No Place Like Rome Julie Moffett 2013-11-25 Just another week in the life of geek-girl Lexi Carmichael Italy might seem like a long way to go to hide after a disastrous date. But when sexy Überhacker Slash (no, that's not his real name) asks me to go with him to Rome on an investigation, the timing is sort of perfect. My messed-up love life becomes the least of my worries, though, after the dead body, the near-kidnapping and the discovery of a top secret encrypted file that even I can't hack. With time running out, there's only one thing to do: call in the legendary Zimmerman twins and my best fluent-in-Italian friend, Basia, to crack the code. Now if only someone could help me solve the mystery of whether Slash is flirting, or if all the kissing is just one of those "when in Rome" things... A Reliable Wife Robert Goolrick 2010-01-05 Rural Wisconsin, 1909. In the bitter cold, Ralph Truitt, a successful businessman, stands alone on a train platform waiting for the woman who answered his newspaper advertisement for "a reliable wife." But when Catherine Land steps off the train from

Chicago, she's not the "simple, honest woman" that Ralph is expecting. She is both complex and devious, haunted by a terrible past and motivated by greed. Her plan is simple: she will win this man's devotion, and then, ever so slowly, she will poison him and leave Wisconsin a wealthy widow. What she has not counted on, though, is that Truitt — a passionate man with his own dark secrets — has plans of his own for his new wife. Isolated on a remote estate and imprisoned by relentless snow, the story of Ralph and Catherine unfolds in unimaginable ways. With echoes of *Wuthering Heights* and *Rebecca*, Robert Goolrick's intoxicating debut novel delivers a classic tale of suspenseful seduction, set in a world that seems to have gone temporarily off its axis.

Bible Stories for Adults James Morrow 2014-03-04 Short fiction of biblical proportions—and bent—from the science fiction satirist and author of *The Godhead Trilogy*. James Morrow, “the most provocative satiric voice in science fiction,” unabashedly delves into matters both sacred and secular in this collection of short stories buoyed by his deliciously irreverent wit (*The Washington Post*). Among the dozen selections is the Nebula Award-winning story, “The Deluge,” in which a woman of ill repute is rescued by the crew of the ark, who must deal with the consequences of their misguided act of mercy. Also included is a follow-up to the Tower of Babel fable, an unprecedented nativity, and an attempt to stand so-called creation science on its head. Nothing is spared in a collection that “deliciously skewer[s] not only Judeo-Christian mythology but other sacred cows of modern society, from capitalism to New Age spiritualism” (Booklist). “Morrow’s is a blend of parody and commentary which challenges readers to reflect upon the human spiritual condition.” —Midwest Book Review

The war is nearly over, and in the lull before the Allied troops move further north to capture Florence Tom forges a friendship with the Parini family — and in particular with the eldest daughter, Giuliana. When the war ends he chooses to stay in Italy, planning to build a life with the woman with whom he has fallen deeply in love, but in the chaotic, tragic fallout of the end of the Second World War his hopes are dashed. Fifty years later Isabel Wainwright, Tom's daughter, sets off for Petriano herself, to attend a ceremony naming a piazza in the small town in her father's honour. But Isabel isn't so much going to represent her father as to find him — for she and her mother have heard nothing of him since, nearly twenty years earlier, he went out one day and never returned. She doesn't even know whether her father is dead or alive, but hopes that by discovering something of his past, she can build a picture of the man she hardly knew.
