How to Date Younger Men - Trina C. 2012-03-04

ABOUT THE BOOK "Older women, are beautiful lovers." So goes the song made famous by country crooner Ronnie McDowell in 1981. And he was right. For years, younger men of a certain type have always enjoyed the company of older women. The mystery, the worldliness, the experience - it's all something young men crave, and something many young women lack. The phenomenon of younger men having relationships with older women is nothing new. Silver screen legend Mae West, who coined the phrase, "Why don't you come up and see me some time?" kept a harem of young men well into her 60s. Catherine the Great, the sexually independent Russian ruler, had a string of younger lovers, and the last one was 40 years her junior. Celebrity couples with an older women in recent years have included Courtney Cox and David Arquette (7-year difference), Vivica Fox and rapper 50 Cent (11-year difference), Cher and Rob Camilletti (18-year difference), and Madonna and Brahim Zaibat (29-year difference). And, of course, there's Demi Moore who is 16 years older than her now-estranged husband, Ashton Kutcher. EXCERPT FROM THE BOOK To get a man, any man, you have to put yourself out there. To get a younger man requires a little more work because some might overlook you automatically. This isn't because you're not attractive, it's simply because most men are hardwired to look for women their own age or younger. To find him, you must seek him. Join an online dating site, whether it's one designed specifically for cougar-cub romances or one that caters to mainstream romances. Whichever site you choose, be specific in your age limits. How old is too old? And how young is too young? Use an attractive recent photo, preferably a headshot where you're smiling or otherwise look appealing. Keep it classy, though. You want him to be curious to know more about you, not about how fast he can bed you. Pick up a hobby that interests you, but one which also attracts young men. Do you enjoy skiing? Join a singles club that welcomes all ages for skiers. Any outdoor activity such as hiking, bicycling and boating often have young, male devotees. Don't start heading to NASCAR races if you really don't enjoy it, but don't skip out on something simply because it might not attract younger men. Cooking classes are often filled with young men. You'd be surprised at how many 20-something men are picking up sewing! Don't worry if the object of your desire isn't single. Strike up a conversation with him anyway. He probably has plenty of single friends!... Buy a copy to keep reading! [Post Graduate Work](#) - Claudine M. Neumann 2009

Mainstream films have been known to attend to romantic relationships from many different angles, offering the notion that even the most disparate relationship can achieve happily ever after. Employing a theory developed by Walter Fisher, the Narrative Paradigm (Fisher, 1984) and utilizing a feminist criticism framework, this study examines the representation of the Older Woman/Younger Man romantic relationship in film today. This study examines two US mainstream films: *Prime* and *How Stella Got Her Groove Back*, to show how films of older women, younger men age disparate relationships are typically unaccepted in society based on the rhetorical construction and underlying portrayal of heteronormative patriarchy. Examining the narratives in these films, it is apparent that Western culture continues to utilize hegemonic patriarchal beliefs and values as the acceptable mainstream ideology. An examination of how these films contribute to this notion will be discussed, prior research examined, and future implications explored.

One month. Zero expectations. That's the agreement. Who has time for a relationship? Not Seraphina Cook. She's too focused on keeping her son in her life and running the criminal empire she wrestled from her dead

husband's grip. Well, she would be, if she wasn't distracted by the young, cocky, and very dangerous man she blackmailed into her bed. She didn't need a bargain to get him, but Toro doesn't mind. Whatever got him close to Seraphina, he'd take. Still, their allotted time together isn't nearly long enough to prove he's more than just a conquest to be used up and discarded. Their sizzling connection is the only thing they seem to agree on and Toro has no qualms about leveraging that to get what he wants. Sera has given herself one month to indulge in-and rid herself of-the reckless attraction she feels for Toro. But when he touches her, when he looks at her, she finds herself thinking about the what-ifs. What if she took what Toro offered? What if she trusted someone else to have her back? And what if she finally allowed herself to be loved the way she deserved to be? What Love Is is an M/F standalone between an unapologetically diabolical older woman with zero fear and the younger man who finds that sh!t sexy AF. It features blackmail, forced proximity, a pansexual Trans MC, and an interracial relationship.

[How to Date a Younger Man](#) - Kendall Ryan 2020-07-21

If you accidentally bang your best friend's younger brother, here are a few important tips . . . One: Do not brag to your friend about how well-endowed her brother is. Two: Do not go back for seconds (or thirds). Three: Do not let him see your muffin top or jiggle behind. And definitely don't let him feed you cookies in bed. Cookies are bad. Remember that. Four: Act like a damn grown-up and apologize for riding him like a bull at the rodeo. And do not flirt with him when he laughs at said apology. Five: This one is crucial, so pay attention. Do not, under any circumstances, fall in love with him.

In this story the author plots a scenario of love at its best, the height of passion at its peak, pain and heartache at its worst. It's a powerful, bold and provocative, and it addresses real-life issues that can sometimes confront a relationship where age and love come face to face. It's an honest look at a situation that is definitely lived but often untold

because society seems to frown on older women who prefer a much younger companion. True love is not an easy find at any age, but for us middle-aged, seasoned women, keeping it is just as hard as finding it.

This story is one where the readers will think they know the characters personally. It gives a bittersweet emotional depth into the struggles of a relationship between a younger man and an older woman and how the power of love doesn't always conquer all.
