Never Date Your Best Friend - Jules Barnard  
2015-04-20

I'm stuck in the friend zone with the hottest guy I've ever known. Oh, and he's my best friend. Zach pushes me away the moment sparks fly, and sparks have been flying since the day we met. For some aggravating reason, he's intentionally keeping me at a distance. The way I see it, I have two options. I can leave town and make a fresh start or I can show Zach how right we are for each other. Only one of those options has the potential to ruin the best friendship I've ever had. But I'm considering risking it all for love. A RITA-nominated, sexy, friends-to-lovers romance. Grab it now! -- EXCERPT -- "Nessa." His voice is a strangled growl. "This shouldn't be a big deal. You said you're not attracted to me," I remind him. "I didn't say that." "You said

there's nothing to worry about, and that I should make myself comfortable." "I didn't think you were gonna skinny-dip." Keywords: best friends to lovers, RITA award finalist, after college romance, friends to lovers, New Adult, unrequited love, casino romance, contemporary romance, humor, coming of age, Lake Tahoe romance, mountain romance, romantic comedy, rom-com, friends-to-lovers romance, new adult romance, steamy romance, multi-cultural romance, interracial romance, writing award finalist

tricky with Ivan when she meets Leonardo. Sparks fly with Leonardo. But he is hiding a secret. Can Gypsy be happy with either man? Secrets are living among them.

*Anchored Love* - Ryan Michele 2020-05-20

From Wall Street Journal and USA Today

Bestselling author Ryan Michele comes a brand new spicy contemporary romance series full of propositions and proposals. Stay-cation, that's my kind of vacation. Only this year, my brother isn't having it. He has this great idea that we should all take a family vacation together. Not any vacation, no, we were embarking on a week long cruise. An all expenses paid trip for us all. A vacation that has one stipulation: bring a plus one. What do I do when I find myself minus a significant other? I lie, of course. One lie led to another, and suddenly the only answer is him. Mason, the man, the myth, the legend. Okay maybe not to everyone but he certainly has taken center stage in more than one of my fantasies. This whole thing is absurd, he works

in my building. This could end so very badly for us both with the no fraternization policy. Yet, here we are sailing away. Maybe it's the alcohol, or too much sun, either way I find myself getting lost in my simple proposition. The problem is we will soon return to shore. When the anchor drops where will things settle for us both?
