tech industry, helping transform this small nation into a land of start-ups, with the largest number of companies traded on Wall Street after the U.S. and Canada.

Red, White & Royal Blue - Casey McQuiston 2019-05-14

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

Keeping Faith - Niki Hershey Knisley 2023-04-11

The culmination of their story points to a fairytale ending. And why shouldn't they have one after all they've been through? Gabe Scott and Faith Brooks were reunited more than a year after their relationship ended badly. In the interim, Faith had returned to her old life and was content. But there was still a part of her heart Gabe would always hold. So, when he turned up on her doorstep a transformed man, and they rekindled their relationship, she thought since they'd already been through the fire, their future looked bright. Now he's proposed and, with marriage and the reunion of their little family, they're excited to move on. But as they prepare for the wedding and seek to put their past behind them, it proves harder than expected. It seems the factors stacked against them during their engagement are following them into their

marriage and Faith's doubts are growing. Did they make a mistake? Was it too soon? Do they have too much baggage for this to work? The trust that had eroded between them the year they dated has barely had time to rebuild, and what is a relationship without trust? Keeping their faith strong and their marriage together is draining them of the passion that once bound them so tightly. And Faith begins to struggle to recognize the person she's becoming. Can they keep their faith in the Lord and each other together? Amidst this turmoil, a tragic turn of events throws them into a tailspin of doubt and threatens to strip them of both their faith and their marriage. Suddenly, they're faced with the question not of whether they'll get their

fairytale ending, but whether they'll be together in the end at all.
