

The Clay Girl

The Clay Marble - Minfong Ho 1993-09

While fleeing war-torn Cambodia in 1980, 12-year-old Dara, her mother, and her older brother set up a makeshift home in a refugee settlement. When fighting erupts, Dara finds herself separated from her family.

Amber and Clay - Laura Amy Schlitz

2021-03-09

The Newbery Medal-winning author of *Good Masters! Sweet Ladies!* gives readers a virtuoso performance in verse in this profoundly original epic pitched just right for fans of poetry, history, mythology, and fantasy. Welcome to ancient Greece as only genius storyteller Laura Amy Schlitz can conjure it. In a warlike land of wind and sunlight, “ringed by a restless sea,” live

Rhaskos and Melisto, spiritual twins with little in common beyond the violent and mysterious forces that dictate their lives. A Thracian slave in a Greek household, Rhaskos is as common as clay, a stable boy worth less than a donkey, much less a horse. Wrenched from his mother at a tender age, he nurtures in secret, aided by Socrates, his passions for art and philosophy. Melisto is a spoiled aristocrat, a girl as precious as amber but willful and wild. She’ll marry and be tamed—the curse of all highborn girls—but risk her life for a season first to serve Artemis, goddess of the hunt. Bound by destiny, Melisto and Rhaskos—Amber and Clay—never meet in the flesh. By the time they do, one of them is a ghost. But the thin line between life and death is

just one boundary their unlikely friendship crosses. It takes an army of snarky gods and fearsome goddesses, slaves and masters, mothers and philosophers to help shape their story into a gorgeously distilled, symphonic tour de force. Blending verse, prose, and illustrated archeological “artifacts,” this is a tale that vividly transcends time, an indelible reminder of the power of language to illuminate the over- and underworlds of human history.

Reading Group Choices - Reading Group Choices 2008

Wild Things - Clay Carmichael 2016-11-04

A headstrong girl. A stray cat. A wild boy. A man who plays with fire. Eleven-year-old Zoë trusts no one. Her father left before she was born. At the death of her irresponsible mother, Zoë goes to live with her uncle, former surgeon and famed metal sculptor Dr. Henry Royster. She's sure Henry will fail her as everyone else has. Reclusive since his wife's death, Henry takes Zoë

to Sugar Hill, North Carolina, where he welds sculptures as stormy as his moods. Zoë and Henry have much in common: brains, fiery and creative natures, and badly broken hearts. Zoë confronts small-town prejudice with a quick temper. She warms to Henry's odd but devoted friends, meets a mysterious teenage boy living wild in the neighboring woods, and works to win the trust of a feral cat while struggling to trust in anyone herself. In this ALA Notable Children's Book and Kirkus Reviews Best Children's Book of the Year, Zoë's questing spirit leads her to uncover the wild boy's identity, lay bare a local lie, and begin to understand the true power of Henry's art. Then one decisive night, she and the boy risk everything in a reckless act of heroism.

[Red Clay Girl](#) - Emilie Spaulding 2016-06-15

Red Clay Girl is the heartbreaking, hilarious, and tenacious story of a middle child's journey from small town Georgia to New York City and beyond. When she reaches her unplanned destination, self-acceptance, you'll shout

The Floating Girls - Lo Patrick 2022-07-12

"A masterly achievement." - Publishers Weekly
STARRED review "Many readers are looking for the next *Where the Crawdads Sing*, and will find *The Floating Girls*...is a close cousin." - Augusta Chronicle
Fierce 12-year-old Kay can't ignore the problems surfacing in her troubled home—or the mysterious marsh outside. It will take all of her courage and perseverance to survive her family drama as their dark secrets come to life in the wake of a small-town murder. One hot, sticky summer in Bledsoe, Georgia, twelve-year-old Kay Whitaker stumbles across a stilt house in a neighboring marsh and upon Andy Webber, a boy about her age. He and his father have recently moved back to Georgia from California, and rumors of the suspicious drowning death of Andy's mother years earlier have chased them there and back. Kay is fascinated and enamored with Andy, and she doesn't listen when her father tells her to stay away from the Webbers.

But when Kay's sister goes missing, the mystery of Mrs. Webber's death—and Kay's parents' potential role in it—comes to light. Kay and her brothers must navigate the layers of secrets that emerge in the course of the investigation as their family, and the world as they knew it, unravels around them. At once wickedly funny and heartbreaking, perfect for fans of Kim Michele Richardson, *The Floating Girls* is a stunning southern mystery, a wonderfully atmospheric coming-of-age family drama told from the perspective of a fierce 12-year-old marsh girl—reminiscent of a modern-day Scout Finch—as she unravels the secrets that threaten her entire family. Praise for *The Floating Girls*: "A powerhouse of a Southern novel. At once a poignant coming-of-age tale, a murder mystery, and an evocative tribute to the marshlands of Georgia. Lo Patrick is a standout new Southern voice." —Andrea Bobotis, author of *The Last List of Miss Judith Kratt* "Kay is the smartest, funniest, most curious young narrator I have

come across in some time. Her voice stuck with me long after I finished reading. If I met Kay on the street, I'd beg her to be my best friend."

—Tiffany Quay Tyson, award-winning author of *The Past is Never* "A cracking story that unfolds in gorgeous prose in the stultifying heat of the American South." —Hayley Scrivenor, author of *Dirt Creek* "Fans of *Where the Crawdads Sing* will love this immersive mystery set against the salty air of Georgia's marshes. In Patrick's atmospheric prose, the water and its characters come to life." —Lindsey Rogers Cook, author of *Learning to Speak Southern?*

Clay - Melissa Harrison 2014-01-01

An intimate and captivating portrait of four people struggling with the concrete confines of city life by first-time novelist Melissa Harrison
[House of Clay](#) - Naomi Nowak 2007

For a girl whose family used to be wealthy, starting work in a sweat shop turns out to be a life altering experience. Very soon, hard work is the least of her problems - she finds herself in

the middle of a love tangle with no confidantes but a rude old card-reading lady with an eerily similar romantic past and a mute girl. The small seaside town offers nothing but a salty breeze to soothe her - or could it be that there is just a little bit of magic in the air, too? By the author of *Unholy Kinship*.

The Clay Girl - Tucker, Heather 2016-10-11

A stunning and lyrical debut novel Vincent Appleton smiles at his daughters, raises a gun, and blows off his head. For the Appleton sisters, life had unravelled many times before. This time it explodes. Eight-year-old Harriet, known to all as Ari, is dispatched to Cape Breton and her Aunt Mary, who is purported to eat little girls. But Mary and her partner, Nia, offer an unexpected refuge to Ari and her steadfast companion, Jasper, an imaginary seahorse. Yet the respite does not last, and Ari is torn from her aunts and forced back to her twisted mother and fractured sisters. Her new stepfather, Len, and his family offer hope, but as Ari grows to adore

them, she's severed violently from them too, when her mother moves in with the brutal Dick Irwin. Through the sexual revolution and drug culture of the 1960s, Ari struggles with her father's legacy and her mother's addictions, testing limits with substances that numb and men who show her kindness. Ari spins through a chaotic decade of loss and love, the devilish and divine, with wit, tenacity, and the astonishing balance unique to seahorses. The Clay Girl is a beautiful tour de force about a child sculpted by kindness, cruelty, and the extraordinary power of imagination, and her families, the one she's born in to and the one she creates.

The Clay Girl - Heather Tucker 2016

Follows one woman from her tumultuous childhood through the 1960's sexual revolution and drug culture.

Clay - David Almond 2014-02-06

With fascination, Davie and his friend Geordie watch the arrival of a new boy, Stephen Rose, in their town. He seems to have come from

nowhere, and when he arrives to live with his distant aunt, the local Crazy Mary, no one envies his new home. But perhaps he's the answer to Davie and Geordie's prayers - a secret weapon in their war against monstrous Mouldy and his gang. Intrigued, Davie and Geordie befriend Stephen. But they are heading innocently down a path that brings with it a monster of an entirely unexpected nature. Their encounter with the mysterious Stephen is as incredible as it is menacing, and as the true story of Stephen's past slowly emerges, Davie's life is changed for ever... A stunning novel from the author of the modern children's classic Skellig - winner of the Carnegie Medal and the Whitbread Children's Book Award. David Almond is also winner of the 2010 Hans Christian Andersen award.

Broken - Daniel Clay 2009-03-20

You thought your neighbours were bad? Wait till you meet the Oswalds. They're crass, cruel and seemingly untouchable. Until, that is, they go one step too far - and the results begin to tear

an entire community apart.

Planet of Clay - Samar Yazbek 2021-09-07

"Brave, rebellious and passionate ... Yazbek is no ordinary Syrian dissident." --Financial Times

"The Syrian writer Samar Yazbek evokes the horror of civil war with gripping lucidity." --Le Monde Rima, a young girl from Damascus, longs to walk, to be free to follow the will of her feet, but instead is perpetually constrained. Rima finds refuge in a fantasy world full of colored crayons, secret planets, and The Little Prince, reciting passages of the Qur'an like a mantra as everything and everyone around her is blown to bits. Since Rima hardly ever speaks, people think she's crazy, but she is no fool--the madness is in the battered city around her. One day while taking a bus through Damascus, a soldier opens fire and her mother is killed. Rima, wounded, is taken to a military hospital before her brother leads her to the besieged area of Ghouta--where, between bombings, she writes her story. In *Planet of Clay*, Samar Yazbek offers a surreal

depiction of the horrors taking place in Syria, in vivid and poetic language and with a sharp eye for detail and beauty.

Lightning Girl - Alesha Dixon 2018-04-05

10-year-old Aurora Beam discovers that she's the latest in a long line of girl super heroes in her family - able to shoot beams of light from her fingers! She can't even do a cartwheel properly - HOW CAN SHE BE A SUPERHERO? Will she be able to balance her new skills training with school? Will she be able to keep it all a secret from her friends?

Bridge of Clay - Markus Zusak 2018-10-09

From the author of the no.1 New York Times bestselling novel *The Book Thief*. "An amazing talent in Australian literature" Sunday Telegraph The Dunbar boys bring each other up in a house run by their own rules. A family of ramshackle tragedy - their mother is dead, their father has fled - they love and fight, and learn to reckon with the adult world. It is Clay, the quiet one, who will build a bridge; for his family, for his

past, for his sins. He builds a bridge to transcend humanness. To survive. A miracle and nothing less. WINNER INDIE BOOK AWARD FOR FICTION 2019 SHORTLISTED FOR THE ABIA BOOK OF THE YEAR 2019 LONGLISTED FOR THE DUBLIN LITERARY AWARD 2020 PRAISE FOR BRIDGE OF CLAY "I am pleased to recommend...Markus Zusak's extraordinary novel Bridge of Clay, which I suspect I'll reread many times. It's a sprawling, challenging, and endlessly rewarding book. But it also has the raw and real and unironized emotion that courses through all of Zusak's books. I'm in awe of him." John Green, author of The Fault in Our Stars and Looking for Alaska "Exquisitely written multigenerational family saga...With left and historical scope, Zusak creates a sensitively rendered tale of loss, grief, and guilt's manifestations." Publishers Weekly "An evocative, compassionate and exquisitely composed coming-of-age story about family, love, tragedy and forgiveness. Zusak's prose is

distinct: astute, witty, exquisitely rhythmic, and utterly engrossing." Australian Books+Publishing Magazine "Zusak is a writer of extraordinary empathy and he excels in his understanding of adolescent boys...in his portrayal of the gently traumatised Clay he has created a memorable character to savour... in Bridge of Clay, as earlier in The Book Thief, Zusak has succeeded in creating a story so vibrant and so real that the reader feels enveloped by it." The Australian "This vast novel is a feast of language and irony. It is such a compassionate book that it is hard not to fall a bit in love with it yourself. Bridge of Clay shares with Zusak's The Book Thief an underlying sense of the possibility of joy and human dignity even in dehumanising situations." Sydney Morning Herald "A complex, big-hearted, multi-generational Australian epic, highly evocative and rich in idiom that sprawls across 580 pages, much in the manner of Colleen McCullough, or Tim Winton's Cloudstreet." Good Weekend

Magazine "In 2005, the Australian writer dazzled readers and secured a perch on bestseller lists with *The Book Thief* ...this book too is a stunner. Devastating, demanding and deeply moving, *Bridge of Clay* unspools like a kind of magic act in reverse, with feats of narrative legerdemain concealed by misdirection that all make sense only when the elements of the trick are finally laid out. In words that seem to ache with emotion, or perhaps, more aptly, with the suppression of it, Mr. Zusak moves us in and out of time. Grief and sacrifice lie at the heart of things, and we can feel it through Mr. Zusak's writing even before we understand the story's real contours." Wall Street Journal "What truly stands out about *Bridge of Clay* is the intensity of the prose - the potency of the heartbreak. The depth of grief and loss is so palpable you can all but feel the blood, sweat, and tears that went into crafting the story." Entertainment Weekly "As with *The Book Thief*, much of the appeal of the novel lies in Zusak's heartfelt love for his

characters and for language. The book sings in short musical sentences like poetry, and words stop you in your tracks." Herald Sun

The Clay Woman - Xoe Hall 2018

Tane Mahuta created the many wonders of nature that surround us today, but human life eludes him. As he sculpts the form of a woman from the sacred red earth of Papatuanuku, Tane Mahuta can't begin to imagine what he is about to discover and all the beauty it beholds.

Cracked Pots - Heather Tucker 2021-10

A moving novel about the resilience of Ari Appleton who struggles to grow past the trauma of her upbringing while unraveling the mystery of a missing friend. With wit, tenacity, and meddling from Jasper -- the seahorse in her head -- she rides waves of calamity and creation, abandonment and atonement on a journey to find herself.

Getting the Girl - Markus Zusak 2013-05-28

In the final novel of the acclaimed Wolfe Brothers Trilogy, Cameron Wolfe goes looking for love as he attempts to escape his brother's shadow. Cameron Wolfe is a loser. He knows it. He's the quiet one, not a soccer star like his brother Steve or a charming fighter with a new girl every week like his brother Rube. Cam would give anything to be near one of those girls, to love her and treat her right. He especially likes Rube's latest, Octavia, with her brilliant ideas and bright green eyes. But what woman like that would want a loser like him? Maybe Octavia would, Cam discovers. Maybe he has talents and passions just waiting to be discovered. And those maybes are about to change everything: winning, loving, losing, the Wolfe brothers, and Cameron himself.
