The Girl Who Couldn't Smile Shane Dunphy 2012-02-02 When Shane Dunphy starts work at Little Scamps crèche, he has no idea what he has let himself in for. He had not worked in an early years setting for many years and on arriving for his first day he found that two members of staff, Susan and Tush, are at the end of their tether and on the verge of resigning. The children themselves are completely out of control. At the centre of this chaos Shane finds Tammy, a pretty, doll-like five-year-old who is a mystery to everyone: she does not talk, or even smile, yet shows signs of remarkable intelligence. Through the course of the year, Shane attempts to bring order to this motley group and we learn the stories of some of the other children in the crèche: Milandra, an angry, violent four year old, the daughter of a Nigerian father and Irish mother; Rufus, a gypsy child who is direly neglected; Julie, a tiny, painfully shy little girl with Down's Syndrome. How is Shane ever to find a way to communicate with and ultimately befriend such diverse and challenging personalities? Then one afternoon, Gus, the class tear away, receives the gift of a blue crayon - a crayon he claims is magic. And Shane begins to wonder if this magic could be the answer to all his problems ... Shane Dunphy's moving portrait of a year at Little Scamps is a testament to the redemptive power of love and nurturing, of finding oneself through the care of others, as well as finding the secret of a girl who couldn't smile.

**Behind Her Smile** J A Andrews 2021-11-16 As part of her recovery from a devastating car accident, Grace Thomas embarks on a surprise cruise booked by her husband, Cameron. The accident still haunts Grace and she is a little anxious to be leaving her family, but excited to fulfil what has been a life-long dream of hers - cruising around the Mediterranean with some girlfriends - even if her husband's secretary, Chantelle is tagging along for the trip. Maybe this is a chance to start a fresh with this woman. But Chantelle appears to be everywhere Grace turns, and her instincts can't all be wrong. Something is off. Not only does Chantelle resemble Grace, it soon becomes clear that she is desperate for Cameron's attention, but at what lengths would she go to get it? Were Cameron's motives for sending Grace away on this cruise as admirable as she first thought and is her husband's relationship with the ever-present Chantelle as platonic as he claims? Grace's journey of self-discovery suddenly begins to feel rather sinister. Her friends are distant, Chantelle is incessantly playing with her mind, and Grace feels more lost and alone than ever. Then, she discovers that her husband has told the children she's died. Grace's world is shattered. Everything she knows has been a lie and the truth has devastating consequences for everyone... The Burning Girl Claire Messud 2017-08-31 A bracing and hypnotic portrait of the complexities of female friendship from the New York Times bestselling author of *The Woman Upstairs*. Julia Robinson and Cassie Burnes have been friends since nursery school. They have shared everything, including their desire to escape the stifling limitations of their birthplace, the quiet town of Royston, Massachusetts. But as the two girls enter adolescence, their paths diverge: while Julia comes from a stable, happy, middle-class family, Cassie never knew her father, who died when she was an infant, and has an increasingly tempestuous relationship with her single mother, Bev. When Bev becomes involved with the mysterious Anders Shute, Cassie feels cruelly abandoned. Disturbed, angry and desperate for answers, she sets out on a journey that will put her own life in danger, and shatter her oldest friendship. Compact, compelling, and ferociously sad, *The Burning Girl* is at once a story about childhood, friendship and community, and a complex examination of the stories we tell ourselves about childhood and friendship. Claire Messud brilliantly mixes folklore and Bildungsroman, exploring the ways in which our made-up stories, and their consequences, become real.

Him and Stealing His Girlfriend Holly Liddell has been stuck with crimped hair since 1987 when she agreed to let her boyfriend, Elton, turn her into a vampire. But when he ditches her at a gas station a few decades into their eternity together, she realizes that being young forever actually means working graveyard shifts at Taco Bell, sleeping in seedy motels, and being supernaturally compelled to follow your ex from town to town—at least until Holly meets Elton's other exes. It seems that Holly isn't the only girl Elton seduced into this wretched existence. He turned Ida in 1921, then Rose in 1954, and he abandoned them both before Holly was even born. And once Holly starts falling for Elton's vulnerable new conquest, Parker, she'll do anything to save her. To kill Elton for good, Holly and her friends will have to dig up their pasts, rob a bank, and reconcile with the people they've hurt in their search for eternal love. sitcom Miranda, comes Miranda Hart's heart-warming and hilarious account of life with her beloved dog Peggy, a gorgeous white bichon frise. 'Hilariously funny and often moving memoir ... we loved every word \*\*\*\*' Heat 'Open, honest ... her misadventures are hilariously described ... charming and funny' Daily Express \*\*\*\*\* Hello dear book browser and welcome to Peggy & Me, the story of my life since getting a beautiful Shih-Tzu Bichon Frise cross puppy (I call the breed a Shitty Frise - fun) in the form of Peggy. Some of you may be thinking: "a book about a dog, how totally brilliant, I need hear no more, I'm sold." In which case we should be best friends and go out to tea together, every day. Others of you may be thinking: "a book about a dog, how totally mad, she must have officially lost it." In which case I completely understand. For I once viewed dog owners with much suspicion. The way they obsessively talk about their dogs often using voices for them to reply; the way they have a light covering of dog hair all over their clothes and sofas; and worse, an alarming comfort and ease around excrement. But I now get why people become so mad about their hounds. It wasn't instant love I have to admit. Getting a puppy when I was at a low ebb in my life wasn't easy - there was a lot of challenging, what I call, dog administration (dog-min), and the humiliating first trip to the vet still haunts me. It's been a bumpy old road, but Peggy has been lovingly by my side through some life-changing moments and I wouldn't have coped without her. Most surprisingly she has taught me a huge amount - not how to get an old pie packet out of a bin and lick it (I could already do that), but real lessons about life and love and trust and friendship. Put aside any doggy reservations and come walkies with Peggy and me ...

SUNDAY EXPRESS Well hello to you dear browser. Now I have your attention it would be rude if I didn't tell you a little about my literary feast. So, here is the thing: is it just me or does anyone else find that adulthood offers no refuge from the unexpected horrors, peculiar lack of physical coordination and sometimes unexplained nudity, that accompanied childhood and adolescence? Does everybody struggle with the hazards that accompany, say, sitting elegantly on a bar stool; using chopsticks; pretending to understand the bank crisis; pedicures - surely it's plain wrong for a stranger to fondle your feet? Or is it just me? I am proud to say I have a wealth of awkward experiences - from school days to life as an office temp - and here I offer my 18-year-old self (and I hope you too dear reader) some much needed caution and guidance on how to navigate life's rocky path. Because frankly where is the manual? The much needed manual to life. Well, fret not, for this is my attempt at one and let's call it, because it's fun, a Miran-ual. I thank you.

**Girl Behind the Smile** Natalie Parrish 2020-10-23 In the garden, in the dew of the morning, when my sister and I grew tired of working, we'd lay in the cool, black dirt, our pillows the bellies of stray dogs our Mema had taken in. We'd whisper sweetly to them as they lay there with us, "I love you-you don't hurt, like people do." Butterflies filled the garden. "Mema, look!" I'd shout. "They are coming to me!" "Baby, it's the spirit you carry within you..." She'd respond, "They sense it." I would get caught up in the moment, jump up to fly, imitating the butterflies, wanting them to land on my hand. I can feel that moment now, when time slows down, a moment you will remember forever—watching butterflies' wings flutter in slow motion, vibrant, delicate, with intricate patterned colors, and longing to be like them; to fly with freedom and grace. I watched as they descended down, as if to connect, and in some way say, "Hello."
