The Beast Katee Robert 2020-04-06 Once upon a time, I fell in love with two men. Their feelings for me were matched only by their hatred for each other. Gaeton, with his brash charm and casual cruelty. Beast, his lust equal to his penchant for violence. Being with them was sinful and perfect in different ways. In the end, I couldn't choose, and I lost them both. Now, my sisters have tasked me with securing our power base, no matter the cost. I will do anything for my family—even if it means agreeing to the terms set by Gaeton and Beast. The three of us. Together. But only for as long as it takes me to choose one of them once and for all. When playing games of power, happily ever after isn't a priority. Not even for me. Especially not for me. Content Warning: Contains the aftermath of a death of a parent by cancer.

At 30 years old, Owen is already an independently wealthy entrepreneur with a type A personality. Some would say that he has it all: A big house, plenty of disposable income and the kind of good looks that give him the pick of any woman he desires. And yet for all of his wealth, he lacks anything resembling true love. A long chain of one night stands can only satisfy his physical appetites, but his heart remains desperately unsatisfied. Derek has the dashing good looks of a movie star, but he's got the self confidence of a depressed loner. While he's got a great job in advertising, he's still living with his parents at 29 and he's finally looking to make a change. Thankfully, his best friend Owen has decided to take him under his wing and coach him through the finer points of living well. When they meet a mysterious woman at a relative's wedding, Owen challenges Derek to put his newfound knowledge to the test. After a slew of traumatic life experiences, Adelaide is making up for lost time. Although she's happy to engage in casual encounters, the last thing she wants is a committed relationship because that can only end in total misery. When she decides to randomly crash the wedding of an ex-boyfriend, she meets two gorgeous guys who have clearly been friends for a long time. However, it doesn't take long for her to notice a hidden dynamic at play between the two men, something that neither of them seem to be consciously aware of. When one of the men, Owen, asks her out, the proposition is far too compelling to turn down. Where's the the harm in tagging along with these two and seeing what might develop? What originally started as an innocent bit of fun will turn into so much more as three people, each with their own baggage, must truly come to terms with their own demons in order to see that true love is right in front of them. "This is a standalone MMF Bisexual Romance Novel with an HEA ending and no cliffhangers "

Sugar Daddies Jade West 2016-07-12 A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.
