Sex Witch - Sophie Saint Thomas 2021-02-01

"A shameless celebration of sexual freedom, Sex Witch encourages us to cultivate the potent, political

powers we all possess within our hearts and minds and between our thighs." -- Kristen J. Sollée, author of Witch Hunt, Cat Call, and Witches, Sluts, Feminists Sex Witch combines occult knowledge with tried-and-

true relationship advice to provide spells for each stage of a relationship. Self-love, seduction, sex, love, protection, revenge, and healing are all covered. The spells, such as "A Tarot Spread to Find Which Relationship Format Is Right for You," "No TERFS Allowed: Embrace Gender Identity," and "Consecrate Sex Toys" use occult knowledge and Saint Thomas's award-winning relationship writing to manifest a spell book that does something genuinely magickal: it works. Sex Witch is real. Love is not always fair.

Sometimes we get hurt or hurt others. Using the magic inside, you'll learn how to stay balanced during these ups and downs: •Break toxic cycles. •Use candle magic to summon the perfect partner. •Embrace and unleash your kinks. •Navigate relationships through rough patches. •Get over former lovers. •Practice self-forgiveness and self-kindness.

Celtic Love Knots - Kiki Howell 2008-09-01

Sexual Magic A cast circle of sexual magic; an ancestral Books of Shadows; and a sexual magic spell cast in desperation hundreds of years ago leave Caitlyn angry that her destiny may have been tampered with. Now, she needs to know if she is meant to be with Brent, a man who often doesn't understand her ways but to whom she is undeniably pulled. Tailltean Marriage Ten years ago, at their first Lughnasadh, Allena and Devyn made a pact to go through a Tailltean Marriage, a trial marriage, if they were both still unattached on Lughnasadh the year they turned twenty-eight. Even though Allena and Devyn have been best friends, sharing everything for years, once their hand-fasting ceremony is over they fear that sex will change their friendship.

The Complete Novels of the Lear Sister Trilogy - Julia London 2011-07-09

Wiccan Spells - Lisa Spell 2020-01-09

Do you want to start practicing magic spells to improve your life condition? Not sure how to begin? Then keep on reading Wiccan Spells. Wicca, despite not being restricted only to witchcraft, is still known for its ambition to work within the natural order to create change, to improve life, and to impact the Universe through magic. Wiccan Magick, however, is different to the kind of magic you have seen in movies and read about in books. Other than the addition of a 'k', the most notable difference is that the magic of real life, the kind of magic that practitioners of Wicca attempt to use, does not spark and flare, it does not explode nor does the tip of their wands or flesh of their palms sparkle with a bright white, orange, or yellow glow. Wiccan Magick is not supernatural by any means, unlike the magic you have heard of. It is entirely natural. Part of the natural order of the universe. And, it operates at a level that is difficult to perceive at times, but which can be seen all around you when you are attuned to the order within the world. All that glitters is not gold, and Wiccan Magick is barely perceptible except to those that know its ways. Within this book, we will go over some of the more important rituals as well as some of the most useful spells within Wicca, but by no means will we be covering the entire spell book. In fact, no one could because new spells are being created every day. As we discussed before, Wicca is a very personalized religion and so is the process of casting spells. The exact wordage used in this book can be adopted, but the most powerful spells are those that are created by you, with your own words. Only you know what is most powerful to you and it is by harnessing your own inner power that the Magick is able to work. There are several important tools and certain knowledge that you will need to put the spells listed below to good use. Do not worry, we'll cover it all in the book. When you are finished with this book, you will know what you have to do to get started casting these spells and taking part in these rituals... This guide will focus on the following: Tools for spells How Real Witches Cast Spells Spells for prosperity Spells for love Spells for health Spells for money and career Magic spells for love, sex and erotic feelings Spells for power Love and attraction spells Magical practices Herb and candle spell Crystal magic AND MORE!!! Even if you've never cast a spell before, you will learn to cast the most powerful one, for any purpose to be attuned to the world and to fill in your own book of shadows. Now, if you want mastering witch spells, please let me show you how. Scroll up and click the "BUY NOW" button!

African Magic for Love and Riches - Sharrif Mohamed 2014-02-05

For years Africa (including the Islamic faith) has been known to be mainly a polygamous society. In such a culture the frequent degree of a man's communal success is measured by the amount of wives he has; therefore, as a man becomes richer he usually marries more women to reflect his improved financial status. Yet a few weeks ago I saw a program on Australian TV whereby an Australian man had eight wives. Times have indeed changed. One can just picture, the scene in such a domicile, whereby, the presence of two or more woman competing for the love, attention and money of one man can become a war zone. This as you might expect creates a lot of envy, jealousy, bitterness and rivalry among the woman. In Africa, witchcraft and other forms of magic are used extensively to efficiently encapsulate the love and attention of the men involved and to cast out rivals from the marital home. Thus, one commonly finds a man with, say, three or more wives but who gives his utmost attention to the one least worthy of love, whilst completely neglecting the rest. Normally, what usually happens is the husband is magically 'forced' to either divorce the other women or to rough them up thus giving them no choice but to leave the matrimonial home on their own accord. African men on the other hand, have been able to win and have total control of the hearts of the ladies they desire so much with the aid of the magical rites and ritual described below. Apart from teaching others these potent secrets of African magick, I personally have used the magickal love rite ONCE and it worked perfectly as it did for everyone I have given them this rite. Probably you too, have someone out there that you love and desire with your whole being but feel that you are unable to have him or her because you are too shy, or consider yourself to be too ugly or too poor for that matter. Well, she or he can be yours for the taking. Yes, you can induce them to notice, love you, and to have sexual interest in you alone. And you can make this all happen from the privacy and comfort of your own house! These magickal African love rites can be used by both male and female. Believe it or not, the love and affections of the opposite sex are won in the privacy of one's room (with magick), and not battled for in the social fields like bars and ball rooms. Now you know how that unattractive woman ever won the heart and married, that dashing, rich man you thought had an eye for you first... or how on earth that man ever won the heart of that woman despite their social, financial and mental barriers - through magick of course! Soon you too will join these so called lucky influential beings that seemed to come from out of space to gain wealth, love and success beyond your wildest dreams. The magical love rites explained thoroughly in the following chapter will craftily: - Make one specific man or woman to love you...- Make an existing lover to love you more, and always be faithful to your relationship...- Make your lover who was deciding to leave, to change their mind and stay stuck to you...- Break up the love affair between your man or woman and a person who 'stole' your lover...- Kill the sexual interest your lover or spouse may have for any other person but you...- Control your lover so that they obey your orders - with the lift of your 'pinkie' and much more...For many of us when it

comes to money, either you have it or you don't. For those with plenty, probably you were born into it... and for those who don't, well, it is quite normal that you were not born with a silver spoon in your mouth. No wonder for the latter you, this book has found its way into your hands. Believe me, upon performing these money rites found in this book you will slowly but surely build up your wealth as the months go by and never ever again be out of money - meaning you will always, I repeat always have a sum of money in your possession. so download this book and fulfill all of your dreams!

Wiccan Candle Spells and Candle Magick - M.A. Hill 2015-04-11

This book is about a magical event that has been around for centuries: Candle spells. Those who practice Wicca are very serious about this simple ritual. This book is not only for those who practice Wicca but also for those curious about how to attract a desired occurrence by magic when the motive is right, the desire is pure and the belief is strong.

Aleister Crowley in America - Tobias Churton 2017-12-05

An exploration of Crowley's relationship with the United States • Details Crowley's travels, passions, literary and artistic endeavors, sex magick, and psychedelic experimentation • Investigates Crowley's undercover intelligence adventures that actively promoted U.S. involvement in WWI • Includes an abundance of previously unpublished letters and diaries Occultist, magician, poet, painter, and writer Aleister Crowley's three sojourns in America sealed both his notoriety and his lasting influence. Using previously unpublished diaries and letters, Tobias Churton traces Crowley's extensive travels through America and his quest to implant a new magical and spiritual consciousness in the United States, while working to undermine Germany's propaganda campaign to keep the United States out of World War I. Masterfully recreating turn-of-the-century America in all its startling strangeness, Churton explains how Crowley arrived in New York amid dramatic circumstances in 1900. After other travels, in 1914 Crowley returned to the U.S. and stayed for five years: turbulent years that changed him, the world, and the face of occultism forever. Diving deeply into Crowley's 5-year stay, we meet artists, writers, spies, and government agents as we uncover Crowley's complex work for British and U.S. intelligence agencies. Exploring Crowley's involvement with the birth of the Greenwich Village radical art scene, we discover his relations with writers Sinclair Lewis and Theodore Dreiser and artists John Butler Yeats, Leon Engers Kennedy, and Robert Winthrop Chanler while living and lecturing on now-vanished "Genius Row." We experience his love affairs and share Crowley's hard times in New Orleans and his return to health, magical dynamism, and the most colorful sex life in America. We examine his controversial political stunts, his role in the sinking of the passenger ship Lusitania, his making of the "Elixir of Life" in 1915, his psychedelic experimentation, his prolific literary achievements, and his run-in with Detroit Freemasonry. We also witness Crowley's influence on Scientology founder L. Ron Hubbard and rocket fuel genius Jack Parsons. We learn why J. Edgar Hoover wouldn't let Crowley back in the country and why the FBI raided Crowley's organization in LA. Offering a 20th-century history of the occult movement in the United States, Churton shows how Crowley's U.S. visits laid the groundwork for the establishment of his syncretic "religion" of Thelema and the now flourishing OTO, as well as how Crowley's final wish was to have his ashes scattered in the Hamptons.

The Witch's Coin - Christopher Penczak 2009

Along with quick-fix money spells, this timely book explores the consciousness of prosperity and how to transform poverty into abundance through magick, meditation, affirmations, and astrological timing. The Witch's Coin offers a materia magicka of the most powerful correspondences in wealth spellwork, including gods, stones, metals, herbs, and coins. Unlike most money magick books, it builds upon a foundation of real-world financial principles. Penczak also discusses offering magickal services professionally, including how and when to charge for readings and healings. Praise: "The first book of financial tips and advice that I have ever enjoyed reading. I highly recommend this book."--Judika Illes, author of *The Element Encyclopedia of 5000 Spells and Pure Magic* "A refreshing examination of the connection between money, magic, and the attitude people put toward both."--Taylor Ellwood, editor of *Manifesting Prosperity: A Wealth Magic Anthology*

The Dark Book Of Shadows - A Grimoire of Sorcery and Dark Witchcraft - S. M. Brennan 2012-09-30

The Author presents this Grimoire as an educational guide to the teachings and practices of Sorcery and Dark Witchcraft. Beginning with the History of Darkness and the basic knowledge and teachings of the Dark Ways, this volume will guide the student through the Initiations, Dedications, and practices needed to walk this magickal path. The book includes information on basic rituals, teachings, banishments, and dedications. It also includes information on sensitives and sight, working with mediums, spell casting, healing magick, earth magick, money spells, banishments, love magick, sex magick, color magick, destructive magick, and sigils. Also included in this volume is an in depth chapter on Demonology and a hierarchy listing of Dark Path Powers and Spirits which a practitioner can call upon in their workings.

Perdurabo, Revised and Expanded Edition - Richard Kaczynski 2010-08-10

A rigorously researched biography of the founder of modern magick, as well as a study of the occult, sexuality, Eastern religion, and more The name "Aleister Crowley" instantly conjures visions of diabolic

ceremonies and orgiastic indulgences—and while the sardonic Crowley would perhaps be the last to challenge such a view, he was also much more than "the Beast," as this authoritative biography shows. Perdurabo—entitled after the magical name Crowley chose when inducted into the Hermetic Order of the Golden Dawn—traces Crowley's remarkable journey from his birth as the only son of a wealthy lay preacher to his death in a boarding house as the world's foremost authority on magick. Along the way, he rebels against his conservative religious upbringing; befriends famous artists, writers, and philosophers (and becomes a poet himself); is attacked for his practice of "the black arts"; and teaches that science and magick can work together. While seeking to spread his infamous philosophy of, "Do what thou wilt shall be the whole of the Law," Crowley becomes one of the most notorious figures of his day. Based on Richard Kaczynski's twenty years of research, and including previously unpublished biographical details, Perdurabo paints a memorable portrait of the man who inspired the counterculture and influenced generations of artists, punks, wiccans, and other denizens of the demimonde.
