The Palgrave Handbook of Sexuality Education - Louisa Allen 2016-11-09

This authoritative, state-of-the-art Handbook provides an authoritative overview of issues within sexuality education, coupled with ground-breaking discussion of emerging and unconventional insights in the field. With 32 contributions from 12 countries it definitively traces the landscape of issues, theories and practices in sexuality education globally.

These rich and multidisciplinary essays are written by renowned critical sexualities studies experts and rising stars in this area and grouped under four main areas: Global Assemblages of Sexuality Education Sexualities Education in Schools Sexual Cultures, Entertainment Media and Communication Technologies Re-animating What Else Sexuality Education Research Can Do, Be and Become Importantly, this Handbook does not equate sexuality education with safer

sex education nor understand this subject as confined to school based programmes. Instead, sexuality education is understood more broadly and to occur in spaces as diverse as community settings and entertainment media, and via communication technologies. It is an essential and comprehensive reference resource for academics, students and researchers of sexuality education that both demarcates the field and stimulates critical discussion of its edges. Chapter 2 is available open access under a CC BY 4.0 license via link.springer.com.

Developing On-site Sexual Health Services in Secondary Education - Lucy Emmerson 2009-04-29

This resource pack offers both practical and strategic support to professionals seeking to set up sexual health services in educational settings

Comprehensive School Sexuality Education - L. Patricia Van Gorp 1987

Sexuality Education Strategy & Resource Guide - Marjorie B. Dahlin 1983

Sexual Subjects - L. Allen
2005-09-08

Educating young people about sex and sexuality remains one of the most controversial and political areas of the school curriculum. Drawing on young people's own understandings of their sexual selves, knowledge and practices *Sexual Subjects* considers the implications for how we conceptualize the effectiveness of sexuality education. Reshaping thinking around youthful (hetero)sexualities *Sexual Subjects* challenges current approaches to teaching about sex and sexuality.

Sexuality Education Strategy & Resource Guide - 1983

Sexuality Education - Pamela Wilson 1984

Sexuality Education - Clint E. Bruess 2004

Sexuality Education: Theory and Practice, Fourth Edition is designed to prepare future sexuality educators and administrators, as well as seasoned teachers about sexuality and also aims to clarify the false assumptions related to sexuality education.

This one-of-a-kind resource provides comprehensive coverage of information and issues related to sexuality education and the skills needed to prepare sexuality educators.

Tools for Teaching

Comprehensive Human

Sexuality Education - Dominick Splendorio 2014-03-14

A hands-on resource filled with interactive activities to engage students' thinking and skill development This book contains ready-to-use lesson plans referencing both the National Sexuality Education Standards and the National Health Education Standards, and is arranged into chapters by the seven topic areas outlined in the National Sexuality Education Standards.

Downloaded from
legacy.opendemocracy.net
on 2019-10-14 by guest

These include: anatomy and physiology, puberty and adolescent development, identity, pregnancy and reproduction, sexually transmitted infections, healthy relationships, and personal safety. These dynamic "pick and choose" lessons and activities have been field-tested in classrooms and workshops by the authors, who are recognized experts in this area. Many of the lessons contain an opening activity to immediately engage students, followed by student-centered learning experiences such as case studies, simulations, real-life scenarios, self-assessments, journals, and individual and group projects/presentations. Features lessons that incorporate the essential knowledge and skills to empower students to make healthy decisions related to their sexual health Includes performance indicators detailed what students should know and be able to do by the end of grades eight and twelve Offers supplementary web resources and assessment

projects, as well as "Home-School Connection" assignments to support family communication about sexuality *Adolescent Sexuality Education* - Jane Huxley Hopkinson 1994

Beyond the Basics - Makeda Zook 2017-10-09

Beyond the Basics offers the tools to teach young people about sexuality and sexual health from a sex positive, human rights perspective. Covering topics that range from anatomy to consent and healthy relationships, Beyond the Basics approaches sexuality education across all gender identities and sexual orientations with activities that help move students from receiving information to making decisions based on critical thinking skills and empowerment. Recognizing the time pressures educators face, Beyond the Basics is written to easily move in and out of chapters, modules, and activities that suit the particular age, maturity, and trust in each classroom. About the Publisher: Action Canada

Downloaded from
legacy.opendemocracy.net
on 2019-10-14 by guest

for Sexual Health and Rights is a progressive, pro-choice charitable organization committed to advancing and upholding sexual and reproductive health and rights in Canada and globally. A key part of Action Canada's work is advocating for the highest quality of comprehensive sexuality education, regardless of where you live.

Sexuality Education - Carol Cassell 2017-05-18
Originally published in 1989. This book describes a variety of ways to plan and implement sexuality education and provides in-depth information on resources available. Each contributor describes one aspect of the practice of sexuality education: its goals, theory, planning and development, implementation, evaluation, teacher-training, or the role of community agencies. Articles in each section offer practical and

useful guidelines for conducting sexuality education and also serve as a sound introduction to the subject. Annotated bibliographies appear at the end of each section.
