

# Arthur H Clough 1819 1861 The Voice Of Victorian Sex Short Lives

**Amours de Voyage** - A.H. Clough 2018-09-20  
Reproduction of the original: Amours de Voyage by A.H. Clough

**The Diary of Arthur Christopher Benson** - Arthur Christopher Benson 1939

Critical Survey of Poetry - Philip K. Jason 2003  
Presents alphabetized profiles of nearly seven hundred significant poets from around the world, providing biographies, primary and secondary bibliographies, and analysis of their works.

Journalism and the Periodical Press in Nineteenth-Century Britain - Joanne Shattock 2017-03-16

A comprehensive and authoritative overview of the diversity, range and impact of the newspaper and periodical press in nineteenth-century Britain.

William and Lucy - Angela Thirlwell 2003-01-01  
The marriage of William Michael Rossetti (1829-1919) and Lucy Madox Brown (1843-1894) united two of the most resonant Pre-Raphaelite family names. Their passionate and ultimately tragic relationship - described here for the first time - provides a fresh perspective on nineteenth-century marriage and on the private lives of eminent Victorians. Sibling of Dante Gabriel and Christina Rossetti, William was one of the original Pre-Raphaelite 'Brothers,' a Bohemian, radical author, poet, critic, artist, connoisseur, biographer, historian, and taxman. Lucy, the intense, intellectual daughter of Ford Madox Brown, was an ambitious artist and biographer of Mary Shelley in spite of struggling with tuberculosis for nearly a decade. Drawing on hundreds of previously unpublished sources and a wealth of new visual material (including art by William, Lucy, and others of their circle and striking contemporary photographs), the book follows William and Lucy through their separate professional careers, marriage, continental travels, and Lucy's illness and death.

At the crossover between art history, literary criticism, social history, and biography, the book rewrites Pre-Raphaelite history and brings to life two fascinating people who were both of their time and ahead of it.

**The Routledge History of Literature in English** - Ronald Carter 2001

This is a guide to the main developments in the history of British and Irish literature, charting some of the main features of literary language development and highlighting key language topics.

Arts & Humanities Citation Index - 2002

The Collected Poems and Journals of Mary Tighe - Mary Tighe 2021-12-14

Mary Blachford Tighe was born in Dublin in 1772 and became a poet by the age of seventeen. Her enormously popular 1805 epic poem "Psyche; or, The Legend of Love" made her a fixture of English literary history for much of the nineteenth century. For much of the twentieth century, however, Tighe was better known for her influence on Keats's poetry than the considerable merits of her own work. The Collected Poems and Journals of Mary Tighe restores Tighe to the general canon of English literature of the period. With over eighty-five poems, including the complete Psyche, and extracts from several journals, both by and about Tighe, Harriet Kramer Linkin's annotated edition is the most complete collection of Mary Tighe's work to be published in one volume.

**The Life and Letters of Margaret Junkin Preston** - Elizabeth Preston Allan 1903

The private letters and diary excerpts included in this biography give a vivid picture of the life and times of this lettered woman.

The Writers Directory - 2013

The Age of Eclecticism - Christine Bolus-Reichert 2020-05-05

"The burden of the past" invoked by any

discussion of eclecticism is a familiar aspect of modernity, particularly in the history of literature. *The Age of Eclecticism: Literature and Culture in Britain, 1815-1885* by Christine Bolus-Reichert aims to reframe that dynamic and to place it in a much broader context by examining the rise of a manifold eclecticism in the nineteenth century. Bolus-Reichert focuses on two broad understandings of eclecticism in the period—one understood as an unreflective embrace of either conflicting beliefs or divergent historical styles, the other a mode of critical engagement that ultimately could lead to a rethinking of the contrast between creation and criticism and of the very idea of the original. She also contributes to the emerging field of transnational Victorian studies and, in doing so, finds a way to talk about a broader, post-Romantic nineteenth-century culture. By reviving eclecticism as a critical term, Bolus-Reichert historicizes the theoretical language available to us for describing how Victorian culture functioned—in order to make the terrain of Victorian scholarship international and comparative and create a place for the Victorians in the genealogy of postmodernism. *The Age of Eclecticism* gives Victorianists and other students of nineteenth-century literature and culture a new perspective on familiar debates that intersect in crucial ways with issues still relevant to literature in an age of multiculturalism and postmodernism.

**The Hated Wife** - Adam Nicolson 2001  
Nicolson gets to the heart of the Kiplings' dysfunctional marriage. Carrie is seen for the woman she was, not a tyrant intent on controlling her husband, but a bastion of courage in the face of serial family tragedy.

**The World of UCL** - Negley Harte 2018-05-21  
From its foundation in 1826, UCL embraced a progressive and pioneering spirit. It was the first university in England to admit students regardless of religion and made higher education affordable and accessible to a much broader section of society. It was also effectively the first university to welcome women on equal terms with men. From the outset UCL showed a commitment to innovative ideas and new methods of teaching and research. This book charts the history of UCL from 1826 through to the present day, highlighting its many

contributions to society in Britain and around the world. It covers the expansion of the university through the growth in student numbers and institutional mergers. It documents shifts in governance throughout the years and the changing social and economic context in which UCL operated, including challenging periods of reconstruction after two World Wars. Today UCL is one of the powerhouses of research and teaching, and a truly global university. It is currently seventh in the QS World University Rankings. This completely revised and updated edition features a new chapter based on interviews with key individuals at UCL. It comes at a time of ambitious development for UCL with the establishment of an entirely new campus in East London, UCL East, and Provost Michael Arthur's 'UCL 2034' strategy which aims to secure the university's long-term future and commits UCL to delivering global impact.

[Victorian Literature](#) - Clement King Shorter 1897

[Nineteenth-century Literature](#) - 1986

Contains articles which focus on a broad spectrum of significant figures in fiction, philosophy, and criticism such as Austen, Carlyle, Dickens, Thackeray, the Brontes, Tennyson, Browning, Arnold, Emerson, Hawthorne, Thoreau, Whitman, Twain, and Henry James.

**The Last Words of Distinguished Men and Women** - Frederic Rowland Marvin 2020-08-05  
Reproduction of the original: *The Last Words of Distinguished Men and Women* by Frederic Rowland Marvin

*The Voice of Victorian Sex* - Rupert Christiansen 2001

Arthur Hugh Clough is the great undiscovered genius of Victorian literature. The golden hope of his generation at Rugby and Oxford, he battled against the orthodoxies of his time to produce some of the 19th century's most witty and original verse. Sexually and morally tortured, he died at a tragically early age, his health destroyed by his devotion to the cause of Florence Nightingale. In this study, Rupert Christiansen draws on newly discovered documents to present a dramatic portrait of a maverick figure, whose radical ideas about

politics, religion, and women will make him vividly sympathetic to modern readers.

*Annual Bibliography of British and Irish History* - 2002

**Julia Ward Howe, 1819-1910** - Laura Elizabeth Howe Richards 1915

Published just several years after her death, this biography tells of Julia Ward Howe's works and accomplishments as a prominent abolitionist, social activist and poet.

*Victorian Poetry* - Isobel Armstrong 2019-01-30  
In *Victorian Poetry: Poetry, Poetics and Politics*,

Isobel Armstrong rescued Victorian poetry from its longstanding sepia image as 'a moralised form of romantic verse' and unearthed its often subversive critique of nineteenth-century culture and politics. In this uniquely comprehensive and theoretically astute new edition, Armstrong provides an entirely new preface that notes the key advances in the criticism of Victorian poetry since her classic work was first published in 1993. A new chapter on the alternative fin de siècle sees Armstrong discuss Michael Field, Rudyard Kipling, Alice Meynell and a selection of Hardy lyrics. The extensive bibliography acts as a key resource for students and scholars alike.
