Backstretch Girls - Dawn LeFevre 2019-11-03

A rebellious ponygirl. A jockey tested by tragedy. A rejected racehorse. A three million dollar race. Teagan Sullivan is a golden disappointment in the show ring. To make matters worse, her family are big deal Olympic equestrians, so she skulks off to pony Thoroughbreds at a rundown racetrack. But while she excels at equine relations, she sucks at human ones--just ask her sexy blacksmith/sleepover buddy Screaming Wolf. And if she hadn't gone and rescued that stupid jockey wannabe Anne Simmons, she

wouldn't be saddled with a new roommate, a broken down racehorse and a chance to prove herself to her family at last. Born two months premature to an anorexic mother, Anne was a longshot just to survive. Now eighteen, she arrives on the backstretch with nothing but a duffel bag and Derby dreams. But the horsemen don't trust the naïve newcomer, so she's stuck ponying horses instead of riding races. She is still chasing their respect when a near-fatal accident shatters her body--and her spirit. As Anne struggles to find the courage to ride again,

Saving Baby How One Womans Love For A Racehorse Led To Her Redemption

Teagan wrestles with her feelings for Screaming Wolf. Horse racing's richest race, the Breeder's Cup Classic, offers them both a chance at redemption. Will Teagan and Anne conquer their fears in time to claim the things that they love most?

Falling for Eli - Nancy Shulins 2012-04-24
Traces how the author, an Associated Press special correspondent who has been nominated twice for a Pulitzer Prize, endured heartbreaking infertility treatments before finding healing and wholeness through the consuming love of a cantankerous Thoroughbred. Original.

Saving Baby - Jo Anne Normile 2014-10-21
"If we see cruelty or wrong that we have the power to stop, and do nothing, we make ourselves sharers in the guilt." --Anna Sewell, author of *Black Beauty*
Jo Anne Normile was not supposed to keep the foal, an exuberant Thoroughbred with only a few white hairs on his reddish-brown forehead. But she fell in love with the young horse, who had literally been born

into her arms. The breeder finally said she could keep the colt, whom she nicknamed "Baby" - but only if she raced him. It was difficult to take Baby away from the safety of his pasture. But Normile had made a promise. Besides, horseracing had always come across as a glamorous blend of mint juleps and celebrity, of equine grace and speed. It was a vision she found appealing. And she fell hard for it, this "Sport of Kings." She experienced a thrill every time Baby sprinted around the track, edging out other horses. But the magic that enchants is a veneer. For every Seabiscuit, there are tens of thousands of racehorses whose lives end in pain and despair, with indifference and corruption that runs rampant through the world of horse racing. Normile knew none of this. Not until an accident on a poorly maintained track. That's when everything changed. That's when Normile founded the most successful horse rescue in the country, an organization that would go on to save more horses than anyone else ever had.

Saving Baby How One Woman's Love For A Racehorse Led To Her Redemption

That's when she knew she had no other choice. Saving Baby is Jo Anne Normile's story of perseverance and passion. A heartbreaking and ultimately life-affirming book, it testifies to the transcending power of hope, and the unshakeable bond of love.

A Girl and Five Brave Horses - Sonora Carver

2013-03-21

A Girl and Five Brave Horses is the story of Sonora Carver and was the basis for the movie Wild Hearts Can't be Broken. Carver answered the following want ad: Wanted: Attractive young woman who can swim and dive. Likes horses, desires to travel. See Dr. W. F. Carver, Savannah Hotel. From there she became the first woman to jump from forty and sixty feet into a pool of water with diving horses. Carver was blinded during a jump as a result of hitting the water off balance and detaching both of her retinas. Despite this she continued to jump for another eleven years. trainer, Tim Snyder, who scraped together every penny he had to purchase the broken and unwanted filly. Snyder helped the horse overcome its deficiencies, eventually naming her in part after his deceased wife, Lisa, the great and only love of his life—a bright and sweet-tempered woman whose gentle demeanor seemed eerily reflected in the horse. The trainer (and now owner) was by nature a crusty and combative sort, the yin to his wife's yang, a racetrack lifer not easily moved by new-age mysticism or sentiment. And yet in those final days back in 2003, when Lisa Snyder lay in bed, her body ravaged by cancer, she reassured her family with a weak smile. "It's okay," she'd say. "I'll see you again. I'm coming back as a horse." Tim Snyder did not then believe in reincarnation. But he acknowledged the strangeness of this journey, the series of coincidences that brought them together, and the undeniable similarities between the horse and his late wife. And so did those who knew the

couple well, and who could now only marvel at the story of the filly, Lisa's Booby Trap, and the down-on-his-luck trainer who apparently had been given a new lease on life. The Ghost Horse is a powerful horseracing story of underdogs and second chances.

The Horse God Built - Lawrence Scanlan
2010-04-01

He was the perfect horse, it was said, "the horse God built." Most of us know the legend of Secretariat, the tall, handsome chestnut racehorse whose string of honors runs long and rich: the only two-year-old ever to win Horse of the Year, in 1972; winner in 1973 of the Triple Crown, his times in all three races still unsurpassed; featured on the cover of Time, Newsweek, and Sports Illustrated; the only horse listed on ESPN's top fifty athletes of the twentieth century (ahead of Mickey Mantle). His final race at Toronto's Woodbine Racetrack is a touchstone memory for horse lovers everywhere. Yet while Secretariat will be remembered forever, one man, Eddie "Shorty" Sweat, who was pivotal to the great horse's success, has been all but forgotten---until now. In The Horse God Built, bestselling equestrian writer

Lawrence Scanlan has written a tribute to an exceptional man that is also a backroads journey to a corner of the racing world rarely visited. As a young black man growing up in South Carolina, Eddie Sweat struggled at several occupations before settling on the job he was born for---groom to North America's finest racehorses. As Secretariat's groom, loyal friend, and protector, Eddie understood the horse far better than anyone else. A wildly generous man who could read a horse with his eyes, he shared in little of the financial success or glamour of Secretariat's wins on the track, but won the heart of Big Red with his soft words and relentless devotion. In Scanlan's rich narrative, we get a groom's-eye view of the racing world and the vantage of a man who spent every possible moment with the horse he loved, yet who often basked in the horse's glory from the sidelines. More than anything else, The Horse God Built is a moving portrait of the powerful bond between human and horse.

The Man Who Listens to Horses - Monty Roberts
2008-12-30

Monty Roberts is a real-life horse whisperer—an American original whose gentle Join-Up® training method reveals the depth of communication possible between man and animal. He can take a wild, high-strung horse who has never before been handled and persuade that horse to accept a bridle, saddle, and rider in thirty minutes. His powers may seem like magic, but his amazing “horse sense” is based on a lifetime of experience. In *The Man Who Listens to Horses*, Roberts reveals his unforgettable personal story and his exceptional insight into nonverbal communication, an understanding that applies to human relationships as well. He shows that between parent and child, employee and employer, abuser and abused, there are forms of communication far stronger than the spoken word that are accessible to all who will learn to listen. This new edition features engaging

photographs, a chapter that traces Roberts’s amazing experience gentling with a mustang in the wild, and an Afterword about the remarkable impact this book has had on the world.

masterpiece."—San Francisco Chronicle Hailed by The New Yorker for its “remarkable achievements,” The Sport of Kings is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellsmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as each is driven--and haunted---by the same, enduring

question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, The Sport of Kings is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

The Last Diving Horse in America - Cynthia

Saving Baby How One Woman's Love For A Racehorse Led To Her Redemption

A. Branigan 2021-10-19

The rescue of the last diving horse in America and the inspiring story of how horse and animal rescuer were each profoundly transformed by the other—from the award-winning animal rescuer of retired racing greyhounds and author of the best-selling *Adopting the Racing Greyhound* It was the signature of Atlantic City's Steel Pier in the golden age of "America's Favorite Playground": Doc Carver's High Diving Horses. Beginning in 1929, four times a day, seven days a week, a trained horse wearing only a harness ran up a ramp, a diving girl in a bathing suit and helmet jumped onto its mighty bare back, and together they sailed forty feet through the air, plunging, to thunderous applause, into a ten-foot-deep tank of water. Decades later, after cries of animal abuse and changing times, the act was shuttered, and in May 1980, the last Atlantic City Steel Pier diving horse was placed on the auction block in Indian Mills, New Jersey. The author, who had seen the

act as a child and had been haunted by it, was now working with Cleveland Amory, the founding father of the modern animal protection movement, and she was, at the last minute, sent on a rescue mission: bidding for the horse everyone had come to buy, some for the slaughterhouse (they dropped out when the bidding exceeded his weight). The author's winning bid: \$2,600—and Gamal, gleaming-coated, majestic, commanding, was hers; she who knew almost nothing about horses was now the owner of the last diving horse in America. Cynthia Branigan tells the magical, transformative story of how horse and new owner (who is trying to sort out her own life, feeling somewhat lost herself and in need of rescuing) come to know each other, educate each other, and teach each other important lessons of living and loving. She writes of providing a new home for Gamal, a farm with plentiful fields of rich, grazing pasture; of how Gamal, at age twenty-six, blossoms in his new

Saving Baby How One Woman's Love For A Racehorse Led To Her Redemption

circumstances; and of the special bond that slowly grows and deepens between them, as Gamal tests the author and grows to trust her, and as she grows to rely upon him as friend, confidant, teacher. She writes of her search for Gamal's past: moved from barn to barn, from barrel racer to rodeo horse, and ending up on the Steel Pier; how his resilience and dignity throughout those years give deep meaning to his life; and how in understanding this, the author is freed from her own past, which had been filled with doubts and fears and darkness. Branigan writes of the history of diving horses and of how rescuing and caring for Gamal led to her saving other animals—burros, llamas, and goats—first as company for Gamal and then finding homes for them all; and, finally, saving a ten-year-old retired greyhound called King—despondent, nearly broken in spirit—who, running free in the fields with Gamal, comes back to his happy self and opens up for the author a whole new surprising but purposeful world. A captivating

tale of the power of animals and the love that can heal the heart and restore the soul.

Dream Horse - Janet Vokes 2019-04-04

The moving true story of an ordinary Welsh woman who dreamed of breeding a race horse, and Dream Alliance, who defied the odds to become a champion and brought a community together. Janet Vokes was working behind the bar in her local working men's club in the small Welsh mining community of Cefn Fforest when she fixed upon the idea of breeding a racehorse. She'd always loved animals, having dabbled in showing whippets and racing pigeons, and her husband Brian used to be a rag and bone man with a horse of his own. Why shouldn't a working-class horse take on the high flyers in the rarified world of racing? She bought a mare for £350, paired her up with a pedigree stallion and helped to create a syndicate of twenty-three friends from the village - each paying £10 a week - to raise the resulting foal, Dream Alliance. He may have grown up on an allotment

but Dream Alliance had star quality, beating all the odds to become a winner at a number of world-class racetracks. Then a terrible injury to his leg threatened not just his career but his life. Refusing to have him put down, the syndicate paid for experimental surgery and Dream Alliance went on to not only make a full recovery but win the Welsh Grand National. Funny and charming, Dream Horse by Janet Vokes is the extraordinary story of a woman who defied the snobbery of the racing world to breed a champion, and a remarkable horse who brought a community together.

Playing For The Ashes - Elizabeth George

2011-07-21

When the body of England's leading batsman, Kenneth Fleming, is discovered in the burnt-out shell of a country cottage, it looks like a clear-cut case of arson. Further investigation reveals an almost embarrassing multitude of suspects for murder: from Fleming's lover to his son, nearly everyone in contact with Fleming seems to have a motive - and an opportunity. Inspector Lynley and his partner, Barbara Havers, are called in from Scotland Yard to help the local police force. They find a torment of twisted familial relationships and broken dreams - and as he brings the murderer to justice, Lynley must bear the weight of his own conscience.
