A Year of Living Simply - Kate Humble 2020-09-17

'Simply wonderful.' - BEN FOGLE 'Kate's book has the warmth and calming effect of a log fire and a glass of wine. Unknit your brow and let go. It's a treat.' - GARETH MALONE 'Kate Humble pours her enviable knowledge into attainable goals. It's a winning combination and the prize - a life in balance with nature - is definitely worth claiming.' - LUCY SIEGLE 'As ever, where Kate leads, I follow. She has made me reassess and reset.' - DAN SNOW 'Kate Humble's new book is a lesson in moving on from a tragedy and finding our place in the world' - WOMAN & HOME 'A Year of Living Simply is timely, given that the pandemic has forced most of us, in some way to simplify our lives, whether we planned to or not. Kate wrote it before any of us were aware of the upcoming crisis, but it captures the current moment perfectly... It's not necessarily a "how to" book, more of a "why not try?" approach.' - FRANCESCA BABB, MAIL ON SUNDAY YOU 'What I particularly love is her philosophy for happiness, which is the subject of her new book, *A Year of Living Simply*. The clue is in the title. Remember the basics. Instead of barging through the day on autopilot, really stop to think about the tiniest little things that added a moment of joy. No, of course stopping and smelling the flowers won't cure all our ills and woes. But taking the time to savour the things that bring pleasure, really being in that moment and appreciating it, can remind you that most days have moments that buoy your mood.' - JO ELVIN, MAIL ON SUNDAY YOU If there is one thing that most of us aspire to, it is, simply, to be happy. And yet attaining happiness has become, it appears, anything but simple. Having stuff - The Latest, The Newest, The Best Yet - is all too often peddled as the sure fire route to happiness. So why then, in our consumer-driven society, is depression, stress and anxiety ever more common, affecting every strata of society

and every age, even, worryingly, the very young? Why is it, when we have so much, that many of us still feel we are missing something and the rush of pleasure when we buy something new turns so quickly into a feeling of emptiness, or purposelessness, or guilt? So what is the route to real, deep, long lasting happiness? Could it be that our lives have just become overly crowded, that we've lost sight of the things - the simple things - that give a sense of achievement, a feeling of joy or excitement? That make us happy. Do we need to take a step back, reprioritise? Do we need to make our lives more simple? Kate Humble's fresh and frank exploration of a stripped-back approach to life is uplifting, engaging and inspiring - and will help us all find balance and happiness every day.

In almost all critical writings on the horror film, woman is conceptualised only as victim. In *The Monstrous-Feminine* Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body. Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.
