Gold Dust Woman - Stephen Davis 2017-11-21

Stevie Nicks is a legend of rock, but her energy and magnetism sparked new interest in this icon. At 68, she's one of the most glamorous creatures rock has known, and the rare woman who's a real rock 'n' roller. *Gold Dust Woman* gives "the gold standard of rock biographers" (The Boston Globe) his ideal topic: Nicks' work and life are equally sexy and interesting, and Davis delves deeply into each, unearthing fresh details from new, intimate interviews and interpreting them to present a rich new portrait of the star. Just as Nicks (and Lindsay Buckingham) gave Fleetwood Mac the "shot of adrenaline" they needed to become real rock stars—according to Christine McVie—*Gold Dust Woman* is vibrant with stories and with a life lived large and hard: —How Nicks and Buckingham were asked to join Fleetwood Mac and how they turned the band into stars —The affairs that informed Nicks' greatest songs —Her relationships with the Eagles' Don Henley and Joe Walsh, and with Fleetwood himself —Why Nicks married her best friend's widower —Her dependency on cocaine, drinking and pot, but how it was a decade-long addiction to Klonopin that almost killed her — Nicks' successful solo career that has her still performing in venues like Madison Square Garden —The cult of Nicks and its extension to chart-toppers like Taylor Swift and the Dixie Chicks

The Singers Talk - Jason Thomas Gordon 2023-09-05

A groundbreaking collection of inspiring and instructive conversations about the beauty, brutality, discipline, and technique of being a successful singer. "This is a captivating look at both the nitty-gritty preparation and emotional energy that 'it takes [for artists] to stand up to that mic... reach down into their guts, and give everything they've got for the sake of the song.' Its star power and up-close, revelatory detail will keep readers riveted from start to finish." —Publishers Weekly, starred review "For all of the conversations we have about music, there is precious little talk about the art of communicating emotion and meaning via the human voice. The Singer's Talk remedies this by reaching out to a wide range of different singers, who speak insightfully about both the skill and the magic required to change minds and break hearts." —Steven Hyden, author of *Twilight of the Gods* and other books These revelatory, frequently funny, and deeply engrossing in-depth interviews provide fans and aspiring singers a backstage pass to the challenges every vocalist faces onstage and in the studio. Packed with never-before-heard stories, *The Singers Talk* reveals a truly intimate side to these iconic personalities while offering a master class on how the best in their field keep their vocal cords in shape and protect themselves on the road—along with countless other tricks, techniques, strategies, and philosophies to help vocalists at every level perfect the craft of singing. "This is the most geeked out I've ever talked about my voice!" —Thom Yorke This historic roster of artists includes: Bryan Adams, Tony Bennett, Nick Cave, Chuck D, Roger Daltrey, Joe Elliott, Emmylou Harris, Brittany Howard, Chrissie Hynde, Norah Jones, Simon Le Bon, Geddy Lee, Willie Nelson, Stevie Nicks, Ozzy Osbourne, Steve Perry, Lionel Richie, LeAnn Rimes, Smokey Robinson, Robert Smith, Bruce

Springsteen, Mavis Staples, Rod Stewart, Paul Stanley, Michael Stipe, Jeff Tweedy, Roger Waters, Dionne Warwick, Ann Wilson, Thom Yorke, and many more. Additionally, the book features conversations about legendary voices no longer with us, such as Butch Vig on Kurt Cobain, Clive Davis on Whitney Houston, Nile Rodgers on David Bowie, and Jimmy Iovine on Tom Petty. "Singing is so much more than hitting the right note. It's about connecting with the audience, connecting with something divine to a certain degree. It's connecting to your most primitive and deepest intuition, and to your nature as a human on this planet." —Karen O. More than just an indispensable guide for singers of any level, *The Singers Talk* is an unforgettable read for music fans everywhere. All royalties from *The Singers Talk* will benefit the kids and families at St. Jude Children's Research Hospital through their Music Gives to St. Jude Kids campaign.

Quicklet on The Best Fleetwood Mac Songs: Lyrics and Analysis - Jennifer Blair 2012-07-26

Fleetwood Mac is a rare rock band breed. Their musical triumphs are vast and storied, but their inner, soap opera relationships are just as legendary as their hit records. The band originally formed with Mick Fleetwood, John and Christine McVie in 1967. But it wasn't until 1975 that guitarist Lindsey Buckingham and then-girlfriend and musical partner, Stevie Nicks, joined and the best-known incarnation of the group came together. Looking to replace recently departed guitarist, Bob Welch, Fleetwood heard Buckingham-Nicks' self-titled album, and liked it enough to ask for an introduction to Buckingham. Fleetwood invited him to join Fleetwood Mac, but he would only agree on one condition: Nicks would become a member of the band as well. The new lineup included three members who could write songs and sing lead vocals - Christine McVie, Buckingham and Nicks, who all brought different sensibilities to their lyrics. The new band broke through with the self-titled album, *Fleetwood Mac* (1975), which sold over five million copies.
