 'Wise and kind' - Sali Hughes 'Every young teen needs this book' - Nadia Sawalha 'Brilliant, accessible, sensitive and funny' - Emily Maitlis 'Funny, kind and wise' - Daisy Buchanan Going through puberty? Thinking about puberty? Worried about growing up? This book is for you! Puberty isn't just about what's going on in your body, but also your brain, your emotions and the world around you. Knowledge is power! All the information you need is here, plus advice, wisdom and lots of questions from girls like you: - Body-basics (like breasts, spots and periods) - Life's big mysteries. Is how you look important? Is a crush ever wrong? Is it bad to be jealous of your friends? - Clear, empowering info on emotions, sex, sexuality and gender - Staying safe and having fun online - Plenty of space for your own notes and doodles
A Girl's Guide to Puberty & Periods - Marni Sommer 2021-12
 A Girl's Guide to Puberty and Periods is a body-positive illustrated book that helps girls, ages 9-14, understand what to expect about puberty and everything that goes with it. The book shares "my first period" stories from girls across the U.S. of all backgrounds to help your child understand that everything they are going through is okay and normal. Parents will appreciate that the book also incorporates factual health content and practical tips developed by health experts at Columbia University. The goal is to empower girls to feel more confident and knowledgeable about their changing bodies.
The Period Comic - Florence Igboayaka 2019-11-30
 Puberty comes with a lot of changes. The Period Comic (An Illustrated book) will help girls understand and learn about such changes in their bodies in a fun, easy and intriguing way as they continue to grow, whilst building their self-confidence. For many girls, puberty can be an uncertain time. The Period Comic includes everything girls need to know about growing breasts, acne or pimples, their periods, hair in private areas, feelings, nutrition, managing period cramps, preparing for your first period, period poverty, and so much more. This book has practical steps to guide them as they learn about the amazing changes happening in their bodies during puberty and beyond! Among puberty and period books for girls, The Period Comic offers encouraging support while answering real questions that girls have about puberty. Positive, judgment-free, and medically accurate, this book discusses puberty in a way that young girls can relate to. The book was medically reviewed by an experienced gynecologist. The Period Comic is a thrilling and engaging story of three friends on an intriguing weekend of discovery, where they discover and learn about their bodies, puberty and periods. It is fun filled and easy for young girls to relate to. Though, they are from diverse cultural backgrounds, one thing they share in common is the changes happening in their bodies as they grow. The Period Comic offers vital insight such as: -Easy to understand and relatable- The Period Comic explains periods (menstruation) in a practical and easy way that young girls can relate with. It is fun filled, the comic eases the anxiety and numerous questions about periods. The story involves practical tips and has been illustrated using beautiful characters with great personalities. -An overview of puberty that explains what happens, when it happens, and how she'll know- Explanations of changes in body, mood etc. Also, how to confidently approach these changes that occur in puberty - Medically Accurate: reviewed by an experienced gynecologist. -Practical tips and advice for navigating different situations during puberty—from understanding growth spurts to managing periods and menstrual

hygiene -Leave girls feeling informed, empowered, and ready for the changes that lie ahead.-Properly researched: Information in this book was informed by intensive research and experience garnered over the years of working with young girls and women in different communities and documentary of their experiences regarding periods. **REVIEWSWow!!** The Period Comic is amazing. It is so easy to understand. I can identify with some of the things described in the book. I particularly love the fact that is in a comic format. I love the characters in the book. I have told my friends about the book and they can't wait to get their copies. A 11 years (United Kingdom) I could not drop The Period Comic once I started reading it. It is interesting and engaging. I love it! Thank you for letting me read this. It is so much fun and easy to understand. I can totally relate with the illustrations. **Dee 13 years (UK)** This book is so amazing. It is just incredible. The book was supposed to help my daughter, but I read it as well and I am just blown away. I have learnt some things and it sure makes explaining periods to my girl so easy. Thank you. **Mrs O (UK)**
You! A Christian Girl's Guide to Growing Up - Nancy N. Rue 2016-05-10

Written in consultation with preteen boys, this guide offers a supportive, practical approach, providing clear and sensitive answers to common issues--from what physical changes you might experience, to what puberty is like for girls, to how to handle the sexual feelings you may be starting to experience. This revised edition features new sections on: - body image - sexual harassment and consent - using social media safely Complete with funny and informative interior illustrations, *What's Going on Down There?* will give boys the facts they need to feel confident about this new phase of their lives.

The Autism-Friendly Guide to Periods - Robyn Steward 2019-04-18
Written by autistic author Robyn Steward, this is a detailed guide for young people aged 9 to 16 on the basics of menstruation. Created in consultation with young people, an online survey and a group of medical professionals, this is a book that teaches all people about periods, which can be a scary and overwhelming issue. Promoting the fact that everyone either has periods or knows someone who does, the book reduces the anxiety girls face in asking for help. It offers direct advice on what periods look and feel like and how to manage hygiene and pain. It also breaks up information using flaps and step-by-step photos of how to change pads and tampons, it discusses alternatives to tampons and pads, and gives information about possible sensory issues for people with autism.

The Girls' Guide to Growing Up - Anita Naik 2017-07-13

A friendly, reassuring and positive guide for girls as they approach puberty, explaining the changes that will happen to their bodies as they grow up and how these changes might make them feel. Covering everything from periods and breast development to body hair and personal hygiene, puberty and parenting expert Anita Naik addresses any worries that girls may have relating to what is 'normal'. She reassures readers and boosts their confidence, encouraging them to feel positive about the changes they will experience as they go through puberty. The book also includes lifestyle advice on topics like healthy eating and exercise, and information on how puberty affects boys. Topics covered: What is puberty? Your puberty timeline Breasts and bras Same age, different stage Skin changes Sweat, smells and personal hygiene Hair in new places Down there What are periods? The practical side of periods Coping with periods Sex explained Making babies New feelings Managing your moods Healthy eating The power of exercise Self-esteem and body image Privacy and your body Puberty for boys Boys have worries, too

The Period Book - Karen Gravelle 2006-06-01

The essential guidebook for every girl. The Period Book is a reassuring must-read for every girl about to have her period, and every parent wishing to prepare a daughter for this important milestone. With more than 300,000 copies sold, The Period Book stands out from the pack by specifically addressing younger girls. And with eleven now the average age at which girls get their period, this supportive and practical approach, providing clear and sensitive answers to common questions, is even more welcome today. The revised edition includes a new introduction for parents and an additional chapter about body image.

The Period Book - Karen Gravelle 2017-06-20

This bestselling, essential illustrated guidebook for adolescent girls is a trusty friend that can help girls feel confident about this new phase of their lives. What is my period exactly? Do I need to see a doctor? What

does it feel like to wear a pad? What if I get my period at school? Karen Gravelle and her fifteen-year-old niece, Jennifer Gravelle, have written a down-to-earth and practical book that answers any questions you might have about your period, from what it is and what it feels like, to how to choose pads and tampons, to how to talk to your parents about it. The Period Book will help guide you through all the physical, emotional, and social changes that come with your period, as well as related issues like dealing with pimples, mood swings, and new expectations from friends and family. Debbie Palen's funny and sympathetic cartoons ease the confusion and exasperation you might feel, and celebrate the new sense of power and maturity that your period can bring.

A Girl's Guide to Growing Up - Anita Ganeri 2020-11-19

A simple and reassuring introduction to periods and body changes for young girls aged 7 and up. This easy-to-understand, straightforward book gives clear advice for young readers who want to understand more about the changes in their body that happen during puberty. The clear, friendly approach explains what puberty is, what changes might happen from getting hairy to growing breasts, as well as explaining all about periods. The book answers the many questions girls might have about periods, such as: how long do periods last; what are period pains; how do I use sanitary products? The book focuses purely on the changes happening to a girl's body during puberty with no mention of sex, which some younger children aren't ready to learn about. There is sensible advice about healthy eating, exercise and keeping clean, as well as how to tackle any emotional ups and downs and tips for boosting self-esteem. Questions and answers throughout will help dispel any myths and give gentle advice. Suitable for all ages, and in particular for any young girls experiencing early puberty.

What's Happening to Me? - Susan Meredith 2013-05-15

Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Look no further: the What's Happening to Me? Books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well.Susan Meredith answers the questions young girls want to ask but might feel afraid to. It's all there: getting measured up for a bra, periods, using towels and tampons, feeling, diet, health and hygiene and there is also a section on what happens to boys.The text is informal, chatty, full of useful facts and packed with considerate advice and support. A book like that wouldn't work as well without graphics and diagrams, and the illustrations are colourful and engaging as well as informative." - John Dabell, TES Magazine
