The Harvey Girls - Marion White 1945

Far from Home - Lesley Poling-Kempes 1994

In the early 1880s when conventional wisdom decreed that working women were socially inferior and morally suspect, an English gentleman brought the first of thousands of young women to the American West to work in restaurants along the Santa Fe Railroad line. Preferring the term Harvey Girl to waitress, Fred Harvey recruited single women between the ages of eighteen and thirty to work ten-hour days serving four-course meals in under thirty minutes at Harvey Houses from Kansas to California. Harvey Girls usually lived above the Harvey Houses and were chaperoned by a house

mother. Their uniforms were modest, makeup and jewelry were forbidden, and each Harvey Girl signed a year-long contract. In exchange for these stringent rules, a Harvey Girl enjoyed room and board, railroad passes, and job security. In the seventy-year history of the Harvey Houses, more than one hundred thousand women proudly wore the black-and-white uniform of the Harvey Girls. Far from Home is the first of two volumes of paper dolls that feature the authentic uniforms and fashions of the day worn by the Harvey Girls. The text is presented as journal entries, and the historic fashions are based on the holdings of the Arizona State Capitol Museum. Step back in time with Mayetta and Christine as they leave their

childhood homes and begin new adventures as Harvey Girls in the 1890s: July 1893: What a flurry of activity and excitement today! Fred Harvey himself came to Las Vegas. He climbed off the train and onto the platform and right into the lunchroom. Everyone knew who he was immediately and scurried to make our service extra good. He spoke with all the girls (even me!) and told us we were doing a fine job. The only complaint I heard was about the orange juice in the cooler. He poured it down the drain and told the cook it had to be freshly squeezed for every meal. For more in the paper doll history of the Harvey Girls, see *The Golden Era: West by Rail with the Harvey Girls*.

Harvey Girls Kit - Katherine St. Clair

2018-06-02

It's 1895 in North Carolina, and in some way, Kit Pidgeon is a girl like any other from Fish Town. She's had a bit of schooling, and now she works at the local cannery. Her friend Letty dreams of marriage and a family of her own. Kit could

choose that life, but she wants more. But it's 1895 in North Carolina, and her options are limited. In the newspaper, she sees an advertisement calling for young women to go and work for the Harvey Company - a growing chain of restaurants - that serves hungry railway passengers traveling to the untamed west. But the interview is miles away in Raleigh...does she dare? Will she leave her family and the life she knows, and risk everything for independence and adventure? Yes, she will! But it's not easy. Leaving home is only the first of many challenges for Kit, from facing her own doubts to proving herself, and standing up to the judgment of others - including her closest new friend. With hard work and an instinctive knowledge of how to bring out the best in others, Kit progresses in her career, until she gets a message from home. Racing back across the country to the bedside of a loved one, Kit begins to question what will make her happy. When it looks like love will be a better choice, Kit is tempted to leave her life out

west behind. Are fate, friendship, determination, and good advice enough to keep Kit on the right path? Can she have a successful career, and also the love and respect of a good man? Is there a man out there who is strong enough to value her, and give her wild heart a home? Read on to learn Kit's fate, and discover the famous Harvey Girls, whose hard work and courage helped build a restaurant empire like no other. Scroll back up and order your copy today!

The Golden Era, 1922-1927 - Lesley Poling-Kempes 1997

Book two in the paper doll history of Harvey Girl costume and custom, *The Golden Era* portrays the Fred Harvey Company dynasty at its peak. The settings of this volume culminate at the splendid El Tovar of the Grand Canyon in the mid-1920s. The story introduces characters Marianne Brown, a Harvey Girl from Waynoka, Oklahoma; Johanna Becker, an Indian Detours Guide; Christopher Schurig, a Harvey chef; and James Reid, an Indian Detours driver, through

Marianne's journal from 1922 to 1927. The full-color costumes and Marianne's chronicle offer an authentic re-creation of the Harvey Southwest during the company's most glamorous and legendary years. As in book one, *Far From Home*, uniforms and other costumes are illustrated from the holdings of the Arizona State Capitol Museum and historic photographs.

The Harvey Girls - 1945

Harvey Houses of Kansas - Rosa Walston Latimer 2015-10-12

Starting in Kansas, Fred Harvey's iconic Harvey House was the first to set the standard for fine dining and hospitality across the rugged Southwest. In 1876, the first of Harvey's depot restaurants opened in Topeka, followed just a few years later by the first combination hotel and restaurant in Florence. Fred Harvey and the Harvey Girls introduced good food and manners to the land of Bat Masterson, Wyatt Earp and raucous cattle drives. In her third book on the

Harvey House legacy, author Rosa Walston Latimer goes back to where it all began in this history of hospitality from the Sunflower State.

The Harvey Girls - Julie Jensen 2010

[The Harvey House Cookbook](#) - George H. Foster
2006-03-10

Recipes from the original "In Harvey Service" column in the Santa Fe Railroad magazine and the employee magazine "Hospitality" published in the 1940s and 1950s interspersed with the history of the restaurants.

The Harvey Girls - Juddi Morris 1996-01-01

A true story of the women who worked in Fred Harvey's chain of restaurants along the Santa Fe railroad depicts pioneer women with wage-earning power.

Diary of a Waitress - Carolyn Meyer
2012-10-01

In 1926, droves of Americans traveled by train across the United States to visit the West. They ate at Harvey Houses, where thousands of well-

trained waitresses provided first-class service. *The Waitresses: The Journal of a Harvey Girl* tells the first-person story of one spunky girl, Kitty Evans, as she faces the often funny and painful experiences she and fellow waitresses Cordelia and Emmy endure. As Kitty writes about her escapades, a loveable teenager emerges; she embraces adventure, independence, her position as a Harvey Girl, and a freelance writing career. In this fast-paced novel, best-selling author Carolyn Meyer, who has visited and researched several Harvey Hotels, brings together an unforgettable heroine with the universal themes of friendship, identity, and young love.

The P. I. and the Harvey Girls - Dewey Johnson 2017-04-28

A string of summertime 1928 Harvey House robberies leaves the Fred Harvey Company badly shaken. If the public finds out what the Harvey Girl waitresses are forced to do during these heists, the scandal could ruin the

Downloaded from
legacy.opendemocracy.net on 2020-10-09

company. Girls are transferring locations or quitting their posts in embarrassment and returning home. Wise-cracking Kansas City P.I., Lake Chancellor, is hired to stop the bandits and keep the robberies out of the newspapers. It's an impossible case. But his Harvey Girl twin-sister Stormy joins him in Vaughn, New Mexico, as does Charles Lindbergh, who is forced to land outside town with plane trouble. The two offer their help, as do the Harvey Girls at the Las Chavez Hotel lunchroom, including Grace, whose wit makes Lake's lady friends back in K.C. seem like flat tires. But catching the bandits is only part of the challenge. How can Lake bring them to trial without misleading publicity about what they forced the Girls to do at Clovis, Lamy, and Gallup? And the bandits aren't acting alone. There are powerful men in Santa Fe behind them. What are they up to? What's coming next?

Renegade - Anna Schmidt 2019-06-25
 MEET THE HARVEY GIRLS. These real-life pioneering women were symbols of elegance in

the wild frontier: taming rough manners, falling in love, and changing the face of the West forever. Lily Travis may be a Harvey Girl, but she's a rebel—and a romantic—at heart. Too bad her impulsive nature led her to marry a man who promised a life of ease and prosperity, only to disappear the very next day. She's kept her secret as best she can, and now she's convinced she'll never find true love...not even with the handsome local sheriff she can't get off her mind. Cody Daniels knows Lily isn't the right woman for a by-the-book lawman with political ambitions. She's brash, headstrong...and entirely too tempting. But when Lily's past catches up with her and the villain she married threatens everything she holds dear, Cody is determined to defend her honor and show her the future they could have together—no matter the consequences. Cowboys & Harvey Girls Series: Trailblazer (Book 1) Renegade (Book 2) Praise for Anna Schmidt: "Readers wanting a good old-fashioned Western romance need look no further

than this one." —Dear Author for Last Chance Cowboys: The Drifter "The perfect read." —RT Book Reviews for Last Chance Cowboys: The Lawman "A plot twist that will leave readers speechless." —Fresh Fiction for Last Chance Cowboys: The Lawman

Harvey Girls - Juddi Morris 1997-05-01

The U.S. Cavalry, the Winchester rifle, and Sam Colt's pistol may have on the West, but it was the Harvey Girls who civilized it. As waitresses in Fred Harvey's chain of high-quality restaurants, the Harvey Girls made the Santa Fe very popular, and left an indelible mark on the Wild West. "The narrative is lively, conversational, and spiced with wry humor that will interest even reluctant readers... A solid treatment of an aspect of Western history seldom considered in other texts". -- School Library Journal

[The Harvey Girls](#) - Samuel Hopkins Adams 1944

On the Rails - Linda Shenton Matchett

2017-02-07

Warren, Ohio, 1910: Katherine Newman loves being a teacher, but she loves Henry Jorgensen more, which is why she's willing to give up her job to marry him. But instead of proposing, Henry breaks up with her. Devastated, Katherine seeks to escape the probing eyes and wagging tongues of her small town. A former Harvey Girl, Katherine's mother arranges for Katherine to be hired at the Williams, Arizona Harvey House. Can she carve out a new life in the stark desert land unlike anything she's ever known? Henry Jorgensen loves Katherine with all his heart, but as the eldest son of a poor farmer can he provide for her as she deserves? The family's lien holder calls in the mortgage, and Henry must set aside his own desires in order to help his parents meet their financial obligation. But when Katherine leaves town after their break up, he realizes he's made the biggest mistake of his life. Can he find her and convince her to give their love a second chance?

Fred Harvey Houses of the Southwest - Richard Melzer 2008

The Fred Harvey name will forever be associated with the high-quality restaurants, hotels, and resorts situated along the Atchison, Topeka, and Santa Fe Railway in the American Southwest. The Fred Harvey Company surprised travelers, who were accustomed to "dingy beaneries" staffed with "rough waiters," by presenting attractive, courteous servers known as the Harvey Girls. Today many Harvey Houses serve as museums, offices, and civic centers throughout the Southwest. Only a few Harvey Houses remain as first-class hotels, and they are located at the Grand Canyon, in Winslow, Arizona, and in Santa Fe, New Mexico.

Harvey Houses of New Mexico - Rosa Walston Latimer 2015

The Santa Fe Line and the famous Fred Harvey restaurants forever changed New Mexico and the Southwest, bringing commerce, culture and opportunity to a desolate frontier. The first

Harvey Girls ever hired staffed the Raton location. In a departure from the ubiquitous black and white uniform immortalized by Judy Garland in 1946's *Harvey Girls*, many of New Mexico's Harvey Girls wore colorful dresses reflective of local culture. In Albuquerque, the Harvey-managed Alvarado Hotel doubled as a museum for carefully curated native art. Join author Rosa Walston Latimer and discover New Mexico's unique history of hospitality the "Fred Harvey way."

Harvey Girl - Sheila Wood Foard 2006

In 1919, fourteen-year-old Clara Fern Massie runs away from her family's farm in Missouri to earn a living and find adventure as a Harvey Girl, one of the waitresses who worked at Harvey House restaurants along the railroads in the Southwest United States.

The Harvey Girls - Lesley Poling-Kempes 1989

the 1880s through the 1950s. At the time when there were "no ladies west of Albuquerque," these young women, between the ages of eighteen and thirty, left comfortable homes in the East to work in what was then the Wild West. They came as waitresses, but when their contracts were up many stayed and settled, building new lives in the struggling cattle and mining communities. They, along with other Harvey employees or railroadmen, became the founding mothers and fathers of the West -- Book jacket.

The Harvey Girls - Leslie Cabarga 2009 Graphic Novel. They're cute, they're clever and they're obsessive! Some of Harvey Comics' biggest stars were three "little" girls with large

dreams, enormous hearts and king-size laughs: Little Audrey, Little Dot, and Little Lotta. Audrey was a Paramount Pictures animated cartoon movie star, who became a major comic-book headliner in 1948. Her comic-book stories were filled with ingenuity and her spunky, proto-feminist antics rivaled those of her cartoon progenitor, Little Lulu. The strangely obsessive Little Dot has become a cult figure through the years. Her love of dots and her unique coterie of eccentric uncles and aunts became the basis for some of the funniest stories in comic-book history. Last, but hardly least, is Little Lotta who defied the "big" girl stereotype with adventures showcasing an incredible strength that equaled her insatiable appetite.
