The Oxford Handbook of New Testament, Gender, and Sexuality - Benjamin H. Dunning 2019-10-14

Over several decades, scholarship in New Testament and early Christianity has drawn attention both to the ways in which ancient Mediterranean conceptions of embodiment, sexual difference, and desire were fundamentally different from modern ones and also to important lines of genealogical connection between the past and the present. The result is that the study of "gender" and "sexuality" in early Christianity has become an increasingly complex undertaking. This is a complexity produced not only by the intricacies of conflicting historical data, but also by historicizing approaches that query the very terms of analysis whereby we inquire into these questions in the first place. Yet at the same time, recent work on these topics has produced a rich and nuanced body of scholarly literature that has contributed substantially to our understanding of early Christian history and also proved relevant to ongoing theological and social debates. The Oxford Handbook of Gender and Sexuality in the New Testament provides a roadmap to this lively scholarly landscape, introducing both students and other scholars to the relevant problems, debates, and issues. Leading scholars in the field offer original contributions by way of synthesis, critical interrogation, and proposals for future questions, hypotheses, and research trajectories.

Sexuality in Greek and Roman Literature and Society - Marguerite Johnson 2004-08-02

This Sourcebook contains numerous original translations of ancient poetry, inscriptions and documents, all of which illuminate the multifaceted nature of sexuality in antiquity. The detailed introduction provides full social and historical context for the sources, and guides students on how to use the material most effectively. Themes such as marriage, prostitution and same-sex attraction are presented comparatively, with material from the Greek and Roman worlds shown

side by side. This approach allows readers to interpret the written records with a full awareness of the different context of these separate but related societies. Commentaries are provided throughout, focusing on vocabulary and social and historical context. This is the first major sourcebook on ancient sexuality; it will be of particular use on related courses in classics, ancient history and gender studies.

Rethinking Sexuality - David H.J. Larmour 1998

In a collection of provocative essays, historians and literary theorists assess the influence of Michel Foucault and his HISTORY OF SEXUALITY on the study of classics. The essays bring to light the nature of the intimate lives of men and women in the ancient Mediterranean world--and demonstrate the importance of the HISTORY OF SEXUALITY for other fields of study, such as women's history, modern sexuality, and more.

Greek and Roman Sexualities - Jennifer Lynn Larson 2012

"Since the publication of Foucault's History of Sexuality the volume of Classical scholarship on gender, sexuality and the body has steadily increased in tandem with the expansion of these topics in other areas of the Humanities. This volume will provide readers with a substantial selection of primary sources documenting sexualities, sexual behaviors, and perceptions of sex, sexuality, gender, and the body among people in the ancient Greco-Roman world. The coverage will begin with Homer in the eighth century BCE and will focus most heavily on Classical Greece and Rome from the Republic to the early Empire, though sources reflecting societal changes in later antiquity and a selection of Jewish and Christian readings will also be included. Authors will include Hippocrates, Plato, Aristotle, Galen, Ovid and Plutarch, with each chapter including one or two substantial 'focal' readings. The materials will include poetry, history, oratory, medical and philosophical writings, letters, and inscriptions, both public and private."--Publisher's website.

Roman Women - Eve D'Ambra 2007

Publisher description

Sanctified Sexuality - Sandra Glahn 2020-09-22

Expert biblical and practical advice for handling today's most challenging sexual issues. Although modern culture constantly changes its views on sexuality, God's design for sexuality remains the same. Bringing together twenty-five expert contributors in relevant fields of study, Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today. From a scriptural perspective and with an irenic tone, the contributors address issues such as: • The theology of the human body • Male and female in the Genesis creation accounts • Abortion • Celibacy • Sexuality in marriage • Contraception • Infertility • Cohabitation • Divorce and remarriage • Same-sex attraction • Gender dysphoria. An ideal handbook for pastors, counselors, instructors, and students, *Sanctified Sexuality* provides solid answers and prudent advice for the many questions Christians encounter on a daily basis.

Sexuality in Premodern Europe - Franz X. Eder 2023-11-02

How did sexual relationships work before, in and outside of marriage in the pre-modern era? What problems did contraception and sexually transmitted diseases pose? How did people deal with prostitution and pornography back then? What were the possibilities for same-sex and queer desire and practice? Using numerous examples and sources from across the continent, *Sexuality in Premodern Europe* shows that even in earlier centuries, sexual life had an elementary significance for the coexistence of couples and communities. It was just as decisive for how individuals saw themselves and others as it was for maintaining the social, economic and political order. Franz X. Eder interestingly emphasises the socio-historical view of sexuality, offering an apt foil for the cultural perspective which is so prevalent in the field. In this book, sexual behaviour is understood and thought about as social practice. From this vantage point, Eder deals with the function of the sexual in upbringing and socialization, its significance for the image of men and women, its role in marriage initiation, and the importance of sexual life for marital relationships and concubinage. Deviant and discriminated

sexual forms such as prostitution, pornography and same-sex acts are also addressed throughout. The book explores the ways in which many people gained sexual experiences before, besides or beyond marriage, even if these experiences were forbidden in former societies. While research into the history of sexuality has so far dealt with such forms of the sexual primarily from the point of view of regulation and sanctioning, here they are understood as 'positive' practices that allowed people to understand and take ownership of their sexual desire.

The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality - K. R. Moore 2022-08-22

This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality. It explores ancient representations of these concepts as we define them today, as well as recent perspectives that have been projected back onto antiquity. Beginning in antiquity, the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call "gender" and "sexuality" based on the evidence available to us, and chart the varied interpretations and receptions of these concepts across time to the present day. In exploring how different cultures have "received" the classical past, the volume investigates these cultures' different interpretations of Greek and Roman sexualities, and what these interpretations can reveal about their own attitudes. Through the contributions in this book, the reader gains a deeper understanding of this essential part of human existence, derived from influential sources. From ancient to modern and postmodern perspectives, from cinematic productions to TikTok videos, receptions of ancient gender and sexuality abound. This volume is of interest to students and scholars of ancient history, gender and sexuality in the ancient world, and ancient societies, as well as those working on popular culture and gender studies more broadly.

Greek and Roman Sexualities: A Sourcebook - Jennifer Larson 2012-09-06

Since the publication of Foucault's *History of Sexuality* the volume of Classical scholarship on gender, sexuality and the body has steadily increased in tandem with the expansion of these topics in other areas of

the Humanities. This volume will provide readers with a substantial selection of primary sources documenting sexualities, sexual behaviors, and perceptions of sex, sexuality, gender, and the body among people in the ancient Greco-Roman world. The coverage will begin with Homer in the eighth century BCE and will focus most heavily on Classical Greece and Rome from the Republic to the early Empire, though sources reflecting societal changes in later antiquity and a selection of Jewish and Christian readings will also be included. Authors will include Hippocrates, Plato, Aristotle, Galen, Ovid and Plutarch, with each chapter including one or two substantial 'focal' readings. The materials will include poetry, history, oratory, medical and philosophical writings, letters, and inscriptions, both public and private.

Sexualities in Roman Provinces - Sanja Vucetic 2018

A Companion to Greek and Roman Sexualities - Thomas K. Hubbard 2013-11-21

A Companion to Greek and Roman Sexualities presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world. Views the various practices and discursive contexts of sexuality systematically and holistically Discusses Greece and Rome in each chapter, with sensitivity to the continuities and differences between the two classical civilizations Addresses the classical influence on the understanding of later ages and religion Covers artistic and literary genres, various social environments of sexual conduct, and the technical disciplines of medicine, magic, physiognomy, and dream interpretation Features contributions from more than 40 top international scholars

Sexuality in Greek and Roman Society and Literature - Marguerite Johnson 2022-08-29

This second edition includes an updated review of sexuality in Greece and Rome, an expanded bibliography and numerous new passages with original translations. This book provides readers with detailed information, notes, and original translated passages on the fascinating and multi-faceted theme of ancient sexuality. The sources range from the era of Homer and Hesiod through to the Graeco-Roman world of the

Fourth Century CE and explore the diversity of approaches to sexuality and sexual expression, as well as how these issues relate to the rest of ancient society and culture. *Sexuality in Greek And Roman Society and Literature* is an invaluable resource to students and academics alike, providing a detailed series of chapters on all major facets of sexuality in ancient Greece and Rome. It will particularly appeal to those interested in sexuality and gender in antiquity, as well as ancient literature and social studies.

Greek and Roman Sexualities: A Sourcebook - Jennifer Larson 2012-09-06

Since the publication of Foucault's *History of Sexuality* the volume of Classical scholarship on gender, sexuality and the body has steadily increased in tandem with the expansion of these topics in other areas of the Humanities. This volume will provide readers with a substantial selection of primary sources documenting sexualities, sexual behaviors, and perceptions of sex, sexuality, gender, and the body among people in the ancient Greco-Roman world. The materials will include poetry, history, oratory, medical and philosophical writings, letters, and inscriptions, both public and private.

Gender and the Body in Greek and Roman Sculpture - Rosemary Barrow 2018-10-11

Offers analysis of selected works of ancient art through a critical use of cutting-edge theory from gender studies, body studies, and art history. *Sexuality in Greek and Roman Culture* - Marilyn B. Skinner 2005-02-18 *Sexuality in Greek and Roman Culture* is the first comprehensive survey of ancient Greek and Roman sexuality. Covers a wide range of subjects, including Greek pederasty and the symposium, ancient prostitution, representations of women in Greece and Rome, and the public regulation

of sexual behavior. Introduces readers to the bitter theoretical debates that have been fought about gender and sexuality in the classical world. The material is ordered chronologically. Draws parallels between ancient sexual ideology and contemporary culture. Draws on literary, artistic and archaeological sources, as well as secondary scholarly sources. Theoretically sophisticated and skillfully argued, yet accessible.

Roman Sexualities - Judith P. Hallett 2020-10-06

This collection of essays seeks to establish Roman constructions of sexuality and gender difference as a distinct area of research, complementing work already done on Greece to give a fuller picture of ancient sexuality. By applying feminist critical tools to forms of public discourse, including literature, history, law, medicine, and political oratory, the essays explore the hierarchy of power reflected so strongly in most Roman sexual relations, where noblemen acted as the penetrators and women, boys, and slaves the penetrated. In many cases, the authors show how these roles could be inverted--in ways that revealed citizens' anxieties during the days of the early Empire, when traditional power structures seemed threatened. In the essays, Jonathan Walters defines the impenetrable male body as the ideational norm; Holt Parker and Catharine Edwards treat literary and legal models of male sexual deviance; Anthony Corbeill unpacks political charges of immoral behavior at banquets, while Marilyn B. Skinner, Ellen Oliensis, and David Fredrick trace linkages between social status and the gender role of the male speaker in Roman lyric and elegy; Amy Richlin interrogates popular medical belief about the female body; Sandra R. Joshel examines the semiotics of empire underlying the historiographic portrayal of the empress Messalina; Judith P. Hallett and Pamela Gordon critique Roman caricatures of the woman-desiring woman; and Alison Keith discovers subversive allusions to the tragedy of Dido in the elegist Sulpicia's self-depiction as a woman in love.

Strong Women, Strong Men. Greek "Homosexuality"and its Context - Sven Klees 2019-06-04

Essay from the year 2017 in the subject Sociology - Gender Studies, grade: 1,3, , language: English, abstract: This paper aims to offer an

explanation for the fact that "homosexuality" as we would label it today, the sexual intercourse between two individuals of the male sex, was condoned - at least in a polis such as Athens - and even developed into some kind of social institution that carried adolescent boys over to manhood. The most difficult thing about conducting an analysis about the ancient Greek world it that is has been interpreted differently and in contradictory ways by different scholars. It is therefore easy to lose one's way as the evidence in the form of literary works and visual art (usually vases) is contradictory in itself and does not inform straightforward analysis. It will be argued that male-male sexual intercourse is a manifestation of Greek polis' societies' rigid division into a "domestic" sphere, in which the leading female figure seems to be the dominant figure and a 'public' sphere that was almost exclusively reserved for males. In other words, male-male intercourse is the public domain's equivalent of male-female intercourse in the the domestic sphere. In a second step, the idea of male-male sexual acts as an in-between stage of boyhood and manhood will be reviewed. This idea has to be accepted as long as there is no strong scientific evidence that contradicts the hypothesis. At least, some objects of visual art are likely to be proof of such a custom. Lastly, article by Lin Foxhall is analyzed and interpreted that although being less recent, offers an alternative to depicting women as generally inferior to their husband. Rather it suggests the opposite, at least with regard to the "domestic" sphere. This perspective is able to show that the two different spheres can offer an explanation of sexual activity between male and female individuals, that is husband and wife, in the "domestic"sphere, and two males in the "public" sphere.

Sexuality in Greek and Roman Society and Literature - Marguerite Johnson 2005

This Sourcebook contains numerous original translations of ancient poetry, inscriptions and documents, all of which illuminate the multifaceted nature of sexuality in antiquity. The detailed introduction provides full social and historical context for the sources, and guides students on how to use the material most effectively. Themes such as marriage, prostitution and same-sex attraction are presented

comparatively, with material from the Greek and Roman worlds shown side by side. This approach allows readers to interpret the written records with a full awareness of the different context of these separate but related societies. Commentaries are provided throughout, focusing on vocabulary and social and historical context. This is the first major sourcebook on ancient sexuality; it will be of particular use on related courses in classics, ancient history and gender studies.

Sexuality in Greek and Roman Culture - Marilyn B. Skinner
2013-08-19

This agenda-setting text has been fully revised in its second edition, with coverage extended into the Christian era. It remains the most

comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome. Covers a wide range of subjects, including Greek pederasty and the symposium, ancient prostitution, representations of women in Greece and Rome, and the public regulation of sexual behavior Expanded coverage extends to the advent of Christianity, includes added illustrations, and offers student-friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered
