What Men Really Want In Bed - Cynthia W. Gentry 2010-04-01

What do men wish women knew about sex? The answer's not as simple as you think! In *What Men Really Want in Bed*, 200 men from all backgrounds and walks of life reveal frank, surprising truths about sex and what really turns them on (and off), including: The most exciting thing a lover has ever done to them in bed; What kinds of things their partners do that make them feel special and appreciated; How they really feel about oral sex; What they wish their wives and girlfriends knew about seduction, foreplay, masturbation, intercourse, sexual positions, body image, and more.

The New Male Female Relationship - Herb Goldberg 2000

In this ground-breaking work, Goldberg shows how traditional relationships are doomed to fail -- not because of personal inadequacies, but because of the psychological defense mechanisms that program men to behave like machines and women like children. Goldberg offers a total reevaluation of the war between the sexes in light of the enormous changes the woman's liberation movement has brought about in the last several decades. Immensely hopeful in its outlook, the book gives us a vision of just how good a relationship can be when men and women are friends and companions as well as lovers. Book jacket.

[Dating Advice for Men - Evan Rockwell 2016-03-15](#)

Book 1: *Dating: How to Attract and Seduce Women Through Developing the 7 Key Alpha Male Traits* Develop the 7 Key Alpha-male Traits To Attract Beautiful Women and Learn Why You Are NOT Alpha Yet! Scroll to the top and hit buy now-the only thing you have to lose is your best sex life ever... Grab your copy now and become a man every woman wants!

How To Make Love To A Man (safely) - Alexandra Penney 2011-11-09 ASK ANY MAN. If you can get him to admit it, he'll probably tell you that he would like to be made love to almost as much as being a good lover.

In the past, it is the man who has been responsible for not only the lovemaking, but the romance: candlelight, flowers, music, and tenderness. HOW TO MAKE LOVE TO A MAN, a classic best-seller, is the first book to focus on men's sexual and emotional needs, and to talk to today's woman who would like to be an active partner but doesn't quite know how. More than a manual for having sex (though it is that too), this is a guide to the art of making love. The author, after interviewing doctors, sex therapists, women, and most important, more than 200 men, has been able to understand men's deepest emotional needs. The author discusses what men find sexy in a woman; how to show a man that you are interested, how to get a man to share his emotional and sexual needs, how to enhance sex through a massage, touching, and improved timing, and much more. Whether married or single, the reader will gain new insight on making "whole" love—developing the attitude and the understanding that make the love act complete and meaningful.

What Do Women Want? - Daniel Bergner 2013-06-20

In this headline-making book, Daniel Bergner turns everything we thought we knew about women's desire on its head. Drawing on extensive research and interviews with renowned behavioural scientists, sexologists, psychologists and everyday women, Daniel Bergner asks: - Do women really crave intimacy and emotional connection? - Are women more disposed to sex with strangers or multiple partners than either science or society have ever let on? - And is 'the fairer sex' actually more sexually aggressive and anarchic than men?

What Men Really Think about Women, Love, Sex, Themselves - Mark Baker 1992

Consists of interviews with men from all across the country.

Why Men Love Bitches - Sherry Argov 2002

Describes why men are attracted to strong women and offers advice on ways a woman can relate to men and gain a man's love and respect. *Secrets about Men Every Woman Should Know* - Barbara De Angelis 1998

Relationships psychologist De Angelis reveals the 6 biggest mistakes women make with men, how to spot - and avoid - the men that will give you the most trouble, men's top twenty turnoffs, and how to get the man you love to open up.

Why Men Want Sex And Women Need Love - Allan Pease 2017-03-01
From internationally renowned authors, Allan and Barbara Pease comes the worldwide bestseller *Why Men Want Sex and Women Need Love*. In this fascinating book, the authors translate science and cutting-edge research into a powerful yet entertaining read. This is the book for singles looking for love, those in relationships that need some real help or people who want to keep their partner happy and reap the extraordinary benefits that follow. You will discover: • What men and women really want from love and sex • How to find a great partner and have a happy future • What to do when the chemistry is wrong • What turns men and women on - and off • How to handle a cheater • How to make women want sex more often • How to regain your mojo • How to change your love-life forever *Why Men Want Sex and Women Need Love* is essential reading for anyone who wants to get the most from their relationship. It provides the answers that men and women are desperate to learn.

The Angry Therapist - John Kim 2017-04-18

Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-style designer, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as *The Angry Therapist*, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language — open, raw, and at times subversive — and people responded. The *Angry Therapist* blog, that inspired this book, has been featured in *The Atlantic Monthly* and on NPR.

More Than Two - Franklin Veaux 2014-09-02

Can you love more than one person? Have multiple romantic partners, without jealousy or cheating? Absolutely! Polyamorous people have been paving the way, through trial and painful error. Now there's the new book *More Than Two: A practical guide to ethical polyamory to help you find your own way*.

Handbook of the New Sexuality Studies - Steven Seidman 2007-03-12

As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines, the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience. Addressing this imbalance, this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates. Breaking new ground, both substantively and stylistically, this book offers students, academics and researchers an accessible, engaging introduction and overview of this emerging field. Its central premise is to explore the social character of sexuality, the role of social differences such as race or nationality in creating sexual variation, and the ways sex is entangled in relations of power and inequality. Through this novel approach, the field of sexuality is considered, for the first time, in multicultural, global, and comparative terms and from a truly social perspective. This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies, and interviews with twelve leading scholars in the field which convey some of the most innovative work being done. Each contribution clearly conveys the latest research with examples. Ideal for students of gender and sexuality studies, this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies.

Project Bold Life - Edward Kopko 2020-08-18

Setbacks and obstacles can get in the way of reaching your goals. But some see those challenges as opportunities, and turn them into stepping stones for great accomplishments. PROJECT BOLD LIFE will show you

how they do it! With inspirational stories, insightful research, worksheets that break down the Bold Life Formula, and an illustrated character named "Boldy" to accompany you on your journey, PROJECT BOLD LIFE will give you the tools you need to succeed. It is an essential book for these times!

The Will to Change - bell hooks 2004-01-06

From the New York Times bestselling author of *All About Love*, a brave and astonishing work that challenges patriarchal culture and encourages men to reclaim the best part of themselves. Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women.

Secrets of "Men are from Mars, Women are from Venus" - PAUL CARNEGIE 2019-11-25

Reading through the book *Men Are From Mars, Women Are From Venus* which was written by American author and relationship counselor John Gray, after he had earned degrees in meditation and taken a correspondence course in psychology. The book was published on January 1, 1992. It provides a practical and proven way for men and women to improve their communication by acknowledging the differences between their needs, desires, and behaviors. Absolutely, there is no other relationship guide on the market that will give you the same level of evidence-based insight sure to help you strengthen and nurture your relationships for years to come more than this book. In the book *Men Are From Mars, Women Are From Venus*, the author opines that most prevalent relationship challenges between men and women are as a result of fundamental psychological differences between the sexes, which the author demonstrates by means of its eponymous metaphor: that men and women are from separate planets, that is, men are from Mars while women are from Venus; and that each sex is wont to its own planet's society and customs, but not to those of the other. One example John Gray gave was that men's complaint that if they offer solutions to problems that women bring up in conversation, the women are not necessarily interested in solving those problems, but mainly want to discuss about them. The book avers each sex can be understood in terms of their unique ways they respond to stress and stressful situations. In the book, the author wrote: "When a man can listen to a woman's feelings without getting angry and frustrated, he gives her a wonderful gift. He makes it safe for her to express herself. The more she is able to express herself, the more she feels heard and understood, and the more she is able to give a man the loving trust, acceptance, appreciation, admiration, approval, and encouragement that he needs." This explains that when a man genuinely listens to the emotions of a woman by not being upset, he is showing her she is safe with him and understood as well. And she reciprocates this gesture with love, trust and encouragement a man needs. Likewise, when he stated that, "Men are motivated when they feel needed while women are motivated when they feel cherished." This is just the basic fact of a successful relationship or marriage by the author. In the world of many self-help books we are, there are very few titles that can be compared with the popularity of John Gray's *Men Are From Mars, Women Are From Venus*. Interestingly, when this title was first published in 1992, it not only helped educate countless men and women from around the globe, but it managed to nestle its way into popular culture and become an instant classic. In spite of the fun, metaphoric and catchy title, this book essentially tackles a very serious relationship issues in many male or female relationships we have today -which can be said to be a lack of effective communication. In lieu of focusing blame on one person or one gender, this book dives into some of the inherent differences between the way males and females communicate. As it is a well known fact that communication is one of the most central factors in finding the right balance, genuine love and loyalty in a long term relationship. Well, based on the concept that men and women are living on different "planets," this book helps to not only

identify these differences for the opposing gender, but to offer solutions on how both men and women can meet in the middle to have better, more productive communication strategies. The author deliberately lays big emphasis placed on love – since it is a relationship advice book. One of the biggest takeaways about love from the book actually has nothing to do with talking, it is all about showing. This is one of the biggest keys to keeping the love alive in long-term relationships. This is a very important lesson to note throughout the book, *Men Are From Mars, Women Are From Venus*, as communication isn't always about talking or telling someone something, it is often about showing them or using non-verbal communication in order to get your message across. According to *Men Are From Mars, Women Are From Venus*, men will give and give until they are pleased with what they have done. This can be with emotions, money, effort, work, or physical objects. However, women will typically give with the hope that the man will return the gesture. This is where a lot of disconnect can happen. Now, let's take a vivid look at where communication falls short. Where communication falls short Both man and woman may feel as though they are doing everything they can to show their love and that they are giving love the way they want to receive it. But, the opposing party may not recognize this, and may actually think that their partner is not showing love at all. This is one tip that both men and women should keep in the back of their minds as they continue to take John Gray's relationship advice, as many communication disconnects or crumbles, it may actually stem from this one major issue. If both parties can understand that the other partner simply has a different interpretation of what it means to show and give love, they can move forward. To cap it all, everyone has a different love language. How To Improve Communication In A Relationship There are so many little things that men and women can both do in order to improve their communication lines, yet one of the classic disconnects between these two genders often comes when women are not as direct with men while communicating. There is an old story about men and women communicating that perfectly depict how this lack of directness can cause misunderstandings. A man and a woman are driving down the street. The woman points at the ice cream store and says "look! The ice cream store is open." The man says "Yes, it is," and keeps driving. Later that evening, the woman is upset and asks "Why didn't you stop for ice cream when I asked?" The man is confused and says, "I never heard you ask to stop for ice cream." It may be either small or inconsequential example, but it is one that many people in male or female relationships can relate to. What went wrong? Both parties thought they said and heard different things in the same conversation. This is one of the reasons why communication tends to be more effective when women are more direct. According to John Gray, if a woman wants to go do something with a man, she shouldn't just ask him what he wants to do. She should, instead, tell him what she wants to do, and then ask him to join. This is an instance of direct communication that doesn't blur the lines and allows both parties to communicate more clearly. How to make communication work The following scenario was suggested by: - The woman gives the man three options of what she wants to do on a date, a week in advance. - The man gets to decide, but doesn't tell the woman until the date happens. - This allows the woman to anticipate the date all week, while the man gets to feel as though he made a decision, while still receiving clear communication on what types of dates the woman wanted to go on. It may sound like a lot of work, but the key is to start with direct communication on the woman's part. It can open up new doorways to successful interaction that both parties may have never thought were possible. In addition, emotions have great impact as regards how we communicate. They can entice us to say certain things, hold different things in, or even respond in ways we may have never thought we would. Emotions can also alter our body language and the way we give off signals to one another, even when we don't realize we are doing it. Yes, it can be safe to state that women's emotions go up and down and have really high-highs and really low-lows. In general, women's emotions tend to fluctuate more than men's do. Men tend to be a bit steadier with their emotions, which can be both positive and negative. While they may not have as deep of a dive into depression, they may also not experience as high of a high when they are happy. All this now depend on how each sex processes "alone time." As well, men are much more prone to want alone time when they feel scared or uncomfortable. Men need to be left alone where they feel safe. It scientifically helps them to build up their testosterone and think more clearly. If given the time to retreat to his safe space, a man will come out of this "alone time" once he has handled the problem internally and finally. On the other hand, a woman may feel better by talking it out. She may not understand why her male partner

wants to spend time alone processing the issue. Allowing women and men to process emotions in a way that is comfortable and natural to them is an essential component to keeping communications lines free and open. You Should Learn To Show Appreciation So much of Men Are From Mars, Women Are From Venus is about the differences between men and women, but there is one big similarity between men and women in relationships—showing understanding is key. Men and women are different. They are different physically, biologically, emotionally, almost in every way. Yet, the reason so many of these relationships can work out in the end is because these differences provide a balance. You just need to find that balance. Get to know your partner more intimately If you sincerely take the time to really get to understand your partner, it can go a long way in helping them feel loved, valued, and appreciated. Men and women are different, and it is important to accept and understand this. You may be speaking different languages, but if you take the time to really talk to your partner and attempt to understand the place they are coming from it can speak volumes. For instance, take the time to do things like ask questions, put yourself in the other person's shoes, or even read relationship advice books, like *Men Are From Mars, Women Are From Venus*, to show the other person that you want to understand them better because you appreciate who they are and that you want to communicate more clearly and effectively. Mind you, this can help restore energy in your romantic relationship so that you and your partner can continue to keep your relationship as healthy as possible.

Men Like Women Who Like Themselves - Steven Carter 1997

A witty, wise, concise guide to finding, keeping, and enhancing any romantic relationship--written by the bestselling authors of "Men Who Can't Love" and "What Smart Women Know"--this treasure trove of wisdom and advice for today's woman is based on the simple but powerful notion that a lasting relationship means putting oneself first.

What Men Secretly Want from Women - Greg Mason 2014-07-01

Find Out What Men Secretly Want from Women But Won't Tell You - Learn the Secrets to a Man's Heart (ACCESS TO BONUS VIDEO AND AUDIO INCLUDED WITH YOUR PURCHASE) This book here is for the ladies. Guys, you can hang out if you want to, but you probably need to stand somewhere in the corner and remain REAL QUIET when it comes to THIS PARTICULAR BOOK! Don't worry fellas, I'm not gonna tell your girl anything bad about you or bash you in anyway, but I got a few things to tell them. Trust me guys, this book is for YOUR OWN GOOD! Ok ladies, now that I've got you here on this page...here is the million dollar question. What in the hell do men secretly want from women but won't bother to tell you? But before I answer that question, let me let you in on a little bitty secret about men you might or might not already know - MOST MEN DON'T KNOW SH*#T ABOUT WOMEN! Although we as men generally know what we WANT FROM WOMEN, we just can't figure you out, and all our attempts usually end in humiliating defeat. So the first advice ladies, is to stop killing yourself by OVER THINKING MEN. Please realize that since men are much less complex than you are, YOU CAN TAKE CHARGE, KEEP HIM CONTENT, and GET WHAT YOU WANT FROM HIM AT THE SAME TIME! BUT HERE IS AN EVEN BIGGER PROBLEM TODAY... Most of the relationship advice books out there about men are written MOSTLY BY WOMEN! Now is that a bad thing?...NOT AT ALL....it's just that....MOST OF THESE WOMEN ARE SINGLE! So there you have it, a woman with NO MAN, writing books for WOMEN on how to get, keep, and understand a MAN! Can You Say HYPOCRISY? Trust me ladies...THERE IS NO SUCH THING AS 100 WAYS TO PLEASE A MAN! Why stress yourself with that NON-SENSE?...We as men don't EVEN BOTHER TO THINK THAT FAR! Most of us men struggle to even remember YOUR BIRTHDAY OR ANNIVERSARY FOR CRYING OUT LOUD! 100 WAYS TO PLEASE A MAN? Yeah Right! In this book "What Men Secretly Want from Women" We're going to attack the 20 basic things that ALL MEN secretly want from women, regardless of their personality or the nature of their relationship. You'll learn what men REALLY THINK about sex, love, and relationships (that we all seem to hide from you)...from a MAN'S POINT OF VIEW! That's right ladies, I'M SPILLING THE BEANS HERE! You will learn about the 4 categories of men and how they're different. Generally, men can be lumped into 3 or 4 major groups and although men pretty much expect the same 20 things from women; THEY EXPECT THEM in a DIFFERENT FASHION. In this section you'll better understand (what kind of man YOU HAVE) and what you can do to WIN HIM OVER TO YOUR WAY OF THINKING! But that's not even the tip of the iceberg...we have a LOT MORE GROUND to cover in this book in reference to men's fantasies, how they view certain types of women, what type of women they fall in love with, where have all the nice guys gone, how to get your

man to listen, and MORE! This book also comes with FULL ACCESS to a BONUS VIDEO AND AUDIO at the end to FURTHER DRIVE THE POINT HOME on What Men REALLY Want from Women! SO BY ALL MEANS LADIES, GRAB YOUR COPY TODAY! Put Down the Cosmopolitan and Get THE REAL TRUTH about WHAT MEN REALLY WANT FROM WOMEN.....FROM A MAN HIMSELF! YOU'LL BE SURPRISED!.....MOST MEN ARE MORE SIMPLE THAN YOU THINK! GO AHEAD AND GRAB YOUR COPY NOW! SEE YA ON THE OTHER SIDE LADIES!

The Psychology Of Attraction For Women - Craig Beck 2021-01-17

Have you ever wondered what on earth men want? After all, they seem to put sex ahead of everything else and yet complain they can't find a decent woman. Doesn't make a whole heap of sense, does it? Well, not if you are thinking like a woman, that's for sure. To get men, you have to understand how they feel, what they find attractive and what they really desire in a woman. This is the book all single women of value have been waiting for. It is the blueprint for the male mind. The Psychology Of Attraction will teach you how to separate the men from the boys. Say goodbye to the lost little boys who only want a replacement for their mom. No more 'good-time Charlie's' trying desperately to cover up their low self-esteem with as many one night's stands as possible. You are soon to become both a radar and also a magnet for quality, high-value men of integrity. When it comes to attraction, they say men are a switch, but women are a dial. There are a thousand shades of grey in between on and off. The biggest mistake women make is assuming men feel attraction the same way that they do. This is not a guide on 'how to find a husband' like you need such a thing to feel complete! It's a comprehensive personal development program to show you how to love the woman you are and to project that confidence outward. The Psychology Of Attraction starts from the premise that everything you experience in life is a mirror image of what exists inside you. If you see yourself as the powerful, valuable woman you are, then you can expect to see the quality of the men in your life dramatically improve accordingly. If you are serious about getting the man of your dreams or learning how to attract men of value wherever you go, this book may be the most important discovery of your life. You are about to discover: -The psychology of attraction. -How the male mind works and what they find attractive - Loving the woman you are and living with confidence - Using fear technology to smash your goals - How to garner respect and admiration from men - Body language and lie detection secrets of the FBI - Internet dating - cutting through the weeds - First date magic - And much more. www.CraigBeck.com

The Art of Seduction - Bahtiyar Dautov 2016-03-01

As long as I am a man myself, I dedicate this book to every man. If you bought this book - you made a good step, because you will find it universal. Be sure that the author of this book has really great and profound experience in sexual field and in the ground of making communications with women. I am professional in the area of women psychology. I know the way they think and I know what they really want. I know when they are truthful and I know when they lie. I will teach you how to make a good contact, how to get to know with someone, you like, how to make successful and impressionable message, your strategy to seduce her and your sex. You will see my recommendations on your personal style. I will suggest you how to dress, act and how to make the first impression. After reading my book, you will become professional in sexual area. I do not doubt you have enough experience in this field, but there is somewhat unsaid in books and websites, which you have read. You will become familiar with woman anatomy, as long as it is the major part of your education. I will show you areas and zones on a woman body, which are mostly sensitive and give unforgettable pleasure to every woman. Your sexual health is a thing, which may make you pleased or sad with the quality of your sexual life. To be fully sexually happy, you need to be fully sexually fit. That is the chief rule you should memorize. Every time I write a new book, I try to help people and give them useful and helpful information. I am so sad when some men, who face sexual problems, decide to search the treatment in different websites, blogs and forums. I am sure that such men are so disappointed, when suggestions and advices from web do not help them and their problems still remain. Information given in websites is mere thoughts of the same problematic, non-professional men and they usually harm rather than help you. The guidelines given in forums are often very short and are not applicable to every individual person. My recommendations will help you to improve

your relationship with women, your understanding and the quality of your sexual life. Information given in this book will be practical and helpful for every man, not depending on your age, race, religion, beauty, sexuality, education and financial status. Just read, contemplate, and apply the instructions in your life. After finishing reading this book, you will discover yourself more sexually and psychologically educated. You will obtain self-confidence and your self-estimation will considerably rise up. My book changes your worldview and your look at different things. Do not consider the book as a common sex guide, because it is not what you are anticipating to be. It is totally universal book. It teaches you to be handsome and stylish, sexy and vogueish, professional and seductive. To succeed in any activity, you need to be morally and mentally prepared. That is why I began my book from chapters, which will prepare you mentally for your sexual success. To physically and morally satisfy a woman, you need to superbly know her psychology, complexes, wishes, aims, dreams and sexual secrets, which can be unsealed by the methods, taught in my book. When I started to write this book, I did not put an aim in front of myself to make a perfect seducer from you. No. I want to make you perfect and ideal man in the field of women communications. If you really understand what I tell you in this book, you will become a perfect friend, great seducer, superlative sexual partner for any woman. Women will idealize you as a real man. Further, while reading, you will discover that my information is original and unique. You will not find it elsewhere. I will tell you about different women types, moral and psychological portraits. You will learn how to analyze a woman, unseal her real character and apply suitable seduction methods.

How To Become A High Quality Woman - Bryan Bruce 2017-04

When It Comes To Guys And What They Want In Women, It Could Be Like Playing A Puzzle Game It's a mine field of emotions, finger pointing, arguments and counter arguments for ladies in trying to get to know and understand what guys are thinking about them and what they REALLY WANT! For you as a lady who wants and desires that you man understand you it sometimes seem like it will never happen. You have questions that go around in your head all the time and you keep wondering; What In The World Is Wrong With Him? You ask yourself- Why are men so selfish? -How can they be so oblivious? -Are men intimacy impaired? -Will he ever grow up? -Will he ever understand me and love me in the way I long to be loved? If you have these questions and many more going around in your head and you are wondering where the heck you will begin to try and understand your man, then you need not worry because all that is about to change. Right now, from this moment on, you will never have to guess as to what any man you meet is thinking about you ever again. In this book, you have everything you will ever need to go right inside his head and mind and un-earth all his secret desires, all that he has ever wanted and will ever want from you. You will become a quality woman, one that men will never take for granted ever again! With this book, you will be the high quality women that he has been dreaming about all his life, you will be the victor in your relationship, you will have the control over your relationship and by understanding what he really wants, you will be able to make him stay for as long as you want him to. Find Out Exactly How to Become A High Quality Woman That Your Man Has Ever Wanted, One That He Will Kill For And Do Anything To Be With You. You know what they say, you attract exactly the kind of person that you are. So it goes without saying that if you are a high quality woman, then you will naturally attract a high quality man. It's no rocket science at all, it's that simple. All that stands in your way of happiness with the man of your dreams is how to become this high quality woman that a high quality man will do anything to be with. You don't need to resort to manipulations, gimmicks and trickery to make him stay (you and I both know such men don't last) but you will use your God given natural qualities to work in your favor and make him stay. In This Book You Will Learn- - why it's such a bad idea to rush men when it comes to relationships- How to get your man to not just commit to you but to stay committed to you for life- How to understand and deal with a guy's emotions - Just how to get a guy to be generous to you without saying a word- 4 things men would love their women to know about them but can't bring themselves to talk about it with hem- What you need to know about how a man's mind work when he is thinking about sex - What guys really find attractive in women they consider to high quality women- And much more than you will ever find in a single book Do You Want to Know More? Then go ahead and grab this book and give me a call you find out you man simply can't have enough of you
