The Charisma Myth - Olivia Fox Cabane

2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.

Nervous to Approach and Talk to Women 1-on-1? Wipe Your Tears - The Final Solution is Here...
[Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free] If anyone had told me I'd be amazing and confident in getting women some years ago, I wouldn't believe. I have been through what you're going through. I was scared to approach and talk to the women I liked. After so much frustration, I decided enough was enough-just the same way you have finally decided and ended up here, which is the best place to discover all the things dating gurus will never tell you about approaching beautiful women the right way. In Chapter 1, WWWW, we gave a list of words that'll appear as we learn the craft of approaching a woman. We discussed the only two types of ways to woo her which are ID (Indirect opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a

seated girl (in any settings); how to woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations. In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more. Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline. MATCHED - Zac Miller

————— Need Some Help
Attracting Women on Dating Apps?

————— You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get you the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book:

————— • Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club. • Inexpensive ways to immediately improve your appearance. • The most attractive male body type females are attracted to (hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two qualities which attract partners to each other. • Tips for sending the first message, as well as a list of 80 message

openers you can immediately start using. • What is the dating app staircase? • How to easily keep quality conversations going with girls. • The #1 thing girls like to talk about which releases "feel good" chemicals in their brain. • How to ask for her Snapchat ID or phone number. • Indicators which show she is interested in you. • How to ask for the date. • And So Much More!

————— As a complimentary bonus, only for book buyers, you'll receive my special report titled Subconscious Attraction, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book.

How To Talk To Guys - Stephanie Wilson
2020-09

You finally bit the bullet and downloaded that dating app-you even connected with someone you may be interested in. Or, maybe your best friend set you up with her cousin and you just introduced yourself over text. Maybe you met your dream guy at church, and you're looking for any excuse to talk with him. Or, maybe you're about to go on a first date with a guy you just met. No matter which situation you find yourself in, you're starting something new with someone new. You're excited and nervous as you introduce yourself-things seem to be going pretty well! But then you hit a wall. The small talk is over, so what are you supposed to say next? Somehow (and you're not sure how!), you're supposed to calm your nerves enough to carry on a conversation that will tell you all of the information you need to know: Is he a good fit for you? Do you have things in common? Does he share the same faith? Is there a future for you together? Oh, and you're also trying to stand out from every other girl and be funny, smart, and attractive-all at the same time (often, via text!). "Check, please!" Friend, if this is enough to make you want to throw in the towel, know that you are so not alone. This is hard and totally daunting . . . unless you have a plan. And that's exactly what you're holding in your hands right now. In this pocket-sized dating guide, you'll find a script of conversation-starting questions that will make all of these scenarios so much easier. They'll

help you feel more prepared and less nervous as you talk to a guy you like. They'll help you stand out as you chat online, and they'll help the conversations flow on those first few dates. More than anything, they'll help you have fun. You got this, friend! You can totally do this, and this book will show you how! This guide will help you... - Confidently strike up a conversation with the cute guy at the coffee shop (instead of blushing, and avoiding his gaze at all costs!) - Start a great conversation with the guy you've

been wanting to get to know (and keep the conversation going!) - Feel more comfortable and confident (and avoid those awkward silences!) - Get to know the guy you're talking to on a deeper level (Do you have things in common? Is this your person? Do you have a future together? These questions will help you figure that out!) - Talk about your faith (and ask about his!) without feeling weird or like you're putting him on the spot. - Relax, open up. and let your personality shine! - And more!
