**Thomas Hardy** - Geoffrey Harvey 2003-12-08

Thomas Hardy was the foremost novelist of his time, as well as an established poet. Author of *Jude the Obscure* and *Far from the Madding Crowd*, Hardy reflected in his works the

dynamics of social, intellectual and aesthetic change in nineteenth-century England. This guide provides students with a lucid introduction to Hardy's life and works and the basis for a sound comprehension of his work, including: the

major aspects of Hardy's life in the context of contemporary culture a detailed commentary on Hardy's most important work and a critical map of Hardy's complete writing an outline of the vast body of criticism that has built up around Hardy's work with examples of recent critical debate. Exposition and guide, this volume enables readers to form their own readings of one of the most important writers of the nineteenth century.

**Thomas Hardy's Tess of the D'Urbervilles** - Scott McEathron 2005

Offering a contextual overview of Hardy's classic tale, this text explores the key themes of rape, illegitimate birth and murder, as well as the explaining how these concepts shocked early audiences when it was first released.

**Thomas Hardy A Critical Spectrum** - Rama Kundu 2001

Thomas Hardy Was Equally Eminent As A Novelist And A Poet And Thus Holds A Unique Place In English Literature. More Than Seven

Decades After His Death, Thomas Hardy Is Still Surprisingly Alive If Uninterrupted Critical Attention Is A Test. The Nineteen Essays Included In The Volume Thirteen On Hardy S Fiction, Five On His Poetry, And One On General Overview Cover A Broad Range Of Critical Perspective On Hardy S Fiction And Poetry, Which Include The Comparative, The Freudian, The Existentialist, The Absurdist, The Psychospacial, The Feminist, The Aesthetic-Artistic, The Historicist, The Dialectical, The Mythical, The Symbolic, Among Others. The Collection Will Be Relevant And Useful To Both Students And Scholars Of English Literature As It Brings Into Focus A Wide Spectrum Of Interesting Sidelights On, And Illuminating Analyses Of The Various Dimensions Of Hardy S Works; Some Of The Papers Are Refreshingly Original And Perceptive In Their Approach To And Treatment Of The Respective Subjects. As A Great Writer Hardy Has Remained Problematic, Demanding That His Readers Wrestle With Him.

The Present Volume Claims To Have Joined That Unbroken Wrestle More Than A Century-Old With The Words And Meanings Of Hardy S Works. Contributions From The Eminent Scholars In The Field Have Enhanced The Value Of The Collection.

*Thomas Hardy and Women* - Penny Boumelha  
1985

*The Descent of the Imagination* - Kevin Z. Moore  
1993-09

The Descent of the Imagination places Thomas Hardy's writing within the context of nineteenth-century fiction writing as a genre. Moore therefore regards his examination of Hardy's work as a form of archaeology as well as a genealogy of the romantic figure in fiction, from Wordsworth through Hardy. The book provides a new interpretation of Hardy's method of composition and uses new source material that will interest Hardy scholars. It offers an original view of the novelist that argues that his work,

especially his later writings, were a deliberate rewriting of romanticism.

*The Feminist Sensibility in the Novels of Thomas Hardy* - Manjit Kaur 2005

**Thomas Hardy in Context** - Phillip Mallett  
2013-03-18

This collection covers the range of Thomas Hardy's works and their social and intellectual contexts, providing a comprehensive introduction to Hardy's life and times. Featuring short, lively contributions from forty-four international scholars, the volume explores the processes by which Hardy the man became Hardy the published writer; the changing critical responses to his work; his response to the social and political challenges of his time; his engagement with contemporary intellectual debate; and his legacy in the twentieth century and after. Emphasising the subtle and ongoing interaction between Hardy's life, his creative achievement and the unique historical moment,

## **Thomas Hardy And Women Sexual Ideology And Narrative Form**

---

the collection also examines Hardy's relationship to such issues as class, education, folklore, archaeology and anthropology, evolution, marriage and masculinity, empire and the arts. A valuable contextual reference for scholars of Victorian and modernist literature, the collection will also prove accessible for the general reader of Hardy.

**Thomas Hardy** - Ronald D. Morrison  
2021-04-30

Thomas Hardy enjoyed a long and distinguished career as a novelist before devoting his talents to writing poetry for the remainder of his life. This book focuses on Hardy's remarkable achievements as a novelist. Although Victorian readers considered some of his works controversial, his novels remained highly regarded. His novels still appear in the syllabi of courses in Victorian literature and the British novel, as well as courses in feminist/gender studies, environmental studies, and other topics. For scholars, students, and the general reader,

this companion helps to makes Hardy's novels accessible by providing a detailed biography of Hardy, plot summaries of each novel, and analyses of the critical contexts surrounding them. Entries focus on the people, cultural forces, literary forms, and movements that influenced Hardy's novels. The companion also suggests approaches for original interpretations and suggestions for further study.

**A Companion to Thomas Hardy** - Keith Wilson  
2012-09-05

Through original essays from a distinguished team of international scholars and Hardy specialists, *A Companion to Thomas Hardy* provides a unique, one-volume resource, which encompasses all aspects of Hardy's major novels, short stories, and poetry. Informed by the latest in scholarly, critical, and theoretical debates from some of the world's leading Hardy scholars, it reveals groundbreaking insights through examinations of Hardy's major novels, short stories, poetry, and drama. Explores

Hardy's work in the context of the major intellectual and socio-cultural currents of his time and assesses his legacy for subsequent writers

Thomas Hardy and Women - Penny Boumelha  
2018-04-30

This internationally acclaimed book offers a provocative challenge to Hardy's reputation as a writer primarily of rural realism. This new edition includes a previously unpublished chapter - "Bright Faces of the New: Bodies, Children and Futures in Hardy's Novels."

**The Cambridge Companion to Thomas Hardy** - Dale Kramer 1999-06-24

Thomas Hardy's fiction has had a remarkably strong appeal for general readers for decades, and his poetry has been acclaimed as among the most influential of the twentieth century. His work still creates passionate advocacy and opposition. The Cambridge Companion to Thomas Hardy is an essential introduction to this most enigmatic of writers. These commissioned

essays from an international team of contributors comprises a general overview of all Hardy's work and specific demonstrations of Hardy's ideas and literary skills. Individual essays explore Hardy's biography, aesthetics, his famous attachment to Wessex, and the impact on his work of developments in science, religion and philosophy in the late nineteenth century. Hardy's writing is also analysed against developments in contemporary critical theory and issues such as sexuality and gender. The volume also contains a detailed chronology of Hardy's life and publications, and a guide to further reading.

*Thomas Hardy Reappraised* - Michael Millgate  
2006-01-01

In *Thomas Hardy Reappraised*, editor Keith Wilson pays tribute to Millgate's many contributions to Hardy studies by bringing together new work by fifteen of the world's most eminent Hardy scholars.

Women and Sexuality in the Novels of Thomas

Hardy - Rosemarie Morgan 2006-04-07

First published in 1988. Routledge is an imprint of Taylor & Francis, an informa company.

**The Ashgate Research Companion to**

**Thomas Hardy** - Rosemarie Morgan 2016-03-23

In The Ashgate Research Companion to Thomas Hardy, some of the most prominent Hardy specialists working today offer an overview of Hardy scholarship and suggest new directions in Hardy studies. The contributors cover virtually every area relevant to Hardy's fiction and poetry, including philosophy, palaeontology, biography, science, film, popular culture, beliefs, gender, music, masculinity, tragedy, topography, psychology, metaphysics, illustration, bibliographical studies and contemporary response. While several collections have surveyed the Hardy landscape, no previous volume has been composed especially for scholars and advanced graduate students. This companion is specially designed to aid original research on Hardy and serve as the critical basis

for Hardy studies in the new millennium. Among the features are a comprehensive bibliography that includes not only works in English but, in acknowledgment of Hardy's explosion in popularity around the world, also works in languages other than English.

**The Complete Critical Guide to Thomas Hardy** - Geoffrey Harvey 2003

Thomas Hardy was the foremost novelist of his time, as well as an established poet. This guide provides students with a lucid introduction to Hardy's life and works and the basis for a sound comprehension of his work.

*Ambivalence in Hardy* - S. Dutta 2000-05-04

This book re-examines the critical debate regarding Hardy's attitude to women: apologist or misogynist? With the help of manuscript evidence and references to Hardy's autobiography, letters, literary notebooks, marginalia, and the letters of his wives, this book combines a biographical approach with a feminist reading. Significant space is devoted to

the 'minor' novels, the short stories, and to Hardy's real life literary relations with his contemporary women writers, his protégées and his two 'scribbling' wives, to balance the hitherto exclusive focus on the 'major' novels.

Thomas Hardy - Thomas Hardy 1992

Included in this edition are ten stories which were never collected into volumes during Hardy's lifetime. Some contain references to actual people, or plot elements that he reused elsewhere, and others, such as his stories for children, were simply too different from his other work in the short story form. Although all of these stories occupy significant positions within Hardy's career, none has previously received serious editorial treatment. For the most part they have been ignored, lightly passed over, or misinterpreted by critics and biographers. This edition remedies some of the deficiencies in Hardy scholarship, both in its historical introductions and in its critically edited texts, which are based on full collations of

all editions published before Hardy's death and all surviving manuscripts, typescripts, and previously neglected proofs.

**Back to the Future of Irish Studies** -

Maureen O'Connor 2010

This Festschrift for Professor Tadhg Foley of the National University of Ireland, Galway, who retired in 2009, gathers together international contributors in the fields of poetry, politics and academia to honour this great man's life and work. Professor Foley has not only been central in the development of Irish Studies and Colonial/Postcolonial Studies in Ireland and in the United States, but he has also enjoyed a long career as convivial host in his thatched cottage in Salthill, Galway. He remains one of the most popular and beloved figures in Irish academia. Among the eminent scholars included in the volume are Terry Eagleton, Robert Young, Penny Boumelha, David Lloyd, Luke Gibbons, Joep Leerssen and Maud Ellmann. The book is further enriched by poets Bernard O'Donoghue, Louis de

## Thomas Hardy And Women Sexual Ideology And Narrative Form

Paor, Rita Ann Higgins, Michael D. Higgins and Tom Duddy. This collection is a rare and distinctive gathering of true and resonant voices, offering a unique portrait of late twentieth-century Irish literary and academic culture and its interplay with the United States.

*Ethics and Narrative in the English Novel, 1880-1914* - Jil Larson 2001-02-12

Drawing on interdisciplinary work in the field of ethics and literature by a diverse range of thinkers, including Martha Nussbaum, Emmanuel Levinas and Paul Ricoeur, Jil Larson offers new readings of late Victorian and turn-of-the-century British fiction, she shows how ethical concepts can transform our

understanding of narratives, just as narratives make possible a valuable, contextualised moral deliberation. Focusing on novels by Thomas Hardy, Sarah Grand, Olive Schreiner, Oscar Wilde, and Henry James, Larson explores the conjunction of ethics and fin-de-siècle history and culture through a consideration of what narratives from this period tell us about emotion, reason, and gender, aestheticism, and such speech acts as promising and lying. This book will be of interest to scholars of nineteenth century and modernism, and all interested in the conjunction between narrative, ethics and literary theory.
