[Pagan Consent Culture](#) Christine Hoff Kraemer 2016 In this collection, Druids, Wiccans, Heathens, Polytheists, and others show how to ground good consent practices in Pagan stories, liturgies, and values. Although many Pagans see the body and sexuality as sacred, Pagan communities still struggle with the reality of assault and abuse. To build consent culture, good consent practices must

be embraced by communities, not just by individuals--and consent is about much more than sexuality. Consent culture begins with the idea of autonomy, with recognizing our right to control our bodies in all areas of life; and it is sustained by empathy, the ability to understand and share the emotional states of others.

Запретные тайны волшебного колдовства Сторм Фейривульф 2019-10-10 Когда-то мы умели слушать голос земли, ветра и звезд, но по мере развития технического прогресса все больше утрачивали эту способность. И постепенно сложилось впечатление, будто магия мира утеряна... Пусть мы многое забыли, но, обратив свой взор к преданиям предков, можно возродить эту мудрость - ощущать невидимые энергии, общаться с духами деревьев и получать помощь от фей. Феи, демоны, ангелы, духи растений ушли на задворки мира. Но они никогда не уходили совсем и остаются на границе с ойкуменой, смущенные или даже оскорбленные присутствием человека. В поэзии и фольклоре, в искусстве и легендах мы находим фрагменты древних знаний, которые можно собрать воедино и использовать в качестве дорожных карт. Истории о встречах с феями, мифы о древних богах, народные сказки передают нам символические ключи, открывающие секретные двери в потусторонний мир и позволяющие ориентироваться в нем. И в своей книге я приглашаю вас сделать шаг навстречу древней магии (Сторм Фейривульф).

Answering the Contemplative Call Carl McColman 2021-11-16 The mystical path is not some sort of static experience for the select few, says Carl McColman, rather, it is a living tradition, a rich and many-layered dimension of spirituality that is in large measure a quest to find the mysteries at the heart of the universe, paradoxically nestled within the heart of your own soul. McColman first introduced readers to Christianity's lost mystical roots in his popular book, *The Big Book of Christian Mysticism*. Now McColman is back with *Answering the Contemplative Call*, to show readers how to apply the riches of the mystical tradition to daily living. McColman quotes from the great mystics of the Christian tradition who have also traveled this path, including Teresa of Avila, Thomas Merton, Evelyn Underhill and more. In *Answering the Contemplative Call*, McColman offers a practice that will help readers come to a place meaning and purpose in their lives.

Encyclopedia of Wicca & Witchcraft Raven Grimassi 2000 Grimassi has written extensively about Wicca, and Llewellyn specializes in books sympathetic to occult ways, so the combination is pretty predictable. He describes not only the usual magic practices, but also the religious and spiritual aspects of what believers say is inherited ancient European wisdom and scoffers say is made-up, new-age nonsense.
