Islam and Postcolonial Discourse - Esra Mirze Santesso 2017-01-27

Largely, though not exclusively, as a legacy of the 2001 attack on the World Trade Center, Islamic faith has become synonymous in many corners of the media and academia with violence, which many believe to be its primary mode of expression. The absence of a sophisticated recognition of the wide range of Islamic subjectivities within contemporary culture has created a void in which misinterpretations and hostilities thrive. Responding to the growing importance of religion, specifically Islam, as a cultural signifier in the formation of a postcolonial self, this multidisciplinary collection is organized around contested terms such as secularism, Islamopolitics, female identity, and Islamophobia. The overarching goal of the contributors is to facilitate a deeper understanding of the full range of experiences within Islam as well as the figure of the Muslim, thus enabling a new set of questions about religion's role in shaping postcolonial identity.

The Tolerance Trap - Suzanna Danuta Walters 2016-06-07

From Glee to gay marriage, from lesbian senators to out gay Marines, we have undoubtedly experienced a seismic shift in attitudes about gays in American politics and culture. Our reigning national story is that a new era of rainbow acceptance is at hand. But dig a bit deeper, and this seemingly brave new gay world is disappointing. For all of the undeniable changes, author Walters argues, the plea for tolerance has sabotaged the full integration of gays into American life. Same-sex marriage is unrecognized and unpopular in the vast majority of states, hate crimes proliferate, and even in the much vaunted "gay friendly" world of Hollywood and celebrity culture, precious few stars are openly gay. She maintains that we are not "almost there," but on the contrary have settled for a watered-down goal of tolerance rather than a robust claim to full civil rights. After all, one "tolerates" unpleasant realities: medicine with strong side effects, a long commute, an annoying relative. Tolerance is not the end goal, but a dead end;--From publisher description.

Roger Ebert's Movie Yearbook 2012 - Roger Ebert 2011-12-06

The only film critic to win the Pulitzer Prize, Roger Ebert collects his reviews from the last 30 months in Roger Ebert's Movie Yearbook 2012. Forbes Magazine described Ebert as the "most powerful pundit in America." In January 2011, he and his wife, Chaz, launched Ebert Presents at the Movies, a weekly public television program in the tradition that he and Gene Siskel began 35 years earlier. Since 1986, each edition of Roger Ebert's Movie Yearbook has presented full-length movie reviews, with interviews, essays, tributes, journal entries, and "Questions for the Movie Answer Man," and new entries in his popular Movie Glossary. Inside Roger Ebert's Movie Yearbook 2012, readers can expect to find every movie review Ebert has written from January 2009 to July 2011, including *The Social Network*, *Waiting for Superman*, *Inception*, *The King's Speech*, *My Dog Tulip*, *The Human Centipede*, and more. Also included in the Yearbook are: * In-depth interviews with newsmakers and celebrities, such as John Waters and Justin Timberlake. * Memorial tributes to those in the film industry who have passed away, such as Blake Edwards, Tony Curtis, and Arthur Penn. * Essays on the Oscars and reports from the Cannes and Toronto Film Festivals.

An Imperialist Love Story - Amira Jarmakani
2015-07-31

A curious figure stalks the pages of a distinct subset of mass-market romance novels, aptly called "desert romances." Animalistic yet sensitive, dark and attractive, the desert prince or sheikh emanates manliness and raw, sexual power. In the years since September 11, 2001, the sheikh character has steadily risen in popularity in romance novels, even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape. An Imperialist Love Story contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture. Combining close readings of novels, discursive analysis of blogs and forums, and interviews with authors, Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances. Focusing on issues of security, freedom, and liberal multiculturalism, she foregrounds the role that desire plays in contemporary formations of U.S. imperialism. Drawing on transnational feminist theory and cultural studies, An Imperialist Love Story offers a radical reinterpretation of the war on terror, demonstrating romance to be a powerful framework for understanding how it works, and how it perseveres.

Double Life - Alan Shayne 2013-07-30

"A fascinating, frank and page-turning memoir about the lifelong love affair of two extraordinary men" (Candace Bushnell, author of Sex and the City). The human story at the

center of this debate is told in Double Life, a dual memoir by a gay male couple in a fifty-plus year relationship. With high profiles in the entertainment, advertising, and art communities, the authors offer a virtual timeline of how gay relationships have gained acceptance in the last half-century. At the same time, they share inside stories from film, television, and media featuring the likes of Marlon Brando, Katharine Hepburn, Rock Hudson, Barbra Streisand, Laurence Olivier, Truman Capote, Bette Davis, Robert Redford, Lee Radziwill, and Frances Lear. Double Life is a trip through the entertainment world and a gay partnership in the latter half of the twentieth century. As more and more same sex couples find it possible to say "I do," the book serves as an important document of how far we've come.

Moby Dick - Herman Melville 2010-01-01

In Herman Melville's classic tale of revenge, Ishmael tells his story of becoming a whaler on the Pequod. When Ishmael and his unexpected friend Queequeg join Captain Ahab's hunt for Moby Dick, the voyage of a lifetime turns into tragedy. The adventures of sailing the seas on the hunt for the great white whale is retold in the Calico Illustrated Classics adaptation of Melville's Moby Dick. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.

Arab American Women - Michael W. Suleiman
2021-12-01

Arab American women have played an essential role in shaping their homes, their communities, and their country for centuries. Their contributions, often marginalized academically and culturally, are receiving long-overdue attention with the emerging interdisciplinary field of Arab American women's studies. The collected essays in this volume capture the history and significance of Arab American women, addressing issues of migration, transformation, and reformation as these women invented occupations, politics, philosophies, scholarship, literature, arts, and, ultimately, themselves. Arab American women brought culture and absorbed culture; they brought relationships and created relationships; they brought skills and talents and developed skills and talents. They resisted inequities, refused compliance, and challenged representation.

They engaged in politics, civil society, the arts, education, the market, and business. And they told their own stories. These histories, these genealogies, these narrations that are so much a part of the American experiment are chronicled in this volume, providing an indispensable resource for scholars and activists.

Sex and the City Plotoles - N Taylor

Philosophical Feminism and Popular Culture - Sharon Crasnow 2012-12-06

The eight essays contained in this book explore the portrayal of women, and various philosophical responses to that portrayal in contemporary post-civil rights society. They bring feminist voices to the conversation about gender and attests to the importance of feminist critique in what is sometimes claimed to be a post-feminist era.

Roger Ebert's Movie Yearbook 2005 - Roger Ebert 2004

Containing reviews written from January 2002 to mid-June 2004, including the films "Seabiscuit, The Passion of the Christ," and "Finding Nemo," the best (and the worst) films of this period undergo Ebert's trademark scrutiny. It also contains the year's interviews and essays, as well as highlights from Ebert's film festival coverage from Cannes.

White Weddings - Chrys Ingraham 2009-09-10

This is a groundbreaking study of our culture's obsession with weddings. By examining popular films, commercials, magazines, advertising, television sitcoms and even children's toys, this book shows the pervasive influence of weddings in our culture and the important role they play in maintaining the romance of heterosexuality, the myth of white supremacy and the insatiable appetite of consumer capitalism. It examines how the economics and marketing of weddings have replaced the religious and moral view of marriage. This second edition includes many

new and updated features including: full coverage of the wedding industrial complex; gay marriage and its relationship to white weddings and heterosexuality and demographics shifts as to who is marrying whom and why, nationally and internationally.

Sex and the City and Us - Jennifer Keishin Armstrong 2018-06-05

The bestselling author of Seinfeldia offers a fascinating retrospective of the iconic and award-winning television series, Sex and the City, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the New York Observer, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

A Horrible Experience of Unbearable Length - Roger Ebert 2012-03-06

More of the Pulitzer Prize-winning film critic's most scathing reviews. *A Horrible Experience of Unbearable Length* collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer. Known for his fair-minded and well-written film reviews, Roger is at his razor-sharp humorous best when skewering bad movies. Consider this opener for the one-star *Your Highness*: "Your Highness is a juvenile excrescence that feels like the work of 11-year-old boys in love with dungeons, dragons, warrior women, pot, boobs, and four-letter words. That this is the work of David Gordon Green beggars the imagination. One of its heroes wears the penis of a minotaur on a string around his neck. I hate it when that happens."

And finally, the inspiration for the title of this book, the one-star *Transformers: Revenge of the Fallen*: "Transformers: Revenge of the Fallen is a horrible experience of unbearable length, briefly punctuated by three or four amusing moments. One of these involves a doglike robot humping the leg of the heroine. If you want to save yourself the ticket price, go into the kitchen, cue up a male choir singing the music of hell, and get a kid to start banging pots and pans together. Then close your eyes and use your imagination." Roger Ebert's *I Hated, Hated, Hated This Movie and Your Movie Sucks*, which gathered some of his most scathing reviews, were bestsellers. This collection continues the tradition, reviewing not only movies that were at the bottom of the barrel, but also movies that he found underneath the barrel. Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh!
