*More than Love* - Natasha Gregson Wagner  
2020-07-14

More Than Love is a memoir of loss, grief, and coming of age, set amid Hollywood glamour and royalty, by Natasha Gregson Wagner, the oldest daughter of Natalie Wood and her second husband Richard Gregson. Beginning with the night Natalie Wood went sailing on the family

boat with her husband Robert Wagner off the coast of Catalina and never returned, we meet the young Natasha at the age of 11, hearing the news of her mother's disappearance on the radio while having a sleepover at a friend's house. From this turning point of profound and shattering loss, Natasha stretches back to tell the story of her cosseted childhood in a warm, bustling family where her mother loved to decorate, entertain, keep ducks in the backyard, and often overprotected her daughters. An inside look at Natalie's classic movies—Miracle on 34th Street, Rebel without a Cause, Splendour in the Grass, West Side Story and Bob and Ted and Carol and Alice, among others—More Than Love also offers a riveting, first-hand portrait of what it is like to experience a Hollywood childhood, where Elia Kazan, known as Gadge, for his love of gadgets, is lounging by the pool, Ruth Gordon is your godmother, and Josh Evans, the son of Ali MacGraw, is your first boyfriend. As Natasha

steps back into the past, looking through the carefully preserved archive of her mother's letters, notes, and photographs, and comes to terms with her grief, a vivid and magnetic portrait of Natalie Wood emerges—the child star, the young actress, the teen idol, the young wife, mother and eventual hostess extraordinaire. Along the way Natasha comes to terms with her mother's legacy and her own loss: making her peace, having her own daughter, and forging a strong and independent sense of self.

**That Winter** - Pamela Gillilan 1986

Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her

first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

**Encyclopedia of Television Film Directors** - Jerry Roberts 2009-06-05

From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini-series like *Band of Brothers*, long-form television programs have been helmed by some of the most creative and accomplished names in directing.

*Encyclopedia of Television Film Directors* brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other

accolades, as well as a list of anthology programs. A much-needed reference that celebrates these often-neglected artists, *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium.

Patricia Neal - Stephen Michael Shearer  
2021-03-16

Major Motion Picture Adaptation Coming Soon  
The internationally acclaimed actress Patricia Neal (1926-2010) was a star on stage, film, and television for more than sixty years. On Broadway she appeared in such lauded productions as Lillian Hellman's *Another Part of the Forest*, winning the first Tony award. In Hollywood she starred opposite the likes of John Wayne, Paul Newman, John Garfield, and Gary Cooper in some thirty films. She is perhaps best known for her portrayal of Alma Brown in *Hud*, which earned her the 1963 Academy Award for Best Actress. But there was much more to Neal's life. She was born in Packard, Kentucky, though she spent most of her childhood in Knoxville, Tennessee. For a time, Neal became

romantically involved with Gary Cooper, her married costar in *The Fountainhead*. In 1953, Neal wed famed children's author Roald Dahl, a match that would bring her five children and thirty years of dramatic ups and downs. At the pinnacle of her screen career, Neal suffered a series of strokes which left her in a coma for twenty-one days, and *Variety* even ran a headline erroneously stating that she had died. After a difficult recovery, Neal returned to film acting, earning a second Academy Award nomination for *The Subject Was Roses* (1968). She appeared in several television movie roles in the 1970s and 1980s and won a Golden Globe for Best Actress in a Dramatic TV Movie in 1971 for *The Homecoming*. Adapted as a major motion picture (filmed as *An Unquiet Life*) starring Hugh Bonneville, Keeley Hawes, and Sam Heughan, *Patricia Neal: An Unquiet Life* is the first critical biography detailing the actress's impressive film career and remarkable personal life. Author Stephen Michael Shearer conducted

numerous interviews with Neal, her professional colleagues, and her intimate friends and was given access to the actress's personal papers. The result is an honest and comprehensive portrait of an accomplished woman who lived her life with determination and bravado.

*Eric Ravilious* - James Russell 2021

*Rock in love* - Laura Gramuglia  
2014-01-21T00:00:00+01:00

La verità è che ci sono storie d'amore che premono per essere raccontate. Alcune hanno riempito pagine e pagine di giornali, se ne conoscono turbamenti, discussioni e a volte persino i dettagli più intimi. Altre ci sono state tenute nascoste e rivelate soltanto col tempo, quando ormai era evidente che non ci fosse più nulla da difendere. Ma se c'è una cosa che tutte portano in dote, è la fascinazione che i loro interpreti esercitano sul pubblico. E il pubblico c'è sempre, con le orecchie incollate alla canzone che rivela i particolari più scottanti. Ogni storia d'amore ha la sua canzone. *Rock in love* passa al setaccio cinquanta relazioni, cinquanta rapporti con alcuni tratti comuni e altri talmente folli e unici che sarebbe stato impossibile non raccontare. Favola, romanticismo, destino, dolore, tradimento, gli

ingredienti giusti non sono mai mancati per cucinare al meglio ogni racconto. E come accade anche in un buon libro di cucina, le ricette a un certo punto devono terminare, ma fortunatamente non si esauriscono qui. Ci sarà sempre un retroscena che qualcuno chiederà di svelare, che si tratti del segreto per la riuscita di un buon soufflé o di un matrimonio perfetto. Certo, leggendo questo libro sarà facile giungere alla conclusione che il matrimonio perfetto è una chimera, ma esistono alchimie talmente bene assortite da provocare moti di invidia e repentina stizza. Se è di illusioni che abbiamo bisogno, di scenari incantati, di fotografie di tempi andati, allora ogni capitolo di questo libro è un buon passepartout. L'importante è lasciarsi contagiare e salire, magari per la prima volta, a bordo del grande carrozzone rock, dove regole (e promesse) sembrano fatte per essere infrante. Una sola indicazione per gli assuefatti all'happy end: il termine più usato in questo libro è matrimonio, la frase più ricorrente è i due

annunciano la separazione.

The Lonely City - Olivia Laing 2016-03-03  
SHORTLISTED FOR THE GORDON BURN PRIZE Chosen as 'BOOK OF THE YEAR' by Observer, Guardian, Telegraph, Irish Times, New Statesman, Times Literary Supplement, Herald When Olivia Laing moved to New York City in her mid-thirties, she found herself inhabiting loneliness on a daily basis.

Increasingly fascinated by this most shameful of experiences, she began to explore the lonely city by way of art. Moving fluidly between the works and lives of some of the city's most compelling artists, Laing conducts an electric, dazzling investigation into what it means to be alone, illuminating not only the causes of loneliness but also how it might be resisted and redeemed.

Into Every Generation a Slayer Is Born - Evan Ross Katz 2022-03-15

Explore the history and cultural impact of a groundbreaking television show adored by old and new fans alike: Buffy the Vampire Slayer.

Over the course of its seven-year run, *Buffy the Vampire Slayer* cultivated a loyal fandom and featured a strong, complex female lead, at a time when such a character was a rarity. Evan Ross Katz explores the show's cultural relevance through a book that is part oral history, part celebration, and part memoir of a personal fandom that has universal resonance still, decades later. Katz—with the help of the show's cast, creators, and crew—reveals that although *Buffy* contributed to important conversations about gender, sexuality, and feminism, it was not free of internal strife, controversy, and shortcomings. Men—both on screen and off—would taint the show's reputation as a feminist masterpiece, and changing networks, amongst other factors, would drastically alter the show's tone. Katz addresses these issues and more, including interviews with stars Sarah Michelle Gellar, Charisma Carpenter, Emma Caulfield, Amber Benson, James Marsters, Anthony Stewart Head, Seth Green, Marc

Blucas, Nicholas Brendon, Danny Strong, Tom Lenk, Bianca Lawson, Julie Benz, Clare Kramer, K. Todd Freeman, Sharon Ferguson; and writers Douglas Petrie, Jane Espenson, and Drew Z. Greenberg; as well as conversations with *Buffy* fanatics and friends of the cast including Stacey Abrams, Cynthia Erivo, Lee Pace, Claire Saffitz, Tavi Gevinson, and Selma Blair. *Into Every Generation a Slayer Is Born* engages with the very notion of fandom, and the ways a show like *Buffy* can influence not only how we see the world but how we exist within it.

*Abba: the Treasures* - Carl Magnus Palm 2014  
With their irresistible brand of pop, ABBA was the band that made dancing queens groove, the group that never met its Waterloo, the winner that took it all. They outsold and outperformed all their rivals throughout the 1970s, inspired a hit show that's run for decades, and served as the soundtrack for beloved movies. This magnificent tribute, written by the director of the ABBA Museum in Stockholm, takes an
