**What's It Like to Be Married to Me?** - Linda Dillow 2011-02-01

What's It Like to Be Married to Me? is about knowing the difference between having a desire for a better marriage and setting the goal of a better marriage—as readers look in the mirror to see how they can change. Bestselling author Linda Dillow understands that most women want more from their marriage but don't know how to get it. In What's It Like to Be Married to Me?, Dillow challenges readers to ask the riskiest questions: What is it like to be married to me? What is it like to make love with me? Why do I want to stay mad at you? Extremely intimate and honest, What's It Like to Be Married to Me? is not a book about marriage at all. It is a book about how to live out marriage, day-by-day and year-by-year, and watch who you become as a wife impact the intimacy in your marriage!

**For Married Women Only** - Tony Evans 2010-07-01

How is a wife to love her husband? By learning three things, says Tony Evans: how to submit, seduce, and surrender to her husband. Out of these three principles a godly marriage will grow. In For Married Women Only, pastor and author Tony Evans explores these three principles in a straight-forward yet encouraging manner. He unpacks the touchy topic of submission and lays out the rewards inherent in this biblical model. On seduction, Evans looks at the quality of attractiveness and how embodying it can be pleasing to your spouse and to God. And with surrender, readers will examine why a wife is the perfect help mate for her husband and how to combat attitudes opposed to God's design. Originally published in 2002 as Tony Evans Speaks Out on a Woman's Role in the Home, this booklet has sold nearly 38,000 copies. Use it alone or with the companion volume, For Married Men Only.

*My Vegas Groom* - Piper Rayne 2021-05-18

Waking up next to a stranger wearing a wedding ring was not on the itinerary. I came to Las Vegas for a quick girl's trip, but somehow ended up a married woman. What I thought would stay in Vegas followed me back to my small town of Sunrise Bay, Alaska. Of course, my new husband—MMA champion fighter, Logan Stone—couldn't find me alone at my house to tell me he wants to give our impromptu nuptials a shot. He has to tell me in front of my entire family and half the town. The two of us couldn't be more opposite, but he offers me a deal I can't refuse which involves me pretending we're happily married for three months. Yeah, a lot of things can change in that short amount of time, most importantly catching feelings for a man whose lifestyle I despise.

[ROMANSWERS](#) - Carl E. Pickhardt Ph.D. 2001-05-03

ROMANSWERS – Practical answers to common questions troubling relationships, romance, and marriage. by Carl Pickhardt Ph.D. In a fast changing, increasingly complex world, committed caring relationships seem harder to maintain than ever before, yet the desire for these unions remains strong, whether in dating, cohabitation, significant partnerships, or marriage. Although about half of marriages end in divorce, more than half divorced people elect to remarry. From answering questions about relationships over the internet for a year and a half (for Cox Interactive Media/Austin 360), certain abiding concerns kept recurring. Not only did people want answers; they also wanted instruction about the nature of certain problems built into the nature of chosen caring relationships, problems that in many cases won't go away.

In response to this desire for help in managing these basic problems, ROMANSWERS was written. Each of the twenty-seven sections in the book is built around a topic of concern that is subjected to four questions, the answers to which provide understandings many people seek. A list of all the sections and questions that are answered follow. ABUSE § "When I give everything to a man, and do everything he wants, why do I end up getting pushed around, demeaned, and cheated on?" § "When my boyfriend loses his temper, cuts me down in anger, later says he's sorry and didn't mean what he said, should I accept his apologies when he keeps doing it again?" § "Why does a man from a loving, healthy, and giving family background keep getting into relationships with women who turn out to be exploitive, even turning abusive when they don't get their way?" § "After two abusive wives, is it just a matter of time before I get over my hurt and general anger at women?" AFFAIRS § "To regain my trust, should my husband be completely honest and describe the sexual details of his affair so we can get through this unhappiness and start moving on?" § "Is it the wife's fault when her husband has an affair, and how does the couple recover the marriage?" § "How am I ever going to get beyond superficial relationships with women after my fiancée, whom I love more than ever, broke off our engagement by having an affair?" § "When your wife comes back from a high school reunion having had a fling (not sexual) with an old flame, what needs to happen to make the marriage okay?" ATTRACTION § "Why would a stunning, dynamic, confident, and high salaried woman put off the kind of men she wants to meet, and attract the kind she doesn't?" § "Although I would never cheat on someone I was involved with and still care about, do you think it's okay to date her best friend now that I've broken up with my ex?" § "When the woman I'm ready to marry says she wants a man who can offer her everything from A to Z, and some un-definable Z is lacking in me, what is missing in my attractiveness to her?" § "What should I do about a man I first met on the internet who, without asking me, is now planning a future for us, a guy it turns out I don't really know, who doesn't really know me?" BREAKING UP § "Since my girlfriend has broken up with me and I don't know why, is it worthwhile my finding out, or is it better to avoid further hurt and just let the relationship go?" § "How do you break up without causing the other person a lot pain, and then go from being romantic to just being good friends?" § "Why is breaking up so hard to do, and why would a man act so angry when he is really feeling hurt?" § "How do I recover my self-respect and remove a man from my life who convinced me I was crazy to doubt his word when he kept lying to me, and who won't let me go now that I've broken off with him?" CHANGE § "Is it okay, once a couple becomes married, to change and take each other for granted, not acting romantic anymore?" § "Is my boyfriend going to continue his disg

#### *A Married Woman* - Manju Kapur 2010-12-09

Astha has everything an educated, middle-class Delhi woman could ask for - children, a dutiful loving husband, and comfortable surroundings. So why should she be consumed with a sense of unease and dissatisfaction? Astha finds herself embarking on a powerfully physical relationship with a much younger woman, Pipee, the widow of a political activist. #### - Linda Lambert 2010-02

*Cairo Diary* is a riveting historical narrative filled with ancient texts, romance and political intrigue. Best-selling author, Dr. Linda Lambert, recounts the journeys of two women separated by two millennia who are each seeking personal freedom: the Virgin Mary, living with her family in Old Cairo; and Dr. Justine Jenner, a modern-day anthropologist, whose mother is Egyptian and whose father is American. Mary is a reflective, insightful woman who imparts her wisdom to her eight-year old son, Jesus, and chronicles the historic challenges Jews faced in a Roman-Egyptian world. Two thousand years later, Justine arrives in Cairo to take up the work of UNICEF Community Schools for Girls. During a violent earthquake, she becomes trapped in the crypt under St. Sergius Church in Old Cairo, originally the cave that served as the Egyptian home to the Holy Family. When the shaking stops, an ancient book lies at her feet. With the help of a team of Egyptian and French investigators, Justine explores the profound secrets of the codex, which turns out to be the personal diary of the Virgin Mary. What is recorded in this diary threatens the foundation of religious beliefs, beliefs that are revealed to be a finely textured mythology. Dr. Linda Lambert became enthralled

with Egypt as a young girl, when her mother enchanted her with tales of her own alleged reincarnation from Egyptian royalty. In 1989, Linda moved to Egypt and began two decades of passionate exploration of this fascinating culture. During a visit to the ancient crypt that is believed to have housed the Holy Family, Linda experienced an epiphany that inspired her to write *Cairo Diary* her first historical novel. Linda has written several internationally-recognized books in the field of educational leadership. Her seventh book, *Women's Ways of Leading* was released in 2009, integrating her global work in leadership with feminine and historical themes that take center stage in her novels as well. Dr. Lambert is an experienced administrator, history instructor and international consultant. She is now Professor Emeritus at California State University, East Bay, and lives full time on The Sea Ranch, California, with her husband, Morgan Lambert.

[How to Get Hitched \(and Stay Hitched\)](#) - Suzanne Venker 2021-08-31

Degree? Check. Career? Yup. Money? In the bank. Marriage? America is single. It's divorced, under committed, and hopelessly out of touch with how to build a relationship that lasts. Women, in particular, are groomed for a life centered on career and on being fiercely independent--as though marriage and family were a nice idea, or a possible accompaniment, to an otherwise satisfying life. But if flying solo is so great, why are online dating sites a billion-dollar industry, replete with clients looking to get hitched? In *How to Get Hitched (and Stay Hitched)*, author and marriage coach Suzanne Venker claims women need a detox from the bogus cultural narratives they've absorbed about men, sex, marriage, work and family. If you're a woman who wants a successful love life (not just a successful professional life), you're going to need a brand new roadmap. And now you have one. Here is just a sampling of the 12 steps: - Get over yourself - Find your feminine - Get a ring, not a roommate - Marry the accountant, not the artist - Know your body A call to arms, *How to Get Hitched (and Stay Hitched)* will ignite a much-needed debate about the misplaced priorities of the modern generation. It is the antidote women need to reject the lies they've been fed by our culture so they can build the happy, balanced lives they crave. "You have massively impacted the way I see

and deal with men. Because of you, I started dating with a clear goal in mind (marriage and children) and also with discipline. At 25, this led me to my now boyfriend who soon will be my fiancé, husband, and hopefully father of my children. Thank you from the bottom of my soul for the enlightening and truthful work that you share with the world!" "The world and my own mother haven't spoken to me about any of this. Schools and the media taught me that career comes first and that I would be happy even without getting married and not having children. I thought what I was feeling wasn't quite normal until I found your work. Thank you sooo much, Suzanne!" - Lily from Australia "I love sharing Suzanne with jaded lonely girlfriends, lol." - Annie

*Diary of a Married Woman* - Etim Sam Ekong 2005-11-10

After her ten-year marriage begins to crumble, Amber Smith finds satisfaction in the arms of a mysterious Nigerian named Blessing. But when Blessing experiences a renaissance of his own with another woman, Amber must follow a new path. Which direction will she take? The idea that Mike was having an affair didn't bother me that much. It was ironical that his own indiscretion if it was true, would be so close to home as well. It wasn't really that I still loved him because, I didn't. It wasn't also that I was jealous because, I wasn't. It was just that I'd never thought of him as one who would have affair. Could this be true, I kept thinking? My thought went back to Blessing, how I wished he was here to share the moment with me and watch the rain fall. I thought about the way he usually talks to me, look at me and the way he touches me. These thoughts are not strange to me at all because at night, whenever I'm lonely, I often think about him. Whenever I feel disenchanting, which is often these days, I think of him. And most importantly, whenever I needed to remind myself how good a man could make me feel, I think about him.
