The Kabbalah Book of Sex - Yehuda Berg 2010-09

The world is full of sex manuals instructing the reader on the ins and

outs of great sex, but these tend to focus on only one aspect; the physical mechanics. According to Kabbalah, the key to fulfilling sex lies in self-

awareness, not simply technique. The Kabbalah Book of Sex is a groundbreaking guide by acclaimed author and teacher Yehuda Berg. It offers readers kabbalistic tips for overcoming shame and lack of self-respect, as well as a way for accessing higher levels of connection to ourselves, to our partners, and to spirit. Through the ancient wisdom revealed here, the floodgates of passion and desire will open wide. Your sex will become the truly sacred connection it was always meant to be.

And when Sara launches her own investigation into Samantha's disappearance, she finds herself on the lam in the remote Arizona desert: the target of a bumbling but evil drug cartel that's convinced Sara is the key to its acquiring an illegal multi-billion-dollar windfall.

Sex and the Ultimate Bliss - Liberacion Narvios Tecson 2014-03

Even before man discovered knowledge about the universe, the tribal days have given us the answers that there is really a God, a Supreme deity that mankind cannot live without. Tribal rituals and beliefs were sexual in nature. Perhaps this is so because their own sexuality caused them so much confusion thus a great mystery to them and only a Supreme Being, they believed, could provide them the answers. We too have in our minds all sorts of questions regarding our sexuality. Why is it so compelling? Why even the old and the aged still crave for this? What has sex got to do with our final destiny which is heaven? Why even the religious people get in trouble with this? Why do we sometime say our sexual experience is "heavenly"? These and many other questions about our sexuality need to have some answers or we would be subjecting ourselves to the desires and urges of our own physical body which sometimes go beyond our control. This book attempts to find the answers to all these questions as the author chronicles her quests starting from childhood curiosity to old age. Walk with her on every page to find for yourself if these questions did indeed find the answers regarding the mysteries of our sexuality.

Mysteries of Sex - Mary P. Ryan 2009-01-06

In a sweeping synthesis of American history, Mary Ryan demonstrates how the meaning of male and female has evolved, changed, and varied over a span of 500 years and across major social and ethnic boundaries.

She traces how, at select moments in history, perceptions of sex difference were translated into complex and mutable patterns for differentiating women and men. How those distinctions were drawn and redrawn affected the course of American history more generally. Ryan recounts the construction of a modern gender regime that sharply divided male from female and created modes of exclusion and inequity. The divide between male and female blurred in the twentieth century, as women entered the public domain, massed in the labor force, and revolutionized private life. This transformation in gender history serves as a backdrop for seven chronological chapters, each of which presents a different problem in American history as a quandary of sex. Ryan's bold analysis raises the possibility that perhaps, if understood in their variety and mutability, the differences of sex might lose the sting of inequality.

The Heart and Soul of Sex - Gina Ogden 2006-07-11

Drawing on the results of her unique national sex survey—and on decades of clinical practice as a sex therapist—Gina Ogden offers a revolutionary exploration of women's sexual experience. The best sex, say thousands of women, doesn't just happen in the body. It is

multidimensional, connecting body, mind, heart, and soul. In *The Heart and Soul of Sex*, Ogden coaches readers to fully realize the physical, emotional, mental, and spiritual aspects of sex, making what she calls the "ISIS Connection." Throughout the book are firsthand stories of survey respondents, offering examples of how ordinary women—from ages eighteen to eighty-six and from many backgrounds—have found their own way to sexual expression that is deeply satisfying and even life-changing. *The Heart and Soul of Sex* takes the reader on a journey beyond the usual emphasis on performance, including practical exercises that can be done alone or with a partner. Ogden shows us that we can be much more than we've been told—not just fun and exciting but deeply healing, magical, and transformative.

[Unveiling Mysteries In Sexual Intercourse](#) - Timothy P. Ngwana
2009-01-05

Sex education, for long, has been a taboo subject in our societies. Most parents are always shy to give their children any little information they know about sexual intercourse. Many schools give that which they know but in a wrong way. Instead, they somehow condone to students indulging in sexual intercourse as an adventure. The church that could give the truth, gives it poorly. This lack of communication has given the enemy the opportunity to manipulate people through sex that leads to their doom. I say lack of communication because despite the education many have acquired so far, sexually related diseases and disasters have led and are still leading many people quickly to their graves and many married couples do not enjoy God's ordained purpose of sexual intercourse in their homes. We cannot afford to ignore this, knowing that

sex is one of the fundamental issues of life. Amongst the ten major stimulus of the body, scientifically, it has been proven that sexual drive is the greatest. Due to too many sexual disasters in our societies today, many people may ask; why is it that God created sexual intercourse? Let me tell you. Any thing created by God is for the good of man, but only becomes bad when misused. Through this book, I will attempt to wipe away indulgence in ignorance from you by unveiling God's purpose for sexual intercourse. There is a mystery about sexual intercourse that many people have not yet known. God says: my people are destroyed for lack of knowledge. Reading this book will clear that ignorance and you will not enter into sexual activities for the sake of adventure or experiment. You will also know the consequences of wrong sexual relationships and the solutions to liberate yourself if you are in such bondages. This book is a product of many years of experience and research.
