*Guilt Free From Sexual Sin* - Pierre Fenelon 2021-02-28

This book in its entirety is about a singular message: "The obedience of God's word". The characters depicted in this book are real people, and their real-life stories have helped proclaim the truth and the message of God's word more clearly throughout the pages of it. "Guilt free from sexual sins, the life of Pedro" is a message that everyone needs to hear. This message is important because of our culture's misbehavior against the norms that were established even before the creation of this world. So many things have happened when it came to romantic relationship, and so many ideas have brought changes in our culture in the last decade or so in a way we've seen love, marriage, relationships. The culture as it is, regarding its influences in the society, is reshaping the thinking of our young people, particularly against the norms established in the area of sex. However, the focus of this book, through the teaching of God's word, is in the area, in an effort to protect not only the lives of our young people against the evil trend of sexual libertine, but most importantly also to safeguard the foundation of God's word for future generations. Mr. Fenelon has been a student of the Bible all his adult life since his salvation experience. He and his family are currently residing in Florida. After publishing his first book: "Evil sexual pleasures produce a life of guilt and shame even in a world full of sexual perversions: A Biblical guide, a step in the right direction". Mr. Fenelon, besides personal endeavors, is focusing more on his writings to bring about more books relating to issues of life that have spiritual impacts in the lives of his readers. The common theme of this book is the message of God's love and he is faithfully conveying that message also with love, compassion, and confidence through the power of God the Holy Spirit. His effort to proclaim that message has been driven by the truth of these following

words: "For God so loved the world that He gave His only begotten Son, the whosoever believeth in Him should not perish, but have everlasting life" (John 3: 16).

**Tying the Knot** - Rob Green 2016-01-13

Tying the Knot by Rob Green offers soon-to-be-married couples a practical vision of Christ-centered marriage that is realistic, hopeful, and actionable. With homework to help any counselor or couple put crucial lessons into practice, Tying the Knot is a highly relevant premarital counseling book. This eight-session study guides couples through issues like conflict, expectations, communication, finances, and intimacy, showing how each can be successfully resolved with Christ at the center of the marriage. Knowing the stresses and needs of a couple in their season of engagement, Green has helpfully designed the study to require a manageable (and healthy) 60 minutes of at-home work per session, with questions and exercises to build communication and intimacy at the end of each chapter. Tying the Knot also includes an appendix for mentors, making it easy for a married couple, lay leader, or counselor to lead an engaged couple through the book. Field-tested and

recommended by multiple counselors in a thriving counseling practice, Tying the Knot has already guided many couples into a stronger and more joyful union. Let this eight-week premarital study reorient your life and marriage around Christ, so you both will experience all the blessings of marriage as God designed it.

**God Is Love, Let Love Lead** - Gwendolyn Jones 2021-11-19

God is Love... "Let Love Lead" is thought-provoking, spiritually enlightening and hopefully encouraging. While written during a time of political chaos and civil unrest, the title could have easily been no love, no justice, no peace. If the opposite of love is hate, then the absence of God can produce the same. In summary, the book embraces the all-encompassing meaning of the phrase "God is love." God Is Love will never be just another feel-good slogan despite how hearing it makes us feel good. The pages contained within demonstrate how God's love must be applied to every area of our lives, especially marriage and family, which is the foundation of our existence. God's love must be extended to our neighbor, coworker, customer, and enemy, which produces the basic concept of who God is. Mark 12:30-31 tells us to "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength, love your neighbor as yourself. There are no commandments greater than these" (NIV). When we allow God to lead, his love is manifested in everything we do, every conversation, every action, and every reaction. God's love is never based on skin color, material possessions, money, educational status, job title, physical features, fraternity or sorority, political or professional affiliation, or talent. Hate is so prevalent in the world today; only love (God) can conquer hate. A revelation of who God is and who he created humanity to be versus what it has become is crystal clear from the cover to the last chapter. Every human being is born with the capacity to both experience and extend love, but sympathy, concern, hunger for life, lusting, wanting, and needing are emotions that have always been confused with real love, which must begin with God. The ability to love like God loves comes when a spiritual relationship is established with the creator. God's love is the picture of a Shepherd's love; it commits, provides for, takes care of,

communicates to listen, seeks to understand, and never ends. The Bible assures us that "God's love bears all things, believes all things, hopes all things, endures all things" (1 Corinthians 13:7 KJV). Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God. Anyone who does not love does not know God, because God is love. In this, the love of God was made manifest among us, that God sent his only Son into the world, so that we might live through him" (1 John 4:7-9 ESV). God is love... Let Love Lead.

Unveiling Mysteries In Sexual Intercourse - Timothy P. Ngwana  
2009-01-05

Sex education, for long, has been a taboo subject in our societies. Most parents are always shy to give their children any little information they know about sexual intercourse. Many schools give that which they know but in a wrong way. Instead, they somehow condone to students indulging in sexual intercourse as an adventure. The church that could give the truth, gives it poorly. This lack of communication has given the enemy the opportunity to manipulate people through sex that leads to their doom. I say lack of communication because despite the education many have acquired so far, sexually related diseases and disasters have led and are still leading many people quickly to their graves and many married couples do not enjoy God's ordained purpose of sexual intercourse in their homes. We cannot afford to ignore this, knowing that sex is one of the fundamental issues of life. Amongst the ten major stimulus of the body, scientifically, it has been proven that sexual drive is the greatest. Due to too many sexual disasters in our societies today, many people may ask; why is it that God created sexual intercourse? Let me tell you. Any thing created by God is for the good of man, but only becomes bad when misused. Through this book, I will attempt to wipe away indulgence in ignorance from you by unveiling God's purpose for sexual intercourse. There is a mystery about sexual intercourse that many people have not yet known. God says: my people are destroyed for lack of knowledge. Reading this book will clear that ignorance and you will not enter into sexual activities for the sake of adventure or experiment. You will also know the consequences of wrong sexual

relationships and the solutions to liberate yourself if you are in such bondages. This book is a product of many years of experience and research.

*The God-Idea of the Ancients* - Eliza Gamble 2016-05-28

"Mrs. Gamble has brought together a great amount of material, drawn chiefly from Furlong's 'Rivers of Life,' Faber's 'Pagan Idolatry,' Inman's 'Ancient Faiths,' 'Isis Unveiled,' etc. For those acquainted with these works, little comment is needed; to others it may be stated that the work before us deals largely with the worship of trees, fire, water, and the phallus. The author's views regarding the 'Evolution of Woman' are fundamental to this work. Just as Mrs. Gamble believes that woman in primitive times was socially and intellectually man's superior, so she also believes that in early religion the female idea in deity was supreme. It was only when, in his selfish might, man encroached socially upon woman's domain, that the old and beautiful religion of adoration of the universal gave way." -The Dial "A valuable and exceptionally interesting book....Glorification of woman is the keynote of this new book. Never has woman been set on a loftier pedestal than she is set here, and never have more convincing proofs of her inherent nobility and title to rulership been brought forward than in this book. The prime object of it is to show how potent woman was in primeval times and how her present degenerate state is the result of male aggressiveness....In one sense this is a controversial book, and hence is likely to arouse considerable discussion." -Literary News "Mrs. Gamble's purpose has been not only to furnish a brief outline of religious growth, but to show the effect which each of the two forces, female and male, has had upon the development of our present God idea" -The Nation "Will certainly prove interesting to the student of ancient religions." -The New Cycle "The book is really a very interesting one, written in the main, very clearly and dispassionately and with a citation of authorities that shows wide reading and a good grasp upon the central purpose of the author's thesis. Whatever one may think of the conclusions, any thoughtful person may read the chapters with curiosity and profit."-Bookman Contents PREFACE. THE GOD-IDEA OF THE ANCIENTS. INTRODUCTION. CHAPTER I. Revealed: God's Only Reason to Get Married Most people can offer plenty of reasons for why they tied, or are about to tie the knot, everything from wanting to forge a life with their best friend to raising children together and sharing common values. But according to God's Word, the only reason Christians need to get married is to have frequent and reciprocal sex to overcome sexual temptation and grow in personal holiness. Here are 40 meditations from The Bible Sex Devotional web site about what the Bible says about Christian married sex. These meditations are no longer on the web site but are put into this print and eBook format for your convenience. This is a valuable resource for your Christian Marriage library. What people are saying about The Bible Sex Devotional blog and Radical Sex teaching ... When we teach marriage seminars, the number 1 request is their desire to know more about sexual intimacy. Radical Sex: God's Foundation for a Healthy Marriage by René and Gloria Vallières I am loving the truth you are sharing - some is new to me although maybe just a different way of understanding the truth - and some is a great reminder! THANK YOU! - Yancey C. Your blog is exactly what we needed for this time in our marriage. So thank you so much for putting this out there and taking a risk to teach on such a taboo subject. After reading the blog, my husband and I are craving more in depth teaching on this so we can have a marriage the way God truly intended. Thank you so much, Jacqueline E. René and Gloria,(We) have been greatly encouraged by your blog posts, can't wait to get a copy of your book. Thank you for thoughtfully addressing the topic of sex in these ways! - Sam R. You have an important mission. As a Christian sex and relationship coach it warms my heart to see ministers such as yourselves reaching out to help those in need. Be blessed. - Micki Allen, Christian Sex and Relationship Coach I enjoyed your blog post, I read multiple blogs...good work... :) love they are based off scripture!! :) - Alisha, Twitter follower I love how simple God's way is compared to the complicated human way. - Chris B. Finally, a couple courageous enough to speak the truth about sex ... Married for 48 years, René and Gloria Vallières will explain that this is God's idea--not theirs--as they share the joys and challenges couples experience when they are prepared to have sex whenever either partner wants it. They'll talk about why frequent sex is more important to a successful marriage than good communication, friendship or even who does the housework. Their new book, "Radical Sex: God's Foundation for a Healthy Marriage," is a refreshing take on married life according to God's Word. René was a pastor in The Christian and Missionary Alliance and a teaching elder at Evangelical Fellowships in New York and Utah, teaching adult classes on relationships for 35 years. Gloria has a prayer ministry and is a freelance writer.

**Why Wait** - ROSE PUBLISHING. 2001-06

Why Wait? is a best-selling abstinence education booklet for Christians. It discusses one of the biggest challenges among teens and singles: pre-marital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting. This Why Wait Pamphlet is a very basic abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of. Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View Teens and single adults ask themselves, Why Wait? Why does God care if I have sex? Everyone else is doing it. In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity." Sources for the Medical Information in this Abstinence Education Booklet All of the medical information on this pamphlet is from nationally known health organizations or researchers, such as the Centers for Disease Control, the Alan Guttmacher Institute, the National Institutes for Health, the Kaiser Family Foundations, and Johns Hopkins Medical School.

**The Female Body in Medicine and Literature** - Andrew Mangham 2013-08-15

Drawing on a range of texts from the seventeenth century to the present,

The Female Body in Medicine and Literature explores accounts of motherhood, fertility, and clinical procedures for what they have to tell us about the development of women's medicine. The essays here offer nuanced historical analyses of subjects that have received little critical attention, including the relationship between gynecology and psychology and the influence of popular art forms on so-called women's science prior to the twenty-first century. Taken together, these essays offer a wealth of insight into the medical treatment of women and will appeal to scholars in gender studies, literature, and the history of medicine.

**God, Sex, and Your Marriage** - Juli Slattery 2022-06-07

Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives

purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.
