Win Your Breakup: How to Be The One That Got Away - Natasha Adamo 2022-01-11

You picked up this book because your breakup has been reduced to something that you feel you must "win" to emotionally survive and move on. This reduction can only take place if you were involved with a toxic person. Toxic people are selfish, empathetically bankrupt, and have a limited relationship with reality. Anyone who feels validated by exploiting your hunger for theirs is toxic to your peace, your life, and your mental health. Breakups aren't won by game-playing or vilifying your ex. They're won by realizing that winning is losing a partner who has proven to be a dead end. A new life is waiting for you at the end of this journey. In *Win Your Breakup*, relationship and self-help coach Natasha Adamo presents the opportunity for a life with relationships that you don't have to tolerate and eggshell-walk your way through. It's a life in which your ex regrets the day they ever decided to breach your trust and break your heart; a life in which those who took you for granted wish you could find a way back into theirs. In this life, you can choose to walk away from toxicity-no more trying to be the person someone may want, may commit to, may be honest with, and may treat with respect. This life is about to be your own.

Bad Will Hunting - Heather Wardell 2014-11-14

During her time on "Ragged Royalty", Ashley developed a reputation as the show's scowling shrew. Clever editing, no doubt, but she still hates it. Now that her stint on the show is complete, she's determined to get the revenge she deserves on the producers who made her look so awful. Without it she can't move forward and decide what comes next for her. She knows what doesn't, though- ever seeing MC or Kent or any of the other contestants again. She hates all of them and they hate her too. Who could like "Angry Ashley"? When she meets sexy attorney Will on the flight home, she believes he can help her get everything she needs. Until he double-crosses her. Now she needs revenge on him too. After reluctantly enlisting fellow contestant Sam's much-needed help in her "Bad Will Hunting" mission, Ashley turns up a ton of dead ends but also some exciting life-changing possibilities. But she can't get over her need to get one over on Will, and on everyone else who's wronged her. With so much "bad will" in her way, can Ashley ever find true happiness? The sequel to "Seven Exes are Eight Too Many"!

A Tale of Two - Abhishek V.

In the middle of the ground, amidst urban infrastructure and a sprawling slum, lie the bodies of 14 men. One, in particular, draws Inspector Mohit Sawant's attention - one that has had its face and hands brutally smashed by a huge rock. The only lead and eyewitness is Nitesh, found with bloody hands, sobbing beside the disfigured body. It all began when two boys, Nitesh and Vatsal, sat on abandoned railway tracks and decided that they wanted to leave their slum life behind. While Vatsal wanted to do it by pursuing his passion for dance and making a living the right way, Nitesh wanted to do it quickly. His only option was to help the local gangster Harish and join his organization. With his wit and his decisions, Nitesh rose within the gang, but also made new enemies who wanted to ensure that he is imprisoned and stayed behind bars. Amidst the pressure from his superiors and political influencers, can Inspector Sawant get to the bottom of the case and unveil the true motive of the crimes? Can Nitesh keep his secrets hidden and lie his way to freedom? Or will powers beyond their control award a final binding verdict?

Welterweight - Tricia Andersen 2017

Caleb Hallow doesn't need anyone. All he needs is to dominate in the MMA cage and become world champion. His plans are derailed when he wakes up with a mysterious tattoo of his ancestors after a one-night stand with his opponent's ex-girlfriend, Meg Riley. Sharing the mark with her joins them as mates for eternity. Can Caleb deal with Meg for the rest of his life? Can he keep her safe from his past as he falls deeply in love with her? And will she stay by him when she finds out he is actually a werewolf? It was just a fling, a chance to get revenge on her cheating ex. At least that's what Meg Riley tries to convince herself. But the indescribable pull that draws her to the dark, dangerous Caleb Hallow tells her differently. Although she is furious when she finds the strange tattoo on her back after their night together, and even though he tells her some convoluted story about him being a werewolf, she can't stay away from him. She can't stop herself from falling for him. When her ex threatens Caleb's life, how far will Meg go to save him? Will she be willing to sacrifice her life for his?

How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

Love Is an Art - Kathy Strobos 2023-10-10

He hates lawyers. So I'm a lawyer pretending to be an artist. Forgetting one tiny detail: I can't paint. Tessa: There's something about the way the blond guy laughs and leans in to listen. My gaze keeps returning to him.

The only problem is, we're at an art gallery after work, and I've swapped my lawyer suit for a paint-splattered shirt. I'm pretending to be a struggling artist, acting as bait to entice a scammer who conned my friend out of thousands of dollars. I look pathetic. But still, I approach Hot Guy. Our glances meet, and an awareness shimmers across. He offers to buy me a drink—we're definitely flirting—and then he asks me what I do. Just when Scammer Guy is in earshot. I have no choice but to say I'm an artist. I can tell Hot Guy later that I'm not. But then he says he hates lawyers. Now what? Zeke: She's the worst artist I've ever seen. And I hate that that makes me suspect that she's lying to me. After my ex-girlfriend cheated on me, trust is in short supply. Tessa makes me laugh, and it's one adventure after another with her. Definitely different from my workaholic lawyer ex. Maybe it's time to give love a second chance. All is fair in love and litigation, but when truth and deception clash, can you trust your heart? *The rom-com books in this series are interconnected, closed-door standalones set in the same world in New York City. Each can be read as a pure standalone with a guaranteed happily ever after. Search terms: romantic comedy, fake identify, feel-good, green flag guy, closed door, fade to black, lawyer romance, one chair, happy ever after, adventure, smart career women, friendship, New York city life

Politiquette - Nadia Asencio 2015-11-12

Partisanship is destroying the U.S. Whether you're an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options and the power to turn things around; in fact, We the People have an obligation to do so. But we can't change the current state of affairs until we realize that were part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nation's fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In Get the Guy, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

INTIMATE INFIDELITIES - MARNA MARTINEZ-CAMMORTO 2011-01-04

Do you think emotional affairs are more harmful than sexual affairs?

Think about it; suddenly and unexpectedly you find out that someone else is or has been depending on your significant other for emotional attention, love and possibly financial support. Someone else is getting the love, support and attention you are supposed to be getting. Don't you agree that your relationship may be at risk? See, if you have caught your significant other having a one night stand, or a temporary sexual affair, and (s) he decides to end it voluntarily, then it is up to you to decide to forgive and resume with your relationship. Perhaps, the two of you should revise and set new boundaries, or benefit from therapeutic interventions. However, with emotional affairs, is not that easy to forgive and move on, because you do not have sufficient and concrete evidence to prove your significant other's emotional or sexual affairs, which tend to be elusive by nature. You can choose to remain emotionally trapped and deceived or demand respect and the truth.

Ruby - Kathi S. Barton 2015-02-20

Ruby Erickson was the best OR surgeon the small hospital had. Management had mandated that the doctors were to turn away any people for treatment that couldn't pay. Under strict orders to follow the rules or else... Ruby operated on the young woman anyway. She'd never live long enough to survive the trip to County. Josh Ewing was suffering from a bad breakup. He had moved to the small town to get away from his cheating ex-girlfriend and former best friend and partner. His sister Bri was here and was all he had left in way of family. When Bri comes up missing, Josh is beside himself with worry. He finds his sister in a small hospital, listed as a Jane Doe, in critical condition. When he finds out that the doctor who saved her life had lost her job because she didn't turn his sister away, he wants to do all he can for her... She cut Josh off with a finger, punching to his chest. "You're damn right I saved her life. And do you think that because you put money in my account or paid nearly a hundred grand to my loans that I'm somehow going to be beholden to you? You fucking bastard, take it back. All of it, right now." Josh shook his head and braced his arms over his chest as if to do battle. Quentin took a step back now. He wasn't stupid. "You heard me, I want you to take back that money now, or so help me, you're going to need it for your own hospital bills." "Even if I could—which I don't care if I can or not—I won't do it. You risked a great deal to save her life, and I pay my debts." Ruby growled and took another step toward Josh. It took Quentin several seconds to realize that something had happened in that short period of time. Ruby didn't have time for a mate, not now, not ever. Josh wasn't happy about it either but discovered once he got past her stubborn surface that she really was a rare gem. But trouble doesn't elude them for long. That ex-girlfriend of Josh's was into some heavy stuff—things he didn't know about—things that could get them all killed—things that put them all on the radar of the wrong people...

Beyond the Breakup - Andrew Aitken 2015-04-21

Written by a man with extensive experience on the topic, Beyond the Breakup explains how men think about breakups, their ex-girlfriend, and how they perceive her behavior in the wake of a relationship's end. It also explains the implications this has for girls who are going through a breakup: what will and won't have an emotional effect on him, how to maximize your chances of getting him back, how and when you should contact him, what you should (and shouldn't) say, how to deal with seeing him again, and much more. The list of the chapter titles below give a good overview of the content. This book is not written for women with a weak spirit. It isn't going to tell you how to mitigate the pain you feel in the wake of a breakup, and it isn't going to tell you that everything is going to be fine. And while it will tell you how to maximize your chances of getting your ex back, it isn't going to pretend that there are any 'tricks' to make that outcome likely. However, it will do something much more important: it will give you a strong insight into your ex's state of mind and male psychology in general. This will give you the foundation you need to navigate the breakup and - more importantly - propel yourself into honest and successful relationships with the men in your future. Chapter List: Introduction PART I - UNDERSTANDING WHAT HAPPENED Men Don't Fall in Love the Same Way Women Do The Analogy Between Sex and Commitment Why This Always Happens to You Changing Your Perspective Why You Didn't See It Coming Men Don't Have "Commitment Problems" The Difference Between Liking You and Liking You Enough Why Men "Fade Out" You Weren't Dating Him in the First Place The Small Things Didn't Matter Anyway Why Your Ex (Who Dumped You) Is Still Contacting You Your Ex and Guilt Your Ex and Pride Your Ex and Decisiveness Interpreting His Emotions What's Going Through His Mind PART II - HOW TO HANDLE THE BREAKUP The Importance of Silence after a Breakup No, You Can't Be "Just Friends" How to Know If You Should Cut Him Off Why It's Never Too Late Why

Karma - ENVY 2012-04-18

My future, My destiny, My focus, My life. —ENVY As long as I can remember, it seems like the excuses of men get weaker and weaker concerning them doing something wrong in a relationship. What can I say? Shit happens. Are women any different really than men are? What is next after the tables have turned! This is about how dishonesty plays a big part in our lives. For some reasons, some people find it easier to tell a lie than to tell the truth. You decide. It begins. "I wish you would stop bugging me over and over again. I told you that I am not cheating on you! What the fuck do you want from me?" James kept saying over and over as he slammed the door and left again, claiming that he was playing cards with his friends, but I knew that he was going to go sleep with his ex-girlfriend. He knew that I knew, but I guess, to ease the pain, he thought it was necessary to lie about it! What fucking nerve did he have thinking that I didn't know what was going on? The door slammed and out he went. I sat on the couch and thought to myself, If he wants to play this game with me, then I will be the one with the last laugh, and when I laugh, everybody listens. When he left the house, I started packing and packing and I never looked back. I knew he was going to come to my job looking for me, but I had security get him out of the building at his first sighting. I really didn't want to see him or hear from him. At that point, I really didn't care if my co-workers knew or not what was going on with my personal situation as long as everyone knew that he and I were not a couple anymore. As a matter of fact, the ignorance of the people at this particular job probably already knew that he was doing this. After all, he worked over at the next building and they couldn't help not to see him in his so-called business lunches, which really was his time to sneak away and have sex with someone! One day, for the hell of it, I followed him, and he ended up at some apartment complex. It looked real shady, and I thought to myself, Wow, he really is taking this shit to another level coming down here. He actually stayed in the car and pulled out his cell phone and looked over his shoulder while making the call, and suddenly a tall black woman with a long blond wig showed up and got in his car. He then pulled off, and I pulled off behind the both of them. They pulled up into a cheesy motel, and both of them got out of the car. He walked up

to the window, pulled out cash, and got the key! They went into the room, and I was sitting in my car with binoculars and I could see a good view until she got up and closed the curtains. I sat in my car, not really shocked at that point. I was just disappointed in men. Why do men let you down so much? Is flesh that weak that men just lie about the simplest things or the simplest question? "Do you want me? Do you want to be with me? If you don't just tell me"—this is what the woman normally says, but is her question ever answered? No! Therefore we take things into our own hands. I am definitely going to meet someone and settle down, and when I do meet him, I will know. So long to James and his cheating ass! Let someone else deal with his shit. I sat there until they closed the curtains and knew that I made the right decision to follow him. He wasn't going to walk over me again. In my opinion, that was when I created my "bitchy" attitude. I was actually called this one day. It didn't seem to bother me because I wasn't considering myself a bitch. I just wasn't going to let someone think that I was going to be that person's doormat. My heart became dark, and cold. I am not saying that I was bitter, but I definitely didn't have any love for the men that came into my life. I thought in my mind that they all were the same at one point—spineless, greedy, and selfish. I must say I thought I knew James, but we were formerly introduced ab

Divorced Girl Smiling - Jackie Pilossoph 2013-11-23

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.
